RESOLUTION
Authorizing Acceptance of Energy Efficiency Conservation Block Grant, Acceptance of Alliant Energy Loan Proceeds, Awarding Contract to IBC Engineering Services and Amending the 2010 General Services Budget

WHEREAS, the Health Care Center is heated with 40-year old boilers that are not energy efficient and are expensive to operate; and,

WHEREAS, General Services staff identified and applied for funds which the County can use to pay for a $753,770 project that would replace the existing boilers with high efficiency package boilers, heat pumps, air handling equipment, variable drives, digital controls, and monitoring software; and,

WHEREAS, the State of Wisconsin Department of Commerce awarded Rock County $225,000 of ARRA funding through the Energy Efficiency Conservation Block Grant; and,

WHEREAS, the matching money for the project comes from an Alliant Energy commitment for a low interest 5% loan of $528,770 for a 5-year term through its Shared Savings program; and,

WHEREAS, the energy savings that accrue as a result of the project creates enough positive cash flow to pay off the Shared Savings program loan; and,

WHEREAS, the project is on the fast track due to grant requirements to expend the funds by June 30, 2011; and,

WHEREAS, engineering plans and bid specs will be needed prior to bidding the project and installation of Healh Care Center HVAC system controls and boiler replacement.

NOW, THEREFORE, BE IT RESOLVED, that the Rock County Board of Supervisors duly assembled this ______ day of ________, 2010 does hereby accept the Energy Efficiency Block Grant agreement for $225,000 of funding from the Department of Commerce and authorize the County Board Chair to sign all necessary grant documents on behalf of Rock County; and,

BE IT FURTHER RESOLVED that the County Board Chair is authorized to sign any necessary agreements or commitments required by Alliant Energy for access to the Shared Savings program funds; and,

BE IT FURTHER RESOLVED, that a contract be awarded to IBC Engineering Services, Inc. of Waukesha, Wisconsin for an engineering design proposal and bid ready design documents in an amount not to exceed $48,600; and,

BE IT FINALLY RESOLVED, that the 2010 General Services Budget be amended as follows:

ACCEPTING SOUTH CENTRAL WISCONSIN CONSORTIUM #10 FUNDING AND AMENDING THE 2010 ROCK COUNTY HEALTH DEPARTMENT BUDGET

EXECUTIVE SUMMARY

The Rock County Health Department is a member of the South Central Wisconsin Consortium #10, which was organized to prepare for bioterrorism and other public health threats.

The consortium receives funding to carry out the objectives assigned to it. At the end of the year, any money remaining in the consortium budget is disseminated to the individual consortium members. At the end of 2009, there was an additional $38,500 remaining, of which Rock County’s share is $5,500.00.

These funds will be used by the health department to continue its activities to ensure Rock County is prepared for any public health threat that might arise.

EXECUTIVE SUMMARY

In February of 2010, the Rock County Sheriff’s Office applied for grant funding from the Community Foundation of Southern Wisconsin to aid with start up costs for Project Lifesaver, a national program that aids victims and families suffering Alzheimer’s disease and related disorders. Project Lifesaver uses state-of-the-art technology employing wristband transmitters to locate wandering and lost adults or children.

People who are part of the Project Lifesaver program wear a personalized bracelet that emits a tracking signal. When caregivers notify the emergency responders that the person is missing, a search team responds to the area and starts searching with a mobile locator tracking system.

Agencies that have employed this system have reduced recovery times from hours and days to minutes. In hundreds of searches nation-wide with the Project Lifesaver program, there have been no reported serious injuries or deaths. Recovery times average less than 30 minutes. The Sheriff’s Office intends on working with the Rock County Social services and the Alzheimer’s Support Center of Rock County to implement the program.

The grant award from Community Foundation of Southern Wisconsin through the Karl A. and Bernice E. Samek Charitable Fund of $760 will be used for training and miscellaneous supplies to related to starting up the program.

EXECUTIVE SUMMARY

Resolution Authorizing Appropriation of Redaction Fee

2009 Wisconsin Act 314 makes a number of changes to the laws relating to fees collected by a register of deeds and also for the redaction of Social Security numbers from electronic documents.

This law changes the recording fee of $11 for the first page plus $2 for each additional page to a flat fee of $25 per document. The new law affects only those documents covered under s.59.43(2)(ag)1 and 59.43(2)(e) subject to s.59.72(5). Additionally, Act 314 requires a register of deeds to make a reasonable effort to redact social security numbers from an instrument’s electronic format that are viewable or accessible on the Internet.

In order to assist Register of Deeds with costs associated with the redaction process, the legislation imposes an additional $5.00 fee per document. This additional $5.00 fee will sunset in 2012 unless an annual extension is granted to the register of deeds by the Wisconsin Department of Administration until January 1, 2015.

Title: Awarding Contract for Architectural Services Through Schematic Design for a New Rock Haven Facility

Whereas, the Rock County Board of Supervisors moved forward to build and open the current Rock Haven facility in 1963 and the Health Care Center Building in 1972; and,

Whereas, in 2009 in response to continued federal requirements being imposed on nursing homes, the Rock County Board of Supervisors retained the firm of Eppstein Uhen Architects to complete a study of options ranging from renovating to replacing the current nursing home; and,

Whereas, that study concluded that building a new facility would be the best option for Rock County; and,

Whereas, the Health Services Committee concurs with the findings of the 2009 Study and feels Rock County should move forward with the design services needed to build a new nursing home in order to continue caring for Rock County citizens with chronic mental illness, developmental disabilities and health concerns.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors, duly assembled this day of , 2010 does hereby authorize a contract with Eppstein Uhen Architects of Milwaukee, Wisconsin, in the amount of $224,400, plus reimbursable expenses not to exceed $5,000 for Architectural/Engineering Services through Schematic Design relating to the construction of a new Rock Haven facility.

BE IT FURTHER RESOLVED that payments be made to the vendor upon approval of the General Services Committee.

ADMINISTRATIVE NOTE:
As the program document is developed more information will become available to help determine the
appropriate size facility within a range of 96 to 128 beds. This may involve cost-illustration of more than one
option. Given this approach, I recommend proceeding with Schematic Design.

EXECUTIVE SUMMARY

Rock County has been caring for frail and elderly citizens since 1854 when the County Board purchased property at Johnstown Center for the Rock County Poor Farm and Alms House. In 1893, the Rock County Board purchased the Baker Farm (present site) and built the County Hospital and Poor House. The new County Hospital opened in 1894 as the Asylum for the Chronic Insane followed by the Alpha Building in 1925, the Pinehurst Tuberculosis Sanitarium in 1929 and the Beta Building in 1939.

Rock Haven opened in 1963 with a capacity of 248 beds. The Rock County Health Care Center opened in 1972 with 282 beds. Soon after the facility opened, community funding became available decreasing the number of admissions to the Health Care Center. County Board members quickly realized that the facility was larger than the demand for beds. Over the next 25 years, Rock Haven served the frail elderly and the Health Care Center was recognized as a regional center for residents with chronic mental illness or dementia with behavioral concerns.

By 2000, the cost of operating both facilities became a burden to Rock County taxpayers, leading to a Board resolution to establish a Blue Ribbon Task Force to plan for the future of the facilities. Following the recommendations of the task force, Board resolutions limited admissions to Rock County citizens and resulted in a downsize to 180 beds by 2003. The facility was further downsized to 154 when the ICF/MR unit closed on January 25, 2006. Finally, in February 2007, the Rock County Board resolved to reduce Rock Haven to our current 130 beds.

The Rock Haven building has served Rock County citizens well for the past 46 years but is not in compliance with the Federal mandate for sprinkler systems effective August 13, 2013. As a result of this concern, the County Board contracted with Eppstein Uhen Architects in 2009 to explore the costs of renovation or new construction. At the conclusion of that project, it became clear that renovation of the current facility would be too costly, too time-consuming and too disruptive to services.

The firm of Eppstein Uhen Architects is being recommended as the design firm for the new nursing home. This resolution and the contract it authorizes will carry the design process to the end of schematic design. This design phase should be completed by September 2010. Once schematic design is complete, there will be a clear understanding of what the building will look like, its size, the estimated cost, and the timeline for construction.

Once this information is presented to the Board, a second resolution will then come before the Board to contract with Eppstein Uhen Architects for the remaining architectural services leading to construction. That resolution will move the process through design development, completion of plans and specifications and the bidding process. Once bidding is complete, the County Board will be asked to award a contract for construction.

EXECUTIVE SUMMARY
For
STATEMENT OF PROJECT INTENTION

Wisconsin statute requires that an airport sponsor submit a six-year plan every even numbered year. This Resolution provides that Six Year Statement of Project Intentions to the State of Wisconsin and/or the federal government to meet the existing and future needs of the Southern Wisconsin Regional Airport. This Resolution is important for the future planning and timely execution of development as it becomes necessary.

This Statement of Project Intentions is for planning purposes only, does not require County funds to be available, and does not commit the sponsor to an Airport Improvement project.

If approved, this Resolution will be forwarded to the State of Wisconsin, Bureau of Aeronautics, for their planning and budgeting purposes.

Respectfully Submitted

EXECUTIVE SUMMARY

On May 21, 2010, Wisconsin Office of Justice Assistance (OJA) announced that they were opening the Homeland Security Law Enforcement Command Radio Grant (2007) to local and county emergency operations centers. This initiative allows for interoperable communication between the Rock County EOC and state officials during emergency situations.

OJA is providing this grant funding for the purchase of trunking-enabled public safety radios that will operate on the Wisconsin Interoperable System for Communications (WISCOM). This is a one-time grant award for up to $4,500 to purchase an emergency operations center control station kit. The kit includes a mobile radio, desk microphone, programming and installation.

There is no dollar match required for this OJA grant. Rock County Emergency Management plans to apply for the WISCOM equipment to be installed at the Rock County Emergency Operation Center (EOC).
