Executive Summary

The U.S. Department of Agriculture has awarded Wisconsin with FoodShare bonus funds to recognize exceptional performance relating to payment error rates and other performance criteria. The State recently decided to distribute the award to the 10 Income Maintenance Consortia under their 2014 Income Maintenance Contracts. The bonus funds must be spent on income maintenance related expenses.

The Southern Consortium’s share of the performance award is $234,752. The resolution accepts the funding, of which $102,022 is passed through to our Southern Consortium partner counties (Crawford, Grant, Green, Iowa, Jefferson and Lafayette) and $132,730 is retained by Rock County. Unexpended funds can be carried forward into 2015.

The account line items in the resolution are difficult to reconcile to the amounts identified above for several reasons. The Southern Consortium received a Food Share bonus award in 2013 and the unspent balance is being carried forward in this resolution. In addition, the Department knew last summer that it would receive the 2014 award. The Department included an estimate of that award in the 2014 Budget. That amount is being reconciled to the actual award. And finally, there is some reconciliation of funding among the Southern Consortium Partners to correct overspending of their 2013 FoodShare bonus award.

The Rock County Human Services Department wishes to use the funds purchase some capital items in 2014. Included are:

- $33,484 to replace old phones for the Economic Support staff and providing them with wireless headsets.
- $10,250 to purchase panels for office cubes to reduce noise and distractions to improve the workplace environment.
- $500 for a wire pull into the training room so that a conference speaker phone can brought in for training sessions.
- $1,387 to replace 12 side chairs in the Economic Support waiting area that need to be replaced.

Funds are being appropriated in case they are needed to pay for overtime during the second ACA open enrollment period in late 2014.

TO OFFSET COSTS ASSOCIATED
WITH THE PURCHASE OF AGRICULTURAL CONSERVATION EASEMENT PROGRAM

WHEREAS, the Land Conservation Department was allocated funding from the ATC Fund account in 2009, per Resolution 09-2B-219, to fund various conservation projects; and,

WHEREAS, a portion of the allocation was earmarked for the implementation of the Purchase of Agricultural Conservation Easements Program (PACE); and,

WHEREAS, the major funding component of the PACE program is the USDA-NRCS Agricultural Conservation Easement Program (ACEP) (formerly referred to as the Farm and Ranchland Preservation Program), which pays up to fifty percent (50%) of the Easement value; and,

WHEREAS, the ACEP guidelines require all easements funded must include a title insurance policy valued for the full purchase price and have a comprehensive conservation easement appraisal completed; and,

WHEREAS, the Land Conservation Department (LCD) purchases a preliminary title insurance policy valued at $15,000 as part of the initial title search early in the PACE application process and purchases the remaining increment, which totals the full easement purchase price, prior to closing on the Easement acquisition; and,

WHEREAS, due to unforeseen delays, two easements that would have closed in 2013 were moved to early 2014, therefore the associated closing costs will also be incurred in 2014; and,

WHEREAS, an anticipated increase in applications in 2014 will cause a funding short fall for the associated appraisal and title insurance fees; and,

WHEREAS, the Land Conservation Committee requests a transfer from the ATC Fund account and to amend it’s budget to reflect the costs associated with the aforementioned components of the PACE Program.

EXECUTIVE SUMMARY

This resolution requests that money be transferred into the Land Conservation PACE budget from the ATC account to cover costs associated with the Purchase of Agricultural Conservation Easement (PACE) program, specifically the cost of title insurance and appraisal fees.

The LCD experienced delays in the closing of two PACE easements in 2013 until 2014. Also, the LCD anticipates a greater number of applications for the program in 2014 than estimated during the development of the 2014 budget, which will create a budget shortfall. The LCD is expecting at least four new applications for the program in 2014.

Executive Summary

The Children’s Long Term Support (CLTS) waiver program provides Medicaid funding for children who fall under three separate groups: Developmental Disabilities (DD), Physical Disabilities (PD), and Severe Emotional Disabilities (SED). At present, there are about 130 children served by this program in Rock County. The CLTS case management assignments are split between two county social workers and contracted staff through Catholic Charities.

As of May 23, 2014 there were 153 children on the wait list for CLTS services. The State of Wisconsin has notified the HSD that it has made additional funding available to serve children with complex health needs. The HSD is expected to use the funds to build capacity to serve children who have been screened eligible for CLTS services. The expectation outlined in the State memo dated March 2014 is that 58 children would be taken off the wait list. The HSD Program Manager believes there is adequate funding to take 75 children off the wait list. The funding would be used bring on four additional case managers in the CLTS program as well as pay for an array of services for the children.

The contract with Catholic Charities would be amended to bring on two additional contracted staff. The HSD would hire two social workers. They would be charged with moving the high need, children off the wait list. These are often complex kids who are currently in out-of-home placements that would benefit from the waiver program, which provides an array of services and pays for the move into a community setting. The children benefit from moving to a better, less restrictive environment. The county benefits from moving children in to waiver slots where 40% of the cost is covered by the County rather than 100% of the cost of substitute care. HSD social workers would also take the difficult cases off the wait list that are at a high risk for an out-of-home placement.

It is recommended the County Board approve the resolution. Up to 75 children and their families will benefit from CLTS services. There is no levy cost attributed to the 2.0 FTE social workers. Their billable hours as well as additional administrative funds in the contract cover the cost of their positions. And finally, it is the intention of the HSD to reduce the number of out-of-home placements and reduce the substitute care budget that pay for those placements in 2015. These positions will help achieve that goal.

Authorizing the Purchase of the Rock County Job Center

WHEREAS, Rock County has leased the 60,500 square foot building located at 1900 South Center Avenue in Janesville since 1998 when Rock County Job Center began operations; and,

WHEREAS, Rock County spent approximately $1.2 million of state funds to do leasehold improvements prior to the opening of the Job Center in July 1998, and spent approximately $255,000, of state funds in 2013 to renovate space for the new Aging and Disability Resource Center (ADRC) also located at 1900 South Center Avenue; and,

WHEREAS, the significant investment in leasehold improvements has meant that Rock County and its Job Center partners who sub-lease space from the County benefit from a lease rate that is less than market rate; and,

WHEREAS, Backyard Properties of Rock County, LLC purchased 1900 Center Avenue as well as 1820 Center Avenue and approximately 12 acres of land associated with those parcels from MPI/Janesville Inc. in June, 2014; and,

WHEREAS, Backyard Properties as the new landlord assumed the existing Job Center lease that expires on January 31, 2015; and,

WHEREAS, Backyard Properties gave the County notice that either it could renew the lease at market rate or make an offer to purchase the building and approximately 5 acres of adjacent parking lot associated with the building; and,

WHEREAS, the County Board Staff Committee authorized staff to conduct a facility condition report on the property, to secure enough land associated with the building to meet City parking requirements and negotiate a purchase offer for the land and building; and,

WHEREAS, an independent facility condition report conducted by Angus Young and Associates reveals the building structure and systems are in sound condition with need for cosmetic repairs and ongoing routine maintenance; and,

WHEREAS, Backyard Properties agrees to allow the County Surveyor to do a Certified Surveyor’s Map that carves out approximately 5 acres of land to give the Job Center/ADRC sufficient parking to meet the City’s parking ordinance; and,

WHEREAS, Backyard Properties has accepted the County’s offer and is contingent upon County Board approval; and,

WHEREAS, the purchase of the Job Center/ADRC property is a prudent financial decision that gives the County long term stability to provide essential services to the public in a well-known and easily accessible, convenient central location.

NOW, THEREFORE, BE IT RESOLVED that Rock County Board of Supervisors duly assembled this ___ day of __________, 2014 does hereby agree to purchase the land and building from Backyard Properties of Rock County LLC described in the accepted offer to purchase at 1900 South Center Avenue for the price of $1,918,906.25 and amend the budget as follows:
BE IT FURTHER RESOLVED that the County Board Chair and County Clerk are authorized to approve payment and to sign any documents necessary to execute the sale and closing on the property on or before December 31, 2014.

ADMINISTRATIVE NOTE:

Purchase of the Job Center property is in the County’s best interest. As outlined in the Executive Summary it will be far less expensive in the long run even taking into account future repairs which may be needed.

Funding is proposed to come from deferred financing. Depending on other capital needs which may be considered in the 2015 Budget, some sales tax funding may be available to offset some of the cost of this purchase. The actual borrowing will not occur until 2015 so there will be time to make this determination.

Purchase of the Job Center property is recommended.

Executive Summary

Brief History of the Job Center

The State of Wisconsin implemented “Welfare to Work” or W-2 in 1995-97 Biennium, which was a state funded, county operated system to replace AFDC. The State also wished to expand the “Job Center” concept to Rock County, which was a one-stop location for all state/federal funded job seeking and training programs and was willing to put funding into the project.

In October, 1996 the local “Collaborative Planning Team” composed of BTC, Rock HSD, Private Industry Council, DVR, Forward Service Corporation, Wisconsin Job Service, Head Start and the AFL-CIO examined various sites in Rock County and recommended that the vacant K-Mart building on the south side of Janesville was the right size, centrally located building with easy access, and an affordable option to house the Job Center.

The County began lease negotiations with K-Mart in the summer of 1997. The County Board passed a resolution in October 1997 that awarded a construction contract for $1.2 million to renovate the 60,500 square foot K-Mart building. In July 1998, the Job Center opened to the public.

In 2002, K-Mart sold 12 acres of land that included the Job Center located at 1900 Center Avenue as well as the commercial strip mall located at 1820 Center Avenue to MPI, a real-estate investment company. MPI assumed the lease with the County.

In early 2012, Rock County did a three year-extension of the triple net lease, which expires on January 31, 2015. At present, Rock County occupies about ½ of the building with its Economic Support Division, Long Term Support Division and ADRC. The remaining space is sub-let to Job Center partners.

Justification for the Purchase

In June, 2014 Backyard Properties of Rock County LLC purchased the 12 acres and buildings located at 1900 Center Avenue and 1820 Center Avenue from MPI. The new owner gave the County notice that it either could renew the lease at market rate or make an offer to purchase the Job Center building and sufficient land to meet the City’s parking ordinance.

The purchase of the Job Center/ADRC property is a prudent financial decision. The following page provides a 10 year comparison and square foot annual costs of the agreed upon purchase, the current lease, and Backyard Properties’ proposed market rate lease. The agreed upon purchase is clearly the best alternative.

Moving operations out of the Job Center is not a good alternative. The below market rate lease rate is in part due to the significant amount of leasehold improvement done with state funding. It is unlikely the County would find anything near the current lease rate, let alone the purchase price without having to do significant renovations, investment in technology and phone systems. The current location at 1900 Center Avenue is well known to the public, it has easy access and is centrally located in Rock County.

TO RATIFY THE 2014 LABOR AGREEMENT BETWEEN ROCK COUNTY
AND
THE CORRECTIONAL OFFICERS IN THE SHERIFF’S OFFICE

Executive Summary

Prior to 2013 the Correctional Officers who work for the Sheriff’s Office in the Rock County Jail were a part of the AFSCME 2489 bargaining unit. This was a unit of approximately 350 employees in clerical, administrative and para-professional positions in several Rock County Departments. The contract was written very broadly to cover many different job classes and various employment situations.

As a result of changes brought about by Act 10 of the 2011 Legislature (the so called “Budget Repair Bill”) bargaining units were either classified as “general employee units” or “law enforcement units.” The AFSCME 2489 unit is a general employee unit, whereas the Deputy Sheriff’s and Deputy Sheriff’s Supervisor units are classified as law enforcement units. Due to Act 10 the general employee units no longer had the ability to bargain about anything other than base wages, whereas law enforcement units still had the ability to bargain a complete contract. Employees in the general units also had to begin paying the employee share of their Wisconsin State Retirement (WRS) contribution when their 2011 contract expired. This meant that all of the employees in the Rock County general employee units: AFSCME 1077, AFSCME 1258, AFSCME 2489, AFSCME 2489-Y, AMHS-HSD, AMHS-RH, SEIU Public Health Nurses, and the Rock County Attorney’s Association had to pay 5.9% of their salary into their WRS retirement in 2012; 6.65% in 2013; and 7.0% in 2014. As part of AFSCME 2489 unit the Correctional Officers paid the 5.9% in 2012 and the 6.65% in 2013.

In 2013 the Correctional Officers in Rock County sought to be removed from the AFSCME 2489 general unit and have their own bargaining unit which would be designated as a law enforcement unit. Under Act 10 this would give them the right to bargain a compete contract and not require them to pay the employee share of their WRS contribution.

The issue of whether “jailers” should be in a law enforcement or a general employee unit was first raised in a Wisconsin state court law suit involving Douglas County, the Wisconsin Employment Relations Commission (WERC), and the Wisconsin Professional Police Association (WPPA). Douglas County had taken the position that their jailers were not law enforcement because they were not “sworn” and did no law enforcement duties other than work in the jail. The WERC agreed with that position. The WPPA challenged that decision in the 4th District Court of Appeals and the Appellate Court ruled that the determining factor was not the swearing in, or the duties, but rather the fact that the employees had protective status. They ruled that since the jailers had “protective status” they were in fact law enforcement. Thus they had the right to negotiate a full and complete contract. The Appellate Court decision was not appealed to the Wisconsin Supreme Court so it stands as the current law.
[Employees with Protective Status are: law enforcement personnel, including correctional officers, firefighters covered under Social Security, and participants working in positions as defined in WRS statutes as protective occupation employment. Under the State of Wisconsin Employee Trust Fund retirement program, the normal retirement age for general employees is 65. For protective status occupations it is 54 with less than 25 years of service, and 53 with 25 or more years of service. The minimum retirement age is 55 for most general employees and 50 for those employees in protective service occupations.]

Rock County’s jailers have had protective status for some 40 years dating back to the first few CETA employees who worked in the jail. Based on the Douglas County decision Rock County agreed to create a separate bargaining unit for the Sheriff’s Office jailers. The employees in that unit voted to change from being an AFSCME bargaining unit to being represented by the WPPA. The WPPA and the County began working on a first contract for this newly recognized group towards the end of 2013. The initial contract proposals for the newly created unit were based on the 2014 AFSCME 2489 contract, but modified to meet the different employment situation experienced by the 24/7 jailers in the Sheriff’s Office. That bargaining resulted in a tentative agreement on June 27, 2014.

In addition to the 1.5% across the board salary increase that every Rock County employee received in 2014 (except the Deputy Sheriff’s Supervisors who have not yet settled), this agreement also dealt with another issue. The AFSCME 2489 contract provided for longevity steps at 60 months, 120 months, 180 months, and 240 months. While this worked well for employees in a general clerical, administrative, paraprofessional unit; it did not recognize the unique job requirements and stresses associated with a 24/7 jail operation. The County therefore agreed to a proposal by the WPPA to shorten the time necessary for the Correctional Officers to reach the top longevity step. We did this by changing the 180 month step to 84 months and changing the 240 month step to 120 months. This involved 32 employees out of the unit of 78 employees. As part of this bargain the Correctional Officers agreed to continue to pay the employee share of their WRS contribution (7.0% in 2014).

The 2014 Deputy Sheriff’s contract and the current proposals for the Deputy Sheriff’s Supervisors contained a revised uniform allowance effective 1/1/2014. For the Deputy Sheriffs the 2013 rate was increased by $325 from $700 to $1,025 in order to keep up with inflation and the employee’s relative buying power. The Correctional Officers received a comparable increase to their uniform allowance language which moved them from $485 annually to $635.

Approval of Rock County to Transition from the Waiver System to Family Care

WHEREAS, in the mid 1990’s, the Department of Health Services (DHS) worked for over two years with consumers, consumer’s relatives, service providers as well as experts and tax payers to create a proposal for managed care now known as Family Care built on the concepts taken from managed care systems, the waiver programs, community integration and person centered planning; and,

WHEREAS, in February 2006, the Governor announced that the State would be expanding Family Care beyond the five pilot counties; and,

WHEREAS, as of January 1, 2014, Family Care is now serving 17,830 frail elders and 13,440 developmentally disabled members and 6,692 physically disabled members across 57 counties and serving a total of 37,362 members in the State of Wisconsin; and,

WHEREAS, in December 2013, DHS submitted a report to the Joint Committee on Finance, Long Term Care Expansion which stated, “The goal of Wisconsin’s managed long-term care system is to provide the right service, in the right amount, and in the right setting.” and “The Family Care program has demonstrated that a managed long-term care system increases quality while controlling costs.”; and,

WHEREAS, the report states Family Care improves the cost-effective coordination of long-term care services by creating a single, flexible benefit that includes a large number of health and long-term care services that otherwise would be available through separate programs; and,

WHEREAS, the State has recently approved the Northeastern seven county consortium to transition to Family Care which means only eight counties including Rock would continue to offer the legacy waivers; and,

WHEREAS, the State Department of Health Services has advised the Federal Center for Medicaid Services (CMS) that all counties will eventually need to transition to Family Care; and,

WHEREAS, in most areas of the state, clients have a choice among multiple managed care organizations (MCO’s); and,

WHEREAS, Rock County opened an Aging and Disability Resource Center (ADRC) in March of 2013, which is a pre-requisite to a transition to Family Care; and,

WHEREAS, the Developmental Disability Board and Human Services Department currently have approximately 280 Rock County residents who are waiting for services; and,

WHEREAS, the Developmental Disability Board and Human Services Department waiting list would be eliminated and waiting list clients would receive services under Family Care within thirty-six months or less from the implementation of Family Care; and,

WHEREAS, the ability of the County to provide services to all the DD and HSD persons on the waiting list is significantly limited by 0% tax levy limits; and,
WHEREAS, under county tax levy limits it is unlikely there will be significant expansion of DD and
HSD services, and further, provider costs continue to rise while the pressure to serve people on the
waiting list continues to build; and,

WHEREAS, based upon Calendar Year 2006 year end reconciliation, the State has calculated a gradual
buy down of payments by the County to the State over five years from the date of the implementation of
Family Care which is set forth in Wis. Stat. 46.281(4).

Executive Summary

APPROVAL OF ROCK COUNTY TRANSITION FROM THE WAIVER SYSTEM TO FAMILY CARE

The Department of Health Services worked for over two years to develop a managed care model now referred to as Family Care. Family Care was piloted in five counties before it was expanded to other counties in the State. Family Care now operates in 57 counties across the State serving approximately 37,362 members.

The Department of Health Services report entitled “Long Term Care Expansion Report” submitted by the State to the Legislative Joint Committee on Finance outlined the goal of Family Care was to provide the right service, in the right amount, in the right setting. In addition, the report stated that Family Care improves cost effectiveness by creating a single flexible benefit that includes a large number of health and long term care services that otherwise would be available through separate programs.

Rock County has been in discussion with the State on transition to Family Care on multiple occasions over the years. The State originally wanted Rock County to open an Aging and Disability Resource Center (ADRC) in April of 2011, with transition to Family Care in July of 2011. In August of 2010, that proposal was later modified to opening an ADRC in November of 2011, with transition to Family Care in January of 2012.

Thereafter, the State suspended further expansion of Family Care, however, encouraged counties to open Aging and Disability Resource Centers. In the fall of 2012, the Rock County Board passed a resolution to create a Rock County ADRC that opened in March of 2013. More recently, the Governor announced that 7 northeastern counties will transition to Family Care. This leaves only 8 counties, including Rock, operating the legacy waivers.

In calendar year 2006, Rock County contributed $3,559,578.74 in Basic County allocation to long-term care services within the Developmental Disabilities Board and Human Services Department. That sum exceeds the statutory required Family Care contribution by counties of 22% of the county’s Basic County Allocation (BCA). Once Rock County transitions to Family Care, Rock County’s BCA will gradually be reduced over the course of five years, to 22% of Rock County’s 2006 Basic County Allocation for long term care services which is $2,026,787.

There are currently approximately 280 people on the waiting list eligible for Developmental Disability Board services and Human Services Department services (250 for DD Bd.; 30 for HSD services). The waiting list continues to grow while the county’s ability to fund the services for these wait list individuals is limited by zero percent tax levy caps.

The promise of Family Care is that all persons on the waiting list will be served within 36 months or less from the date Family Care is implemented. The 57 other counties that have made the transition to Family Care have no waiting lists.

- EXECUTIVE SUMMARY -

APPROVE RELOCATION ORDER #2 FOR CTH BT
(INMAN PARKWAY EXTENSION)

The project design for the construction of CTH BT (Inman Parkway Extension) is nearly complete. To carry out the project, the County must acquire certain interests in land in Sections 17 & 18 of the Town of Turtle. It is required by Statute that the County Board pass a relocation order as the first legal step in the process.

Previously, the County Board approved a Relocation Order and Right-of-Way Plat to acquire two parcels and relocate the tenants living there.

This resolution adopts a second relocation order for the remaining lands requested and delegates responsibility for implementation to the Public Works Committee and Director of Public Works.
