Finance Committee Endorsement

Reviewed and approved on a vote of 50

Mary Mawhinney, Chair

FISCAL NOTE:

This resolution amends the Council on Aging’s 2011 grant programs to actual awards for a net increase in Federal and State Aid of $2,564. No County matching funds are required.

Jeff A. Smith
Finance Director

LEGAL NOTE:

As an amendment to the adopted 2011 County Budget, this Resolution requires a 2/3 vote of the entire membership of the County Board pursuant to sec. 65.90(5)(a), Wis. Stats.

Eugene B. Dumas
Deputy Corporation Counsel

ADMINISTRATIVE NOTE:

Craig Knatson
County Administrator
EXECUTIVE SUMMARY

The Council on Aging budget is funded primarily with federal Older Americans Act and state revenues. During the budget preparation process, the amount of funding is estimated. Actual amounts are not available until after the federal budget is passed and the State Bureau of Aging and Disability Resources determines final allocations for counties.

This budget amendment decreases the amounts of funding for Title III-B (Supportive Services), Title III-C-2 (Home Delivered Meals), and Title III-E (Family Caregiver Support Program) of the Older Americans Act. There are slight increases for Title III-C-1 (Congregate Nutrition Program), Title III-D (Preventive Health) and State Senior Community Services.

No county funds are required.

EXECUTIVE SUMMARY

For more than ten years, the Arrowhead library System has had a part-time computer trainer teaching computer classes in the seven members libraries in Janesville, Beloit, Clinton, Milton, Edgerton, Evansville and Orfordville. The computer classes include basic and advanced classes, internet searching, creating e-mails, with more than 1,000 people trained from January to July 2010. The need for computer skills is growing and there is a constant demand for these classes. Every library in the system has public access computers, and wireless access in their libraries for the small computer lab that Arrowhead computer trainer has to use.

EXECUTIVE SUMMARY

The Arrowhead Library System will assist job seekers by providing computer classes related to job searching, resume writing, online applications, and basic and advanced computer skills. Arrowhead will provide a Spanish-speaking computer trainer for a portion of the classes offered. Collaborating with the Janesville-based literacy tutoring program, The Literacy Connection, Arrowhead will assist in developing a math-literacy program for unemployed workers who lack skills to complete math tests needed for employment. Continuing education programs for the literacy tutors and library staff will provide information and develop skills for tutors and library staff. The library staff will improve their ability to assist The Literacy Connection tutors and other customers in finding materials and resources available at the libraries.

AMEND FORM 2/98
To: General Services Committee
From: Kevin Higgs, Owners Representative
Date: July 14, 2011
RE: Program Request for Phase # 1 Jail Renovation Project

Program Request # 029
Change Order Request #098R
Total Cost; $ (Not finalized)

CDR # 098R pertains to Proposal Request # 21R Fire Alarm Modifications.
CDR 098R provides pricing for the following (3) categories of added scope:

1. **Fire Alarm integration with HVAC system;**
The construction documents per addendum # 1, directs the contractor to install (16) control module relays adjacent to the existing fire alarm panel. As a result of several months of investigation of interpreting how the fire alarm system integrates with the HVAC system, PLC/A&O along with assistance from Honeywell, and RC maintenance staff, were able to determine the actual “Sequence of Operation”. Further review of the system determined that the integration of existing HVAC system with the new fire alarm system will require a total of (32) control module relays. These relays will need to be installed at the location of the HVAC control panels at each mechanical room.

2. **Fire Alarm integration with existing Sprinkler Pre-action system;**
The construction documents identified the pre-action system, and provided language directing the contractor to monitor this system with the new fire alarm system. The existing Pre Action system is an analog system, that is monitored and controlled by an existing analog fire alarm system, with control of this system at each pod location (6) total. Proposal Request # 21R, directs the pre-action system to be monitored and controlled at the new central controls room with the new Digital Fire alarm system. A custom control panel with individual timers and abort switches will be utilized at (1) location, to monitor all (6) of the Pre-Action Sprinkler systems. Manual pull stations will be installed at each of the (6) locations allowing Correctional officers the ability to activate the sprinkler system if needed. Aborting will be performed at Central Controls area.

3. **Department of commerce review changes;**
The Construction documents require the contractor to submit the fire alarm drawings to the Department of Commerce for review and approval. The Department of Commerce approved the drawings with a request for several additional items ranging from added visual strobes to manual pull stations. Potter Lawson, along with A&O working with the Department of Commerce was recently able to reduce this added scope.

The total cost for Fire Alarm upgrades as noted above is $177,370.99. The Project team has been working with the Contractors, and the Department of Commerce in an effort to clarify scope and reduce cost. Contractors will be submitting revised cost to Samuels Group for final review. Final cost will be presented for approval at General Services Meeting on 7/19/11.

Executive Summary for the Purchase of Three Servers for the Network Server Upgrade Project

As a Capital Improvement Program project and part of the 2011 budget, this project is a continuing process of upgrading the County’s Network Server capacity. These server upgrades are aimed at replacing out-of-support or under-performing application servers. The purchase and installation of these three servers are a part of the 2011 portion of the capital project intended for these funds. The following describes the three servers:

- One Dell PowerEdge R710 Rack-Mounted Server ($9,333.33), for use as part of the County’s virtual server pool.

- Two Dell PowerEdge R610 Rack-Mounted Servers ($6,347.28 ea.) for use as the County’s Web server environment.

- Total Cost for the three servers: $22,027.89

These three servers are targeted to replace current servers, most of which will either be repurposed for less demanding uses or sent to auction. Each new server represents a significant capacity boost compared to the older servers to be replaced, thus providing for future application needs.

These servers will be located in the data center at the Health Care Center. The servers will be network-attached and will use the County’s Storage Area Network for primary disk storage. These servers will have a useful life for the County of 5 or more years.

The servers will be purchased directly from Dell Marketing L.P. using the pricing and terms of the State of Wisconsin contract #45ABZ.

Executive Summary for the Purchase of a Unitrends Disk-to-Disk Backup System

As a Capital Improvement Program project and part of the 2011 budget, this strategic initiative is focused on replacing the County's 10-year old backup tape library system with a new disk-to-disk backup system. The new system will securely backup all of the County's servers and data within a significantly reduced time period. The new system will be used to create complete nightly backups of all Unix, Linux, and Windows servers used by the County.

While the primary purpose of the new disk-to-disk backup system is to reliably and consistently safeguard County systems, there are other significant benefits to the County, including:

- Reduced staff time spent verifying backups and resolving backup failures (currently, an average of 18 staff-hours per week are spent on system backup activities. This will decrease by at least 12 staff-hours per week.);
- Reduced staff and user time spent restoring files as requested by users or for correcting application failures, and
- Streamlined disaster recovery process for assuring business continuation for County operations.

The major components of the disk-to-disk backup system include:

- Dual Unitrends Recovery 732 Backup Appliances;
- One Rotational Archive unit for off-site placement of backed-up data, and
- Fibre Channel connectivity to the County's storage area network.

The planned, useful life for the new disk-to-disk backup system is 5-7 years, and it can be expanded to accommodate additional storage, as may be dictated by future County requirements.

The total cost of the disk-to-disk backup system is $68,411, which includes installation and the first year of support services. The system will be purchased using the pricing and terms of the State of Wisconsin UW Contract MV10-2052.

Executive Summary

The law enforcement agencies of Rock County have utilized the existing interface between their mobile data system and the countywide Law Records Management System (LRMS) since 2001. After the CAD system replacement that will occur early next year, the existing interface will no longer function.

InterAct has developed an interface superior to the existing interface. Additionally, the annual maintenance for the software is over $5,000 less than the existing interface. The new interface will provide more information to the officers as well as provide access to our county's Jail System. InterAct is the only vendor who interfaces their mobile data system with third-party records and jail systems.

This resolution authorizes Rock County to contract with InterAct for InfoExchange software at a cost of $19,250.

EXECUTIVE SUMMARY

A county-wide wireless broadband public safety information system was established with federal grant funding approximately three years ago. This system provides Rock County public safety agencies with higher speed/larger volume mobile data capabilities, with the exception of the Town of Turtle police and fire departments response area.

At the time of the original wireless broadband system implementation a tower site to serve the Town of Turtle police and fire departments response area could not be located. With considerable assistance from the Town of Turtle, a commercial tower site has been contracted at no cost to serve the Town of Turtle police and fire department response area. The additional wireless broadband access point will also serve any other public safety agency working in the Town of Turtle response area (example: Rock County Sheriff’s Department).

The professional services required to install a wireless broadband access point for the Town of Turtle public safety departments involve network design, wireless hardware, and labor. Wireless broadband specific vendors, Tower Technologies Group, of Edgerton, Wisconsin and Teleco Systems Inc., of Mequon, Wisconsin can provide the necessary professional services to establish the Town of Turtle site at a total cost not to exceed $24,158. Teleco Systems Inc. was the successful bidder for the original wireless broadband system and will complete the system design/configuration work to connect the Town of Turtle access point into the current wireless broadband network at a cost of $1,100. The tower site contract requires that any physical site work be completed only by one of their approved tower site contractors. Tower Technologies Group is geographically the closest tower site approved vendor in Rock County that can provide the necessary hardware/labor costs for the Town of Turtle tower site work. Tower Technologies Group will provide the remaining tower site work at a cost not to exceed $23,058.

Funding to complete the Town of Turtle wireless broadband project is currently available in account #23-2415.

Executive Summary

The County receives state 85.21 funding to provide handicapped accessible transportation services for elderly adults and people with disabilities. The Rock County Specialized Transit Program is administered through the Rock County Council on Aging.

The program operates six lift-equipped vans to provide transportation throughout the county for medical, nutrition, work-related, and personal activities. Hours of operation are 8:00 a.m. to 5:00 p.m. Monday through Friday. The County also contracts with the Cities of Janesville and Beloit to provide additional ADA hours on weekdays and Saturdays.

The County contracts for drivers of the lift-equipped vehicles. The contractor is responsible for providing payroll functions, payment of FICA, and maintenance of worker's compensation insurance on drivers. All other functions; including intake, scheduling, dispatching, supervision of daily operations, and van maintenance; are the responsibility of the County.

SUBMITTED BY
Finance Committee

DATED DRAFTED
September 1, 2011

INITIAL RESOLUTION AUTHORIZING GENERAL OBLIGATION BONDS IN AN AMOUNT NOT TO EXCEED $29,300,000

1 WHEREAS, the 2011 Adopted Budget, as amended by Resolution 11-9A-445, includes $30,840,000 for the replacement of Rock Haven Nursing Home; and,

2 WHEREAS, this project is included in the Budget with the anticipation that it would be funded with the future issuance of debt; and,

3 WHEREAS, this project will have long-term benefits and is most appropriately funded by debt issuance.

4 NOW, THEREFORE, BE IT RESOLVED, by the Rock County Board of Supervisors duly assembled this ______ day of ________, 2011, that there shall be issued, pursuant to Chapter 67, Wisconsin Statutes, General Obligation Bonds in an amount not to exceed $29,300,000, in one or more series of tax-exempt or taxable bonds, for constructing and equipping a replacement for the Rock Haven Nursing Home.

Respectfully submitted,

FINANCE COMMITTEE

J. Russell Podzinski
FISCAL NOTE:

This resolution authorizes expenditures for the Rock Haven Building Project prior to actual debt issuance. If the County adopts this resolution, the project costs and issuance costs will be included in a subsequent resolution that authorizes the issuance of one or more tax-exempt or taxable bonds.

1993 Wisconsin Act 16 (the State Budget Bill) established property tax levy rate limits for Wisconsin Counties, beginning with the 1993 payable 1994 levy. The Wisconsin Department of Revenue’s Administrative Rules authorize an increase in the debt levy rate under certain conditions, including resolutions authorizing debt issuance that are adopted by affirmative vote of at least three-fourths of the members of the County Board. The County Board may also approve the issuance of debt by adopting a resolution which provides a reasonable expectancy that the new debt will not cause the County to increase its debt levy rate. It is my opinion that the debt amortization that would be incurred upon issuance of debt for the projects included in this resolution would not exceed Rock County’s debt levy rate as limited by Wisconsin Act 16.

Jeffrey A. Smith
Finance Director

LEGAL NOTE:

This is only an initial resolution. Pursuant to sec. 67.05(10), Stats., the County Board, before issuing any contemplated long-term debt, must adopt a resolution levying a direct, annual tax sufficient in an amount to pay for the express purpose of paying the interest on such bonds as it falls due, and also to pay and discharge the principal thereof at maturity. That will happen at a later date.

A majority vote is necessary to adopt this resolution. However, a three-fourths vote of the "members-elect" would avoid any potential issue relative to the debt levy rate limit.

RESOLUTION NO. 11-9A-459

APPROVING ADDITIONAL CONTINGENCY FUNDING FOR JAIL RENOVATION PROJECT

WHEREAS, the County in awarding the Jail Renovation Project to Tri-North Builders also established contingency funds to cover unforeseen conditions and necessary changes that may arise throughout the course of the Jail Renovation project as contained in Resolution #10-3B-520; and,

WHEREAS, two separate contingency funds were established, one to address the soil conditions and unforeseen conditions in the amount of $289,825, and the other to address owner-directed changes in the amount of $289,825; and,

WHEREAS, the new addition to the jail was completed in June and the renovation is scheduled for completion by November of this year; and,

WHEREAS, the Fire Alarm system replacement is a particularly complex issue that will result in completion by February of 2012; and,

WHEREAS, both contingency accounts have been depleted and the Samuels Group acting as the Owner’s Representative recommends replenishing the Contingency.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this ______ day of __________, 2011, does hereby establish the following contingency accounts for the balance of the Jail Renovation project with funds to come from available Jail/Health Care Center Complex Capital Projects Account budget resources:

1. Furniture, Fixtures and Equipment - $15,000
2. Contractor - $250,000

BE IT FINALLY RESOLVED, that the General Services Committee be delegated the authority to approve all change orders for Phase One of the Jail Renovation Project and report any change orders over $10,000 to the Rock County Board of Supervisors at its regularly scheduled meetings.

EXECUTIVE SUMMARY

In March 2010 the County awarded the Jail project bid to Tri-North Builders in the amount of $5,796,500. The Jail project covered approximately 25,000 square feet of building addition, 6,330 square feet of renovation and replacement of the security and fire alarm systems. An Emergency Services Vehicle storage building was subsequently added to the project scope.

The building addition was completed in June of this year. The renovation began in June and is anticipated to conclude in November of this year. The fire alarm system is anticipated to be completed by February 2012.

The resolution (#10-3B-520) awarding the project to Tri-North Builders also established two contingency accounts. The Samuels Group suggested having two separate contingency funds to allow for better tracking of change orders, even though both were funded from the same project account. Each contingency amount represented 5% of the total construction costs. Use of the amounts was made via change order reviewed and approved or modified by the General Services Committee.

The first Contingency in the amount of $289,825 provided supplementary resources to address the soil conditions and any unforeseen conditions or necessary changes that were discovered throughout the course of the project.

The second contingency was also in the amount of $289,825 and was an owner-direct purpose. These types of change were those that were not necessary for structural or construction purposes, but rather were improvements recommended by the project team—including staff from the Sheriff’s Office—that in their opinion were necessary to improve the project’s functionality.

Major change orders approved by the General Services Committee included:
1. Soils-related activity $305,745
   1. Fire Alarm System modifications $97,604
   2. Corridor Ceiling modifications $55,597

To date, the combined contingencies stand at a -$39,371.

A parking lot improvement located west of the Pinehurst building area was added to the project scope to address drainage concerns and has not yet been addressed due to the contingency budget limitations. The cost estimate obtained by the Owner’s Representative is an amount not to exceed $180,000 and includes additional funding related to soil conditions.

The request is to establish the following two contingencies:
1. Furniture, Fixtures and Equipment (FF&E) in the amount of $15,000 and allows Sheriff’s staff to purchase remaining items. Originally estimated at $440,000, approximately $174,000 has been spent to date.
2. Contractor in the amount of $250,000 based upon the following:
   a. $40,000 for the year-to-date deficit.
   b. $45,000 for a contractor contingency covering unforeseen issues that may arise during the remainder of the project. (Note -- This amount represents approximately 7.5% of the Tri-North Builders contract balance.)
   c. $180,000 for the West Parking Lot paving project (a pending change order).
   d. $21,000 for Exterior Lighting modification (a pending change order using the more expensive of 2 options).
e. $36,000 in savings from unspent Jail project contract commitments (primarily Potter Lawson architect reimbursable fees).

The grand total of requested contingencies is $265,000. Funding is available in the Jail/Health Care Center Complex Capital Projects Account budget.

Finally, this resolution continues the previously approved action that delegates authority to approve all change orders on this project to the General Services Committee of the Rock County Board of Supervisors. Current County Board Rules specify that change orders over $10,000 are to be approved by the full County Board. However, in certain circumstances, such as those involving unsuitable soils as described above, a delay in approving change orders may have the effect of shutting the project down for a period. Delays of this type could have large cost implications for the overall cost of the project. The flexibility of convening a smaller committee to address change orders would allow the County to respond more quickly to unforeseen conditions and save overall construction costs.

Rock County Support of the National Moment of Remembrance of the 10th Anniversary of September 11th

WHEREAS, the Rock County Board of Supervisors expresses their support of the United States Senate regarding coming together as a Nation and ceasing all work or other activity for a moment of remembrance beginning at 12:00 p.m. Central Daylight Time on September 11, 2011, in honor of the 10th anniversary of the terrorist attacks committed against the United States on September 11, 2001; and

WHEREAS, at 8:46 a.m. on September 11, 2001, hijacked American Airlines Flight 11 crashed into the upper portion of the North Tower of the World Trade Center in New York City, New York. Seventeen minutes later, at 9:03 a.m., hijacked United Airlines Flight 175 crashed into the South Tower of the World Trade Center; and

WHEREAS, at 8:37 a.m., the west wall of the Pentagon was hit by hijacked American Airlines Flight 77, the impact of which caused immediate and catastrophic damage to the headquarters of the Department of Defense; and

WHEREAS, at approximately 10:00 a.m., the passengers and crew of hijacked United Airlines Flight 93 acted heroically to retake control of the airplane and thwart the taking of additional American lives by crashing the airliner in Shanksville, Pennsylvania, and, in doing so, gave their lives to save countless others; and

WHEREAS, nearly 3,000 innocent civilians were killed in the heinous attacks of September 11, 2001; and tens of thousands of individuals narrowly escaped the attacks at the Pentagon and World Trade Center and, as witnesses to this tragedy, are forever changed; and countless fire departments, police departments, first responders, government officials, workers, emergency medical personnel, and volunteers responded immediately and heroically to those horrific events; and

WHEREAS, the Fire Department of New York suffered 343 fatalities on September 11, 2001, the largest loss of life of any emergency response agency in United States history; and the Port Authority Police Department suffered 37 fatalities in the attacks, the largest loss of life of any police force in United States history in a single day; and the New York Police Department suffered 23 fatalities as a result of the terrorist attacks; and

WHEREAS, the impact of that day on public health continues through 2011, as nearly 90,000 people are at risk of or suffering from negative health effects as a result of the events of September 11, 2001, including 14,000 workers and 2,400 community residents who are sick, and tens of thousands of others whose health is being monitored; and

WHEREAS, 10 years later, the people of the United States and people around the world continue to mourn the tremendous loss of innocent life on that fateful day; and 10 years later, thousands of men and women in the United States Armed Forces remain in harm’s way defending the United States against those who seek to threaten the United States; and

WHEREAS, on the 10th anniversary of this tragic day, the thoughts of the people of the United States are with all of the victims of the events of September 11, 2001 and their families; and the lives of Americans were changed forever on September 11, 2001, when events threatened the American way of life; and

WHEREAS, in 2009, Congress and the President joined together to designate September 11 as a National Day of Service and Remembrance under the Serve America Act (Public Law 111–13, 123 Stat. 1469); and in September 2009 and 2010, President Obama issued Proclamation 8413 (74 Fed. Reg. 47045) and Proclamation 8599 (75 Fed. Reg. 56463) proclaiming September 11, 2009, and
September 11, 2010, respectively, as Patriot Day and National Day of Service and Remembrance; and

WHEREAS, September 11 will never, and should never, be just another day in the hearts and minds of all people of the United States;

NOW, THEREFORE BE IT RESOLVED that the Rock County Board of Supervisors:

(1) recognizes September 11, 2011, as a day of solemn commemoration of the events of September 11, 2001, and a day to come together as a Nation; and

(2) offers its deepest and most sincere condolences to the families, friends, and loved ones of the innocent victims of the September 11, 2001, terrorist attacks; and

(3) honors the heroic service, actions, and sacrifices of first responders, law enforcement personnel, State and local officials, volunteers, and countless others who aided the innocent victims of those attacks and, in doing so, bravely risked and often gave their own lives; and

(4) recognizes the valiant service, actions, and sacrifices of United States personnel, including members of the United States Armed Forces, the United States intelligence agencies, the United States diplomatic service, homeland security and law enforcement personnel, and their families, who have given so much, including their lives and well-being, to support the cause of freedom and defend the security of the United States; and

(5) reaffirms that the people of the United States will never forget the challenges our country endured on and since September 11, 2001, and will work tirelessly to defeat those who attacked the United States; and

BE IT FURTHER RESOLVED that on the 10th anniversary of this tragic day in United States history the Rock County Board of Supervisors calls upon all of the people and institutions of the United States to observe a moment of remembrance on September 11, 2011, including (i) media outlets; (ii) houses of worship; (iii) military organizations; (iv) veterans organizations; (v) airlines; (vi) airports; (vii) railroads; (viii) sports teams; (ix) the Federal Government; (x) State and local governments; (xi) police, fire, and other public institutions; (xii) educational institutions; (xiii) businesses; and (xiv) other public and private institutions; and

BE IT FURTHER RESOLVED that the Rock County Board of Supervisors encourages the observance of the moment of remembrance to last for 1 minute beginning at 12:00 p.m. Central Daylight Time by, to the maximum extent practicable ceasing all work or other activity; and marking the moment in an appropriate manner, Including by ringing bells, blowing whistles, or sounding sirens.

TO RECOGNIZE JOHN DALEE

WHEREAS, John Dalee has served the citizens of Rock County for over thirty-two (32) years as a dedicated and valued employee of Rock County; and,

WHEREAS, Mr. Dalee has spent his entire career dedicated to the Rock County Human Services Department in the Mental Health Division. In the summer of 1978, Mr. Dalee began with the county as part-time help where he floated within the Mental Health Division. He officially began his career on June 29, 1979 as a Nurse's Aide on the 4th Floor Geriatric Psych Unit for one year. He then went on to be a Psychiatric Technician for 5 years while completing his Bachelor's degree in Social Work. In addition, he was a Crisis worker for 7 years while completing his Masters Degree in Guidance and Counseling. Mr. Dalee was the first Crisis worker for Rock County on the day shift. He spent time getting to know the community and building positive working relationships with the organizations we serve daily. He was instrumental in assisting with the development of the Crisis Unit, which is the hub of our Mental Health Division today. Mr. Dalee completed his requirements for his LPC and LCSW and moved into a position at Beloit Counseling Center for six years where he worked exclusively with CPS cases where they were trying to keep children in their family home or reunify families back together. Mr. Dalee then went to Youth Triage for a little over four years where he did mental health assessments for juvenile offenders and made recommendations to the court for disposition. Mr. Dalee then joined the In Home Treatment Team where the goal was to keep children in the home or in the least restrictive setting possible. Finally, Mr. Dalee has been with Family Crisis for the remainder of his years of service to Rock County where he has worked with children and families. He has worked with them on multiple levels including: parenting skills, psychotherapy, team meetings, IEP meetings, and occasional trips to the dog park. While working in this capacity, Mr. Dalee used his previous years of knowledge and experience to provide quality services to Rock County's most vulnerable, children and their families. Mr. Dalee continued his commitment to grow personally and professionally each day that he served the citizens of Rock County. Mr. Dalee will be retiring from Rock County Department of Human Services on August 4, 2011, and,

WHEREAS, Mr. Dalee has proven himself to be a compassionate, caring, and committed employee, always advocating for his program participants and colleagues; and

WHEREAS, the Rock County Board of Supervisors, representing the citizens of Rock County, wishes to recognize John Dalee for his achievements and significant contributions to the citizens of Rock County and his lifelong and faithful service.
