Authorizing 2012 Southern Income Maintenance Consortium Contract and Addenda to the Southern Consortium Contract and Amending the 2012 Human Services Department Budget

WHEREAS, 2011 Wisconsin Act 32 modifies current law relating to the authorization for DHS to enter into contracts with individual counties for Income Maintenance (IM) program administration services and instead authorizes the formation of ten county-based regional consortia and further authorizes the consortia to enter into a contract with DHS related to the provision of services on a multi-county consortium basis; and,

WHEREAS, on September 14, 2011 the Rock County Human Services Board approved submission of an Application and Letter of Intent to DHS to create and authorize the seven-county Southern Consortium composed of human and/or social services agencies representing Crawford, Grant, Green, Iowa, Jefferson, Lafayette, and Rock Counties, and that the Rock County Human Services Department would act as the lead agency of the said Southern County Consortium; and,

WHEREAS, on October 28, 2011 DHS certified the Southern Consortium’s application to administer IM programs for the participating counties and explained that the organizational and operational details would be defined in the upcoming IM contract, and further in contracts by and between Rock as the lead county agency and the other Southern counties; and,

WHEREAS, on December 15, 2011 the Rock County Board of Supervisors passed Resolution 11-12A-536 that authorized the Agreement between the State of Wisconsin and the Southern Consortium; and,

WHEREAS, this Resolution authorizes the master contract between Rock County and the Southern Consortium member counties for the provision of Income Maintenance services as described in the addenda to the contract between the counties; and,

WHEREAS, Auditors from the contracted accounting firm for Rock County recommend that budgetary authority be created with a budget line for both revenues received and payments made to other counties.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this day of , 2012, does hereby authorize the Rock County Human Services Director to sign the Southern Consortium Contract and the Addenda to the Southern Consortium Contract.

BE IT FURTHER RESOLVED, that the Human Services Department budget for 2012 be amended as follows:

Executive Summary

Under current law, DHS has delegated certain duties and responsibilities related to the administration of the Income Maintenance Program to ten county consortia. As part of the Governor’s budget proposal, responsibility for administration of the IM program would have transferred to DHS effective January 1, 2012, however, counties offered the Legislature an alternative to state takeover of the Income Maintenance duties. The alternative adopted called for counties to work cooperatively in creating ten regional consortia to operate the Income Maintenance Program beginning January 1, 2012.

There are 10-consortia statewide, one of which is the Southern Consortium composed of Crawford, Grant, Green, Iowa, Lafayette, Jefferson and Rock Counties with Rock County as the consortium lead agency. On December 15, 2011, the County Board passed Resolution 11-12A-536 that authorized Rock County to act as the lead agency for the Southern Consortium. In addition, that Resolution authorized Rock County to sign the Income Maintenance Contract between DHS and the Southern Consortium.

The attached Resolution authorizes an additional agreement that includes the Income Maintenance Consortium Contract and Addendum to Consortium Contract. The Income Maintenance Consortium Contract is a 7-party agreement that spells-out the relationship between Rock County acting as the lead agency, and the six member counties outlining issues such as a governance structure and conflict resolution procedures. The Addenda include detail on each member county’s resource commitment and specialized services it offers to the Consortium. This Resolution provides that the Director is authorized to sign the Southern Consortium Contract and Addenda.

The Resolution also amends the 2012 Human Services Department Budget to accept revenue on behalf of the six other consortium member counties and to make payments. Although this is simply a pass-through of funds, auditors at the contracted accounting firm for Rock County, Baker Tilly, have recommended that a new special revenue fund and cost center be set up with a budget line for the revenue and one for the payments made to other counties. No additional county funds are required.

- Executive Summary -

The County budgeted $15,000 in the 2010 budget for the design of the Inman Parkway extension. Of that authorization only $556 was expended in 2010 and the remaining $14,444 of budget authority has previously been moved to the Highway fund balance/net assets. The County share of billings received on this project in 2011 is $13,201.

The County has authorized $50,000 in the 2012 budget for the County share of the costs to replace the Leedle Mill Road bridge. The County share of progress billings received in 2011 for this project total $14,225. There are sufficient unexpended funds in the Federal Aid account fund balance/net assets that are unexpended on other projects to fund this with the budget authority/fund balance being replenished by the 2012 authorization.

The Federal Aid account needs $18,223 of additional authority for 2011 to fund the above two projects after utilizing other unexpended authority and suggests that those funds come from existing fund balance/net assets.

ACCEPTING PRESCRIPTION DRUG COLLECTION GRANT AND
AMENDING THE 2012 ROCK COUNTY HEALTH DEPARTMENT BUDGET

EXECUTIVE SUMMARY

The Prescription Drug Roundup Planning Committee is composed of representatives from throughout Rock County, including the Rock County Health Department, Janesville and Beloit Police Departments, Janesville Water Utility, and Beloit Department of Public Works. The committee’s main focus has been to coordinate countywide collection of unwanted and unused prescription drugs that can be found in most homes. If these drugs are disposed of improperly, they pose a safety risk to both children and adults and can also pose an environmental risk to drinking water, surface water, and ground water. Community drug collection events provide a safe, environmentally friendly option for the disposal of these drugs.

The Rock County Health Department applied for and was awarded a Prescription Drug Collection Grant from the Wisconsin Department of Agriculture, Trade and Consumer Protection in the amount of $6,800. These funds will be utilized for the disposal costs associated with the collection of these unwanted and unused prescription drugs.

The Enbridge Safe Community Program (Enbridge Energy Company, Inc) awarded a $1,000 grant to the Rock County Sheriff’s Office. The Safe Community Program is dedicated to providing small grants to first-responder organizations located in the U.S. communities that host Enbridge operations. The grants support equipment acquisitions and training that help organizations respond to emergency situations.

The grant funds will be used to purchase seven flashlights which will be mounted in our patrol cars. The flashlights are buoyant and water resistant. The LED flashlights fully charge in ninety seconds and run for forty-five minutes. The LED bulbs have an estimated life of one hundred thirty-five years.

The Sheriff’s Office’s budget will be amended to accept and spend the funds.

- EXECUTIVE SUMMARY -

AUTHORIZING AWARD OF CONTRACT FOR
BECKMAN MILL PARK NORTHWOODS TRAIL IMPROVEMENT

Rock County is the owner of the Beckman Mill County Park and has been awarded matching grant money for several projects through the Acquisition and Development of Local Parks Program (ADLP) and Urban Rivers Grant Program (URGP) by the DNR. This project includes the boardwalk and trail system that was built last year.

Last spring, the original construction of the Northwoods Trail cleared the path but is in need of some detailed finish work to maintain a level of sustainability and minimize maintenance. Additionally, the lack of sloping and the construction (to mineral soil) has left a trail that has the potential to hold water after periods of rain. This situation, if left unresolved, will lead to large muddy sections of trail leaving it unusable for long periods of time. Award and execution of this contract will build up the trail tread and create water infiltration areas (mini rain gardens) to collect trail run off, thus resulting in a more sustainable trail over time.

The project is funded in part by an Acquisition and Development of Local Parks Program (ADLP) grant and Urban Rivers Grant Program (URGP) both of which have been carried forward with concurrence of the Wisconsin Department of Natural Resources. Funds still remain from the 2001 DNR ADLP and URGP grants and this proposed project would not only make the trail more user friendly and sustainable, it would also expend the remaining grant funds available.

Matching local funds for the trail improvement project are included in the 2012 Parks budget.

WHEREAS, in the event of a facility failure or evacuation of the main 911 Communications Center a fully functional back-up 911 communications center is located at the Town of Beloit Fire Department; and,

WHEREAS, to be fully functional the back-up 911 Communications Center must have continuous access to the public safety radio system and the Computer-aided Dispatch (CAD) system; and,

WHEREAS, continuous access to the public safety voice radio and CAD systems is provided by a microwave link to the Rock County Information Technology network; and,

WHEREAS, the current microwave link does not have the bandwidth and speed to carry the current public safety voice radio traffic and the upgraded CAD system at the same time; and,

WHEREAS, the specifications for a microwave link with the capacity to carry the public safety voice radio traffic and the upgraded CAD system were prepared and released for bid; and,

WHEREAS, the bid received from General Communications, Inc. of Madison, Wisconsin, in the amount of $20,429.07 for microwave link equipment and installation best met the needs of Rock County; and,

WHEREAS, the funding necessary to purchase the microwave link equipment for the back-up 911 Communications Center site is currently available in the 2012 budget; and,

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors duly assembled this ______ day of ____________ , 2012 that a contract in the amount of $20,429.07 be awarded to General Communications, Inc., of Madison, Wisconsin for the purchase of the necessary microwave link equipment to efficiently communicate Computer-aided Dispatch and voice radio communications between the 911 Communication Center primary and back-up facilities.

EXECUTIVE SUMMARY

The Rock County 911 Communications Center was designed to provide efficient communications services for public safety responses to Rock County citizens' needs 24 hours a day/365 days of the year. To accomplish this mission, it is essential that the 911 Communications Center services be operational under any type of conditions.

In the event of a condition requiring the 911 Communications Center personnel to evacuate the primary site in Janesville, a fully functional back-up site was established at the Town of Beloit Fire Department. The back-up site is equipped with the same voice radio communications and Computer-aided Dispatch (CAD) capabilities as the primary Communications Center facility by virtue of microwave connectivity to the main site in Janesville.

The 911 Communications Center is in the process of upgrading its CAD system to meet anticipated future service levels (faster speed and bandwidth). The current microwave link between the primary 911 Communications Center site and the back-up site is not capable of reliably connecting the two 911 Centers for CAD and voice radio communications. Specifications were prepared for a replacement microwave link system and the Purchasing Department released an invitation to bid.

The bid received from General Communications, Inc., of Madison, Wisconsin, in the amount of $20,429.07 for microwave link equipment (to include installation) best meets the needs of Rock County.

Funding to purchase the microwave link equipment is included in the 2012 Budget.

AUTHORIZING A ROCK COUNTY PLANNING, ECONOMIC & COMMUNITY DEVELOPMENT AGENCY PRODUCTS AND SERVICES CONTRACT WITH THE TOWN OF MILTON: TOWN ZONING ORDINANCE UPDATE AND REVISION

WHEREAS, the Town of Milton ("Town") desires the services of the Rock County Planning, Economic & Community Development Agency ("Agency") to update and revise the Town’s Zoning Ordinance, including recertification of the Town’s Farmland Preservation Zoning Ordinance with the State of Wisconsin Department of Agriculture, Trade & Consumer Protection ("DATCP"); and,

WHEREAS, the Agency is able and willing to provide these services to the Town, and providing of these services is allowable pursuant to Sec. 66.0301, Wisconsin Statutes; and,

WHEREAS, the Town and Agency have agreed upon all terms and conditions of these services, and the products resultant, both as delineated in the Agency’s PRODUCTS AND SERVICES CONTRACT WITH THE TOWN OF MILTON: TOWN ZONING ORDINANCE UPDATE AND REVISION ("Contract"); and,

WHEREAS, the Contract is mutually exclusive with and distinguished from all previous agreements between the Town and the Agency, and is complete and effective upon the execution of the Contract by both parties.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this day of __________, 2012, that they authorize the Rock County Planning, Economic & Community Development Agency’s PRODUCTS AND SERVICES CONTRACT WITH THE TOWN OF MILTON: TOWN ZONING ORDINANCE UPDATE AND REVISION and approve the terms and conditions stated therein.

Executive Summary

Resolution Hiring Engineering Firm for Parking Lot Projects at the Rock County Complex

The resolution before you hires Batterman Engineers of Beloit to complete preliminary site plans, site topography where needed, design engineering, construction cost estimates, obtain City approvals, and prepare plans and specifications for bidding. Three parking areas are being addressed as part of this effort.

Project Area A – Health Care Center

This project will encompass the main drive into the Health Care Center, and the parking lot behind the building. Back in 2010, the vacant buildings and connecting tunnels were demolished resulting in filled, compacted, and unpaved areas in the lot. The base and pavement date back to the early 70’s. Drainage is poor, and the pavement has deteriorated beyond crack filling and patching. Engineering services relating to this project total $24,225.00.

Project Area B – Glen Oaks

This project will encompass the parking areas, drives around the buildings, and the entry/exit points on Hwy 51. Access on to and off of the highway is becoming increasingly difficult given the speed and the increasing number of vehicles traveling the highway. Alternatives to the access points, and the number of parking spaces, will be studied. Because the base and pavement have deteriorated, and drainage is a problem, total reconstruction is anticipated. Engineering services relating to this project total $21,875.00.

Project Area C – Sheriff’s Office

The only parking area not addressed during the recent construction project at the Jail is the parking lot facing Hwy 14. The pavement is original to the 1986 construction project. Patching and crack filling are no longer effective. The base and pavement need to be replaced. Engineering Services relating to this project total $13,000.00.
