   The following Janesville residents registered in opposition to agenda item 12.D.7 (Approval of Final Site Plan and Legal Description for a Residence Hall on the UW Rock County Campus): Nick Deckard, John Iverson and Thomas Haggerty, all of Garden Drive. The following Janesville residents registered in favor of agenda item 12.D.7 (Approval of Final Site Plan and Legal Description for a Residence Hall on the UW Rock County Campus): Kim McKay, Kristin Fillhouer, Nova Suarez, Jeff Suarez, Timothy McGuire and Janine Peterson. Jacquelin Wood of Janesville registered a letter of support for agenda item 12.D.7 to all Board members.

   Jason Dowd, Beloit, asked the Board to postpone the Residence Hall project for one year and reiterated points made by Board members at the last meeting pertaining to timelines, and facts unknown.

   Laurie and Kevin Farris, Janesville, addressed the Board on agenda item 12.D.7. Mr. Farris asked the Board to stipulate a green space between the Residence Hall and the property owners on Garden Drive. He also asked the Foundation to allow him to maintain the bird poles at their location to keep the rare purple martin in the habitat he’s worked so hard to establish. Mrs. Farris reiterated that they are pro-education and not against the building of the Residence Hall. What they are most concerned about is the UW Foundation and County Board being good neighbors to the residents on Garden Drive and building the Residence Hall in a manner that won’t negatively impact the property value, privacy and lifestyle of the existing residents like themselves.

   Jane Thompson, Janesville, spoke to the Board in favor of the Residence Hall and gave some perspective as the Director of the Janesville Academy for International Studies, a Charter School of the Janesville School District. She also gave some perspective of a family member with members enrolled in the engineering program on campus and explained the opportunities that she believes exist. She urged the Board to support the Final Site plan before them tonight.

   Supervisor Grahn made one last plea to the County Board to financially contribute to the Rock County Holiday Needs Committee by contacting Tina Day in Human Services.

12.D.7. Approval of Final Site Plan and Legal Description for a Residence Hall on the UW Rock
County Campus Resolution No. 13-12A-477 (1)

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors in session
this 12th day of December, 2013, that they approve the final site plan and legal description of the
new proposed residence hall on the UW Rock County campus consisting of approximately 5
acres as described above and with the placement of the buildings as shown on the attached map.

BE IT FURTHER RESOLVED, except for the increase in acreage transferred, that all other
requirements and actions approved by Resolution No. 13-11D-447 on November 21, 2013 remain
in effect.

Supervisors Owens and Yoss moved the above resolution. Scott Bordwell, Foundation
member and Janesville resident, was invited to address the Board and answer questions from the
Supervisors. Mr. Bordwell first addressed the concern of Board members that the Foundation has
not yet filed their Articles of Incorporation papers with the State. He explained that the Residence
Hall is the only asset that the Foundation has and without the approval of this resolution to obtain
the property, it is pointless to spend money on the fees and expense that goes into filing. He
assured the Board members that all is prepared and ready to proceed once this resolution has
passed. There were multiple handouts that showed some assumptions should this Site Plan be
approved: Setback is 100 feet; Neighbor back lot line is 45 feet from the edge of the house; a
Berm would be created 10 feet from lot line that would be 6 feet high and also include trees for
increased privacy. With these assumptions, it is likely that the privacy concerns of the residents
on Garden Drive have been addressed.

Supervisors asked the following questions and were given the corresponding answer by
Mr. Bordwell or Dean Carmen Wilson:

1 – With this particular layout, is there still room for expansion of another Residence Hall on the
far east end of the property to run north and south? Yes
2 – Is there really a need for 120 additional parking spots? Parking is currently an issue and
parking on the streets was a concern to the neighbors. This plan accommodates concerns for
additional parking.
3 – What will a residence hall do for Rock County? On average, every student that resides in the
hall is estimated to add $20,000 to the local economy.
4 – Can the foundation assure a start date of August of 2014 if approved tonight? Not
necessarily. The Foundation is asking for a 2 year window to complete the project. Further
planning must be done after tonight’s vote to determine a more secure timeframe.
5 – What does a residence hall do to the campus as far as the current cafeteria, library hours,
etc.? The Halls are equipped with kitchenettes and full-size kitchen areas. The campus has no
intention of increasing the cafeteria or campus hours, etc.
6 – Is the Berm a guarantee? Yes.
7 – Will Mr. Farris get to leave his bird poles? Yes.

Dean Wilson explained that she has concerns about the budget for next year on this
Campus. With declining enrollment and budget cuts at the state, she feels that this Residence
Hall will draw students and be an economic boost to the funding of services on Campus. The
current enrollment is just over 1,200 students. The Master Plan for the campus has always included a future Residence Hall, however, she understands the surprise of the timing for this dorm.

Corporation Counsel, Jeff Kuglitsch, pointed out that the Board of Regents and General Services Committee both approved the proposed site plan on the roughly 5 acre parcel. He also explained that the legal description included in this resolution was provided by County Surveyor, Jason Houle. He publicly thanked Jason for the work that he put into completing this in the time frame necessary to bring this here for the Board to vote tonight. Corporation Counsel explained to the Board that the property will need a certified survey map and is yet to come. The actual description for the Deed will come from the Certified Survey Map and the legal description proposed tonight might need to be tweaked slightly.

County Administrator Craig Knutson also reiterated that the resolution before the Board for approval includes the option approved by the General Services Committee with the Residence Hall to the west and the parking lot to the east.

Supervisors Mawhinney and Nash moved to table the resolution until a more permanent plan can be presented. Motion FAILED on the following roll call vote. Supervisors Peer, Arnold, Grahn, Mawhinney, Richard, Kraft, Pleasant, Nash, Brill, and Podzilni voted in favor. Supervisors Beaver, Heidenreich, Fox, Yankee, Gustina, Bussie, Rundle, Thomas, Knudson, Fell, Howland, Wiedenfeld, Jensen, Wopat, Bostwick, Sweeney, Collins, Owens, and Yoss voted in opposition. Supervisors Wopat and Yoss called the question. APPROVED by Acclamation.

NOW, THEREFORE, BE IT RESOLVED, that the Rock County Board of Supervisors assembled this 12th day of December, 2013 does hereby amend Chapter XVIII, the County’s Personnel Ordinance as follows:

These minutes detail the changes to the Rock County Personnel Ordinance. Fourteen changes were made to the Personnel Ordinance, mostly housekeeping and administrative clean ups. These include minor changes to the reallocation process; bidding for jobs while in a probationary status; documenting our current practice on going from a non-regular to regular employment status; removing a day in lieu of a holiday for Youth Service Center Workers (they get paid time and a half for working that day); allowing the use of vacation in half hour increments instead of one hour increments; makes our policy conform to federal law on days off for reserve military leave; sets up a new system to deal with sick leave abuse; documents current procedures in regard to breaks and lunches; cleans up our policy on outside employment; adds language to address meals when outside the county on the 2nd and 3rd shifts; and standardizes our language to use calendar days instead of working days.

There are also two substantive changes: (1) adding several addition infractions for which we will discipline employees (these are not new, we just did not have them written into the Ordinance); and removing a section of the Ordinance that provides for certain benefits for younger employees and less of a benefit for older employees, the age criteria is being removed.

The entire Rock County Personnel Ordinance can be viewed at the office of the County Clerk at 51 S. Main Street, Janesville, WI 53545 as well as on the Rock County website: http://www.co.rock.wi.us/ordinances-a-resolutions. Please call 608-757-5660 with questions of concerns.
