Each employee shall have an accurate position description that describes the knowledge, skills and
abilities necessary to do the work of that position; goals of the position and job tasks to accomplish the
goals; and identifies the essential job functions.

The Human Resources Director shall allocate new positions that have been approved by the County
Board to one of the classifications in the Classification Plan. If a suitable class does not exist, the
Human Resources Director shall establish a new classification. An appropriate pay range for the
classification shall be assigned subject to the approval of the County Board Staff Committee, and
confirmation of the County Board unless otherwise established through the budgetary process.

When it is determined that a classification or classifications are no longer useful or appropriate, the
Human Resources Director shall inform the County Board Staff Committee that such classes have been
abolished.

A reclassification is the reassignment of a position from one existing class to another class to
recognize a change in the duties and responsibilities of a position. Reclassification is considered a
promotion.

Persons in positions reclassified shall normally be advanced to the step with the next highest dollar
amount in the new pay range. Future step increases will be paid according to the employee’s new
employee group or pay grid. In unusual circumstances, the reclassified individual may be placed in a
higher step upon approval of the Human Resources Director and the County Administrator.

Reclassification requests shall normally be contained within the annual budget. In such situations,
prior to approval of the budget, the Human Resources Department shall audit the position and make a
written recommendation to the County Administrator who shall then recommend approval or denial of
reclassification requests. If a reclassification request is denied, the position shall not be reconsidered
for reclassification until there is a significant change in the duties and responsibilities of the position.

Human Resources Director and County Administrator and with the confirmation of the County Board
Staff Committee.

Salary adjustments shall be part of the budget process. If salary reallocations are approved, they will become effective the first day of the fiscal year. Persons in positions reallocated shall normally be advanced to the step with the next highest dollar amount in the new pay range. Future step increases will be paid according to the employee’s new employee group or pay grid. In unusual circumstances, the reallocated individual may be placed in a higher step upon approval of the Human Resources Director and the County Administrator.

If the employee’s current rate of pay is greater than the maximum of the new range, the employee will be red-circled in accordance with section 18.411.

When a position becomes vacant and it is determined by the Human Resources Director and the County Administrator that a reallocation of the position is necessary for recruitment purposes, such reallocation may occur outside the budget process upon the confirmation of the County Board Staff Committee and approval of the County Board.

Each time a department or division of a department is reorganized, class descriptions for all affected employees shall be submitted to the Human Resources Director for review and approval as part of such reorganization.

The Human Resources Director may require departments or employees to submit Position Description Questionnaires when vacancies occur, any time there is reason to believe that there has been a significant change in the duties and responsibilities of one or more positions, or as part of a job audit conducted by the Human Resources Department.

At least every three years, or as often as may be appropriate, the Human Resources Director shall review the Classification Plan to ensure that the plan accurately reflects existing position responsibilities and market conditions. The Human Resources Director shall take whatever action is appropriate to amend and update the Classification Plan, subject to the review of the County Board Staff Committee and approval of the County Board.

Unilateral C employees may use 7.5 of their 15 days after they have been with the County for six months. This service credit shall be awarded at the time of initial employment, or at the time promoted into a new employee group.

(e) An employee shall take earned vacation time within the twelve month period immediately following eligibility. Earned vacation time not taken within the designated twelve month period shall be forfeited, unless the Department Head and Human Resources Director specifically approves the carryover of an employee’s vacation, in writing, due to an inability of the employee to utilize the time requested to be carried over because of work requirements or other legitimate reasons; or paid out according to HR Policy and Procedures. Department Heads shall establish work and vacation schedules with the first consideration to be given to the efficient operation of the department. (g) Part-time employees whose regular workweek is sixteen hours or more shall earn vacation time on a pro rata basis directly proportionate to the amount of time worked in relation to the normal full-time employment period. Part-time employees whose regular workweek is less than sixteen hours shall not earn vacation credits.

(h) In the event an employee is on authorized sick leave and has insufficient sick leave credits to cover the period of absence, earned vacation time may be used for this purpose if the employee or employer so elects.

(i) Upon separation, an employee shall be paid for the unused portion of his/her accrued vacation credits provided the employee has completed six (12) consecutive months of service, except as modified by the rules governing resignation without sufficient notice.

No information, which is confidential in nature, concerning the internal operations of the County, including but not limited to the release of records of the County, may occur except through, and with the permission of, the County Administrator or individual Department Head if designated by the County Administrator.

If requests for information are received by employees, whether on or off duty, from any person, then the employee is required to politely decline to provide such information and to direct that individual to the County Administrator or Department Head for a response to that inquiry.

Because of an employee's responsibilities at the County, an employee may have access to confidential County, resident, personnel or other sensitive information. This may include information concerning a resident's financial status, the County's business practices including purchasing and negotiating strategies, and employee records. This sensitive information cannot be disclosed to any personnel who do not have a legitimate business need to know such information or to persons outside of the County without the determination of the County Administrator or Department Head designated by the Administrator. All employees are responsible for protecting the confidentiality of this information.

The County acknowledges the right of its employees, as citizens in a democratic society, to speak out on issues of public concern. When those issues are related to the County, however, the employee's expression must be balanced against the interests of the County. In situations in which the employee is not engaged in the performance of professional duties, the employee should state clearly that his or her expression represents personal views and not necessarily those of the County.

Except for the salary or compensation received from the County, no County employee shall use his/her office or position for personal financial gain or the financial gain of his/her family. No employee shall engage in his/her own business activity, accept private employment or render services for private interests when such employment, business activity or service is incompatible with the proper discharge of the employee's official duties or would impair his/her independence or judgment or action in the performance of the employee's official duties. Such employment, business activity or service shall not be engaged in or promoted during normal working hours for which such employee is being remunerated by the County and such employment, business activity or service shall not involve the use of County facilities or materials. No employee shall use or disclose "privileged information" gained in the course of or by reason of the employee's official position or activities. Failure to comply with these conditions shall be considered grounds for discipline up to and including immediate dismissal.

County Administrator (Tenure)

The County Administrator shall hold his/her position at the pleasure of the County Board. The action of the County Board in removing the County Administrator shall be final. Dismissal actions against the County Administrator may be initiated by individual supervisors as per County Board rules.

County Equipment (return of)

Employees leaving County employment must return County identification cards, keys, tools and equipment on or before their last day of work.

County Residence

Key County officials, as determined by the County Administrator, shall reside in the County.

Demotions

18.606

Demotions may be used in lieu of layoff or may be used as a disciplinary measure or can be voluntary. Demotions must be approved in advance by the Human Resources Director.

Discipline/Investigations

18.607

The purpose of discipline is correcting job behavior and performance problems of employees. Employees shall be informed of standards of conduct and performance. All staff must notify their immediate supervisor within twenty-four (24) hours of all arrests and convictions for any ordinance (other than minor traffic violations), misdemeanor or felony violations that may impact their ability to complete the essential functions of their position.

No disciplinary action will be taken until a thorough investigation has been completed. Employees under investigation shall have the right to representation during the investigatory process. The employee will be allowed to have a representative of their choice who is not a supervisor or manager within Rock County. The representative will be limited to listening and advising the employee but will not be allowed to speak in place of the employee. Unilateral employees other than Department Heads shall be allowed to have a representative of their choice who has equal or less authority than they do. Employees may be placed on a Paid/Non Paid Administrative Leave during the investigation. Rules and standards shall be consistently applied. Penalties shall be uniform and shall match the infraction. Persons administering corrective discipline shall systematically document the case. Records of written reprimands, suspensions, demotions and terminations shall be provided to Human Resources and kept in the employee’s personnel file. Written reprimands will remain in effect for a period not to exceed one year, and at the end of such period shall be removed from the employee’s personnel file. Records of suspension shall remain in the Employee’s personnel file for a period of two years and at the end of such period shall be removed from the Employee’s personnel file. (This section does not necessarily apply if the employee is represented by an attorney.)

Suspensions, demotions, and terminations shall be discussed with the Human Resources Director or the County Administrator before such actions are taken. In the event that the immediate dismissal action is required and the HR Director or the County Administrator cannot be reached, the employee shall be suspended with pay pending investigation.

Disciplinary Action (Grounds for)

18.608

The following shall be grounds for disciplinary action ranging from a written reprimand to immediate discharge depending upon the seriousness of the offense in the judgment of management:

(a) Dishonesty or falsification of records.

(b) Use, possession, distribution, selling, or being under the influence of alcohol or illegal drugs while on Rock County premises or while conducting business related activities off Rock County premises. The legal use of prescribed drugs is permitted on the job only if it does not impair an employee’s ability to perform the essential functions of the job effectively and in a safe manner that does not endanger other individuals in the workplace.

(c) Unauthorized use or abuse of County equipment or property.

(d) Theft or destruction of County equipment or property.

(e) Work stoppages such as strikes or slowdowns.

(i) Use of official position or authority for personal or political profit or advantage.

(j) Disregard or repeated violations of safety rules and regulations.

(k) Incompetence, unprofessional or poor work performance.

(o) Sleeping during scheduled work hours.

(p) Being disrespectful or bullying in dealing with fellow employees or the general public.

(q) Failure to exercise good professional judgment and/or failure to conform to the County’s or your Department’s goals and mission.

Other circumstances may warrant disciplinary action and will be treated on a case by case basis.

Exit Interview

An exit interview shall be conducted when possible with every employee who is separating from County employment regardless of his/her length of service, position or circumstances or separation.

Gifts and Grafts

No County employee shall use their position to solicit or accept for himself/herself or another person any gift, campaign contribution, gratuity, favor, services, promise of future employment, entertainment, loan or any other thing of monetary value. This does not include acceptance of loans from banks or other financial institutions on customary terms of finance for personal use, such as home mortgage loans, the acceptance of unsolicited advertising or promotional material, such as pens and calendars, and acceptance of an award for meritorious public or personal contributions or achievements.

Harassment

It is the policy of Rock County that all employees should be able to enjoy a work environment free from all forms of harassment. Employees who engage in harassment not only hurt others, but they also expose both themselves and the County to potential legal liability. Consequently, Rock County will not condone or tolerate any conduct in the workplace on the part of its employees (whomsoever their positions), elected officials, vendors, or members of the public, if that conduct violates the right of someone else to be free from harassment. County employees who violate this policy will be subject to appropriate discipline, up to and including termination. (See HR Policies and Procedures for a detailed description of the procedures employees should follow in regard to this policy.)

Hours of Work

The normal workweek for County employees shall be forty hours per week. Most County employees work from 8:00 a.m. to 5:00 p.m. Monday through Friday. However, since some County services are
provided outside the Monday through Friday, 8:00 a.m. to 5:00 p.m. schedule, some County employees
may have different work schedules which are designated in Department work rules.

Nonstandard work schedules may be approved by a Department Head, when doing so is in the interest of
County operations. Notice of nonstandard work schedules shall be made to Human Resources and
payroll.

Staffing needs and operational demands may necessitate variations in starting and ending times, days of
the work week, as well as variations in the total hours that may be scheduled each day and week.

Employees included in Sections 18.1002, 18.011, and 18.1020 are considered salaried exempt employees.
These employees must cover a partial day taken off with paid vacation, sick leave or comp time (where
applicable). If the employee has insufficient paid time to cover the entire day off, the employee must take
the entire day off without pay.

Layoffs
18.613

The appointing authority may layoff an employee: a) whenever it is necessary to reduce the workforce for
any reason (e.g. lack of work, lack of funds, abolishment of a position, etc.), b) when an employee has
exhausted all available leave options and is unable to return to work, c) when an employee has failed to
successfully complete their probationary period after a promotion or d) when an employee can no longer
perform the essential functions of the job.

In situation (a) above, no regular employees shall be laid off while there are temporary or probationary
employees serving in the same classification, in the same department. Layoffs shall be based on the needs
of the County.

The appointing authority shall notify each person laid off of all his/her rights. Regular employees shall
receive at least thirty (30) calendar days’ notice prior to layoff in situation a) above. Layoff plans shall be
approved by the Human Resources Director before they are implemented.

Laid-off employees shall be held in a layoff pool for a period of time equal to their length of service, but
in no case longer than two years.

Lunch Periods and Break Time
18.614

(a) Lunch Periods.

Lunch periods are normally scheduled midway in an eight hour shift. Lunch
periods shall not be longer than one hour nor shorter than thirty minutes.

(b) Break Time.

Employees may leave their workstation and return fifteen minutes later for two
breaks in an eight hour shift, one during the first four hours of their first shift, and
the second during the last four hours of their shift. Breaks not taken are lost.
Breaks cannot be accumulated or used to extend lunch periods or to shorten the
workday. Breaks must be used in 15 increments.

Lunch periods and break times are to be arranged between the employee and
his/her supervisor or Department Head. Since most County offices remain open
continuously on normal work days between 8:00 a.m. and 5:00 p.m., it is the
Department Head’s responsibility to assure that lunch periods and breaks are
scheduled so that adequate staff coverage is provided at all times.

Employees who are on a nonstandard work schedule or work 2nd or 3rd shift shall
follow Department Work Rules for lunches and breaks.
(c) The Lunch Period and Break Times cannot be combined to the start or end of the shift in order to come in late or leave early.

<th>Political Activity</th>

Employees are precluded from engaging in political activity that interferes with their normal work performance or is conducted during hours for which the employee is being paid by the County. Employees may not use County equipment or property for political purposes. Employees are specifically prohibited from using their County position or their official authority with the County for the purpose of directly or indirectly coercing any person to hold or contribute monetary or other types of assistance to any political candidate, party or purpose.
Under provisions of the federal Hatch Act, employees who are principally employed in an activity which is financed in whole or in part by federal loans or grants cannot:

(a) Use his/her official authority or influence for the purpose of interfering with or affecting the result of an election or nomination for office;

(b) directly or indirectly coerce, attempt to coerce, command, or advise a state or local officer or employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes; or

Non FLSA exempt employees not covered by the Unilateral Pay Plan wishing to leave Rock County employment shall submit a resignation in writing to their Department Head at least two weeks in advance of their planned departure. FLSA exempt employees shall submit their resignation in writing at least four weeks in advance of their planned departure.

Employees who do not give sufficient notice shall lose the vacation benefits they are accruing for use after they reach their next anniversary date, unless such requirement is waived by the Human Resources Director. It is expected that employees will give as much notice as possible in order to facilitate recruitment and orientation of new staff members. A resignation, once accepted, may not be rescinded.

Safety is very important to each employee and Rock County. Employees must conduct themselves carefully at all times. All employees must act in a safe manner and practice good safety procedures. Similarly, all work areas are to be kept clean and free from debris, and tools and equipment are to be kept clean and in good repair.

The employer will comply with all applicable safety laws and regulations in order to provide a safe and secure workplace for its employees and clients.

Any accident, hazards or potentially unsafe conditions of equipment are to be reported to an employee's supervisor immediately for action. If the unsafe condition can be corrected immediately as to avoid any additional hazard, then the employee should implement the corrective action.

Any employee who is injured or becomes ill while performing service related to his or her employment must contact his or her supervisor immediately on the same day the injury or illness occurs and report the incident. If necessary the employee should secure the necessary medical attention on the job site to the extent practicable.

The first report of injury form must be filled out completely, usually the day of the incident, if not, as soon as possible.
The employer has established the following protocols for evacuation of the premises. When employees are advised to evacuate the building, the employees should:

- Stop all work immediately.
- Contact outside emergency response agencies, if needed.
- Shut off all electrical equipment and machines, if possible.
- Walk to the nearest exit, including emergency exit doors.
- Exit quickly, but do not run. Do not stop for personal belongings.
- Proceed, in an orderly fashion, to a parking lot near the building.
- Do not reenter the building until instructed to do so.
- Employees must know the location of fire extinguishers, emergency exits and first aid kits.

As a condition of employment, employees must have a telephone or a place of telephone contact. Employees shall be requested to notify the Department Head of any change of name, address, telephone number or contact place.

The County shall reimburse employees for actual necessary and reasonable itemized travel costs incurred while on official authorized County business. Commuting expenses between an employee's residence and normal place of employment are not reimbursable. All travel must be authorized by the Department Head in order to be eligible for reimbursement. Department Heads shall inform the County Administrator of any out of County travel plans. There will be no reimbursement for meals within the County, except as authorized by the Board Chair or Vice Chair. Out of County meals will be reimbursed at the IRS allowed rates. Receipts are required for all meals. Employees shall receive mileage reimbursement at the IRS allowed rate for all authorized travel in their personal automobile. Employees shall be required to complete an expense voucher before reimbursement will be made. All automobile allowances in all County departments shall be paid in a manner similar to that in which salaries are paid. Receipts are also required for air, train, bus or taxi travel, hotels or motels, conference registration and all other items (except tolls) in excess of five dollars. Clerical employees who are required to return to work to take minutes at evening meetings shall be reimbursed for mileage to and from their residence. (This reimbursement is taxable to the employee.)

Section 7: Performance Evaluation

The performance evaluation program is used to assess an employee's work effectiveness and to suggest constructive actions on how he/she may improve. Performance evaluation reports shall be considered in decisions affecting placement, salary advancement, overtime assignment, promotions, demotions, dismissal, order of layoff, reemployment, and training.

Each employee shall be evaluated at the following periods:

(a) **Probationary Period (of one year).**

Each employee shall be evaluated during their probationary period and one month prior to the completion of the probationary period.

(b) **Probationary Period (of less than one year).**
Each employee shall be evaluated one month prior to the completion of the probationary period.

(c) **Annual.**

Each employee shall receive an annual performance evaluation close to his/her anniversary date, or at another specified time if the Department Head elects to evaluate members of a classification or the whole department together at one time.

(d) **Special.**

A special performance evaluation shall be completed:

1. Whenever there is significant change in the employee's performance,
2. Whenever a supervisor permanently leaves his/her position, in which case, the supervisor shall complete a performance report on each employee under his/her supervision that has not been evaluated within six months prior to the date the supervisor expects to leave.
3. When an employee has accepted a new position with in Rock County, the current supervisor should complete a performance evaluation for the employee if they have not received a performance evaluation in the last six months.

---

The rater shall normally be the employee's immediate supervisor. The rater shall be responsible for completing a performance evaluation on forms prescribed by the Human Resources Director at the time prescribed for each employee under his/her supervision. The Human Resources Director, upon approval of the County Administrator, may also initiate rating procedures and mechanisms involving the Governing Committee, peers and/or subordinates.

The County Administrator shall be evaluated by the County Board Staff Committee.

---

Supervisors serving as raters shall review all performance reports with Department Heads before discussing the report with the employee and before the report is filed in the employee's personnel folder. If the rater plans to recommend the denial of an in-grade salary increment, the report shall be discussed with the Human Resources Director prior to review with the employee.

---

The Human Resources Director shall be responsible for the overall administration of the employee performance evaluation programs and shall advise and assist employees, raters and Department Heads to ensure that performance evaluation procedures are handled according to the provisions of this Section.

---

If the employee does not agree with any information contained in the performance report, a removal or correction of that information may be mutually agreed upon by the employee and the rater. If an agreement cannot be reached, the employee may submit a written statement explaining the employee's position to the Human Resources Director. The Human Resources Director shall attach the employee's statement to the disputed portion of the performance report.
The Performance Improvement Plan (PIP) is a great way to give struggling employees the opportunity to succeed while still holding them accountable for past performance. The PIP may be done in conjunction with a performance evaluation or as a stand-alone assessment. The goal of the PIP is to improve performance and provide guidance to the employee, and the documentation helps put the employee back on track. The employee may need more training or help in understanding what is expected of them in order to be successful in meeting the criteria of the PIP. The supervisor should document the areas of the employee's performance that need improvement, as well as establish a provisional action plan for improvement. The employee is expected to demonstrate continued improvement. The supervisor will monitor and provide feedback to the employee regarding his or her performance on the PIP and may take additional disciplinary action, if warranted, through the progressive discipline process, up to and including termination at any time. At the completion of the Performance Improvement Plan, the supervisor shall document the outcome in writing and provide a copy to the Human Resources Office.

**Section 8: Grievance Procedure**

This grievance procedure is intended to meet all of the requirements set out in Wisconsin Statute Section 66.0509 (1m) and passed into law as Act 10 by the 2011 Wisconsin Legislature.

It is the policy of the County to treat all employees equitably and fairly in matters affecting their employment. Each employee of the County shall be provided ample opportunity to understand and resolve matters affecting employment, which the employee believes to be unjust. The presentation of a formal grievance shall be considered to be the right of each regular County employee without fear of reprisal. Nothing contained herein alters the "at will" status of those employees.

The County Administrator shall not have access to the grievance procedure.

Department Heads shall not have access to the grievance process based on Wisconsin Statutes Section 59.18 (2)(b).

**Definitions**

"Arbitrary and capricious" means a decision which was made on unreasonable grounds or without any proper consideration of circumstances.

"Grievance" means a formal complaint by an employee concerning: employee discipline, employee termination, or workplace safety.

"Employee discipline" shall include written reprimands, suspensions without pay, and demotions.

"Termination" means a separation from employment, but does not include job loss resulting from a reduction in force.

"Workplace safety" shall include violations of state and federal laws and regulations on health and safety.

The following personnel actions shall not be subject to the grievance process: oral or written evaluations; counseling; job coaching; placing an employee on paid administrative leave pending an internal investigation; change in job assignments; voluntary quits; layoff or failure to return to work when recalled; retirement; job abandonment or failure to report to work; inability to perform job duties due to physical or medical limitations; and loss of required licensure, certification or other requirement necessary to perform the job.
"Preponderance of the evidence" means the greater weight of the evidence - superior evidentiary weight that, though not sufficient to free the mind wholly from doubt, is still sufficient to incline a fair and impartial mind to one side of the issue rather than the other.

The Human Resources Director shall supervise and administer the grievance process. Supervisors and Department Heads shall keep the Human Resources Director informed of all grievances in process.

This grievance procedure is available to all unilateral County employees (except Department Heads and elected County Officials), members of a bargaining unit that previously contained a grievance procedure, seasonal and temporary employees of the County.

Limitations:

1. A grievance that may be brought by or on behalf of a law enforcement officer using the procedure specific in Wis. Stat. Section 59.26(8) may not be brought under this section.

2. A grievance that may be brought by or on behalf of an employee under a grievance procedure that is contained in a collective bargaining agreement may not be brought under this section.

3. A grievance filed outside of the specified time lines in 18.806 will be denied. The employee will forfeit all rights to participate in the grievance procedure as spelled out in 18.806.

Any employee having a problem regarding his/her employment shall first discuss the problem with his/her immediate supervisor. If the problem is not settled to the employee's satisfaction and is a grievance according to Section 18.802, the employee may present his/her grievance according to Section 18.806.

A formal grievance of an employee shall be handled in accordance with the following procedure.

STEP 1. Supervisor.

The employee shall, within seven (7) calendar days of the event giving rise to the grievance or within ten calendar days of the date he/she could reasonably be expected to have knowledge of the grievance, present his/her formal grievance in writing on the form designated by the County to his/her immediate supervisor unless the immediate supervisor is the subject matter of the grievance, in which case, the employee may immediately proceed to Step 2. If the Department Head is the subject matter of the grievance, the employee may immediately proceed to Step 3. The supervisor shall within three (3) calendar days meet and discuss the grievance with the employee and then reply in writing within three (3) calendar days.

STEP 2. Department Head.

The Department Head, or his/her designee, shall, within five (5) calendar days, meet and discuss the grievance with the employee and then reply in writing within five (5) calendar days.
STEP 3. Human Resources Director.

In the event that the Department Head's decision does not satisfy the employee's grievance or if the Department Head is the subject matter of the grievance, the employee may, within seven (7) calendar days, present the grievance in writing to the Human Resources Director. The Human Resources Director shall arrange to meet within ten (10) calendar days of receipt of the grievance with the employee, his/her representative, if any, and any other person the Human Resources Director deems necessary. If, in the judgment of the Human Resources Director, a hearing is necessary to ascertain the facts surrounding the dispute, one shall be scheduled as soon as practicable. After the hearing, the Human Resources Director shall respond to the grievance in writing to the employee within ten (10) calendar days.

By mutual agreement between the Employer and the Employee the timelines in Steps 1, 2 and 3 may be extended.

STEP 4. Impartial Hearing Officer (IHO).

In the event the decision of the Human Resources Director does not resolve the grievance, the employee may, within seven (7) calendar days, request a hearing before an Impartial Hearing Officer and pay the filing fee (if one is established) by the County Board. The cost of the impartial hearing officer shall be equally shared by the parties.

a. The Human Resources Director shall upon receipt of a written hearing request, provide the employee with the name of an Impartial Hearing Officer. The Impartial Hearing Officer must not be an employee of the County. The Impartial Hearing Officer may be a lawyer, a professional mediator/arbitrator or other qualified individual as determined by the County Administrator.

b. The Impartial Hearing Officer shall be impartial and may not have any prior knowledge of the grievance.

c. The Human Resources Director will contact the hearing officer and schedule a meeting with the employee and the IHO to discuss the hearing. This meeting shall occur within two weeks of the date the Human Resource Director receives the request for the hearing. If the employee does not respond to the HR Director's attempt to schedule the meeting or does not attend a scheduled meeting, the request for a hearing shall be considered withdrawn and the decision of the HR Director shall stand.

d. The Impartial Hearing Officer may decide the case on the existing record or may conduct a hearing. A hearing will be scheduled within 30 calendar days of receipt of the hearing request and filing fee. The Impartial Hearing Officer may reschedule the hearing with permission of both parties.

e. The Impartial Hearing Officer, with the consent of both parties, may use his/her best efforts to mediate the grievance.

f. The employee has a right to be represented at the hearing (at the employee’s expense) by a person of the employee’s choosing.

g. The County has the burden of proof in a reprimand, suspension or termination grievance to show that its actions were not arbitrary or capricious. The employee has the burden of proof in a workplace safety grievance.

h. The standard required of the party with the burden of proof in all cases is a preponderance of the evidence.

i. The hearing shall be recorded by a court reporter, who will make a record of the proceedings, and the costs will be shared equally by the parties.

j. Formal rules of civil procedure will not be followed.
k. Both parties may introduce exhibits and present witnesses. Witnesses shall be sworn to tell the truth.

l. The Impartial Hearing Officer shall provide a written decision within thirty (30) calendar days following the close of the record. The written decision should include a case caption; the parties and appearances; a statement of the issues, findings of fact; any necessary conclusions of law; the final decision and order; and any other information the hearing officer deems appropriate.

m. The Impartial Hearing Officer shall have the power to sustain or deny the grievance. He or she shall have the power to order only the following remedies: withdrawal of a written reprimand, reduction of suspension, transfer to original position from demoted position, reinstatement with or without some or all back pay. The Impartial Hearing Officer may recommend other remedies, however, all other remedial authority shall be subject to the determination and approval of the County Board, and shall be addressed by the County Board in the event the grievance is sustained.

STEP 5. County Board.

An employee or the County, within ten (10) calendar days of receipt of the hearing officer’s decision, may appeal the decision to the County Board by filing a written notice of appeal with the County Clerk.

a. The written notice of appeal must contain: (1) a statement explaining the reason for the appeal, (2) a copy of the written grievance filed with the County, (3) the County’s response to the grievance, and (4) a copy of the Impartial Hearing Officer decision. The notice of appeal may not contain any information that was not admitted into evidence at the hearing.

b. The appeal will be placed on the agenda for a County Board meeting that is held at no longer than sixty (60) calendar days after the County Clerk receives a written notice of appeal. The appeal will be noticed for consideration in closed session pursuant to Wis. Stat. Section 19.85(1)(b) pertaining to dismissal, licensing, or suspension of a public employee. The County Clerk will provide a copy of the meeting notice to the employee, and the employee may request that an open session be held.

c. The employee has the right to representation by a person of the employee’s choosing and at the employee’s request. The employee and the employee’s representative may attend the closed session.

d. The employee or the employee’s representative and a representative of the County may address the County Board for an equal period to be determined by the County Board Chair. The appealing party will go first and may reserve a part of his/her time for rebuttal. The responding party will go second. The appealing party may present a rebuttal, if he/she has reserved any time and not used it.

e. The employee and the employee’s representative, and the person speaking on behalf of the County, will be excluded from any closed session during the County Board’s discussion or deliberation.

f. The County Board’s consideration of the appeal will be limited to a review of the Impartial Hearing Officer’s written decision, the appealing party’s reason(s) as to why the decision is wrong, and the response by the other party along with any oral presentations made by the parties.

g. Should the County Board Chair become aware of some relevant piece of information that could have had a significant impact on the decision of the impartial hearing officer, that neither party was aware of, or could have been expected to be aware of, prior to the impartial hearing officer’s decision, the County Board Chair, with the advice of the Corporation Counsel, may take whatever action he/she deems appropriate so as not to disadvantage either party, and report such action to the County Board.
h. The County Board shall give due deference to the decision and recommendation of the Impartial Hearing Officer and his/her decision shall not be overturned unless the Board finds by a simple majority vote that: (1) the hearing was not conducted fairly, (2) there was fraud or corruption on the part of the hearing officer, or (3) the hearing officer made an error in fact or law.

i. In the event the County Board does not sustain the Impartial Hearing Officer's decision, then the Board may render a new decision and remedy, or take other action as appropriate.

j. The County Board Chair shall prepare and sign a written determination reflecting the County Board decision. The County Board Chair may enlist the assistance of the Corporation Counsel in preparing the determination. A copy of the determination will be provided to the employee within ten (10) calendar days following the County Board's decision.

k. The County Board's decision is final and may not be appealed.

Grievance of Termination
18.807

All grievances regarding termination shall be initiated at the third step of the grievance procedure.

Section 9: Transactions and Records Management

Policy
18.901

The development and maintenance of an effective personnel transaction procedure and personnel records management system is essential to a sound personnel program. All appointments, separations, and other personnel transactions shall be made on forms designated by the Human Resources Director. The primary purpose of these systems and procedures shall be to:

(a) Establish and maintain clear lines of authority for the processing of personnel transactions and management of personnel records.

(a) Establish and maintain uniform, easily accessible and complete employment records of all County employees and employee transactions.

The Payroll Unit shall convert data from personnel transactions to payroll records and shall maintain cumulative records of vacation, overtime, sick leave, and payroll deductions. Payroll records and data shall be developed in cooperation with the Human Resources Director and Finance Director to provide current and meaningful personnel and position information, summaries and statistics.

All employees shall be responsible for notifying their supervisor of any changes, which affect their personal status.

- Unilateral B’s are “Exempt” from provisions of the FLSA due to the nature of their position. However, the County has chosen to pay them straight time overtime after 40 hours a week even though the County is not required to do this by federal law.

- Unilateral C’s are “Exempt” from provisions of the FLSA due to the nature of their position. Employees in these positions do not receive any form of overtime but are allowed to “flex” their time in accordance with HR Policy and Procedure.

  - Replaces the current Voting Board with one or more strategically placed display screens
  - Shows real-time voting results and meeting content
  - Displays content to a prospective online audience
  - Enables County Board Supervisors to use a browser capable tablet device for viewing meeting content and electronic voting (which directly updates the meeting minutes)
  - Easy agenda navigation with touch screen design and automatic page turning

ADMINISTRATIVE NOTE:

Executive Summary
Authorizing Purchase of Rye Farms 140 Property

The purpose of this Resolution is to authorize the purchase of the Rye Farms HWY 140 property as a canoe/kayak launch for the Department of Public Works Parks Division. It also authorizes the County Board Chairman and County Clerk to execute required documents to effect the sale.

The Rye Farms Inc. approached the County in early 2017 to gauge interest in the Rye Farms Property on HWY 140. The Committee has expressed interest in acquiring the property. The Department of Public Works Parks Division has toured the creek front property that has a great creek access at the 140 Bridge. Possible uses for the site include canoeing, kayaking, fishing, and parking.

This purchase is of approximately 1.52 acres of land and an existing paved driveway, parking area, and canoe/kayak launch purchase price of $16,000. We also have a $3,000 commitment of contribution from the Rock County Trail Coalition towards the purchase. The site will require minor modifications and maintenance. The Department has already invested $1,500 on professional services for appraisal and survey work done by the county. Therefore, the total estimated cost of the project is $16,000 and staff time and is within county negotiation parameters. The appraisal was paid for through the Rock County Green Fund.

This resolution also authorizes use of surplus funds from other projects in the Capital Budget funds in The Public Works Parks Division budget. There are currently surplus funds available in the 2017 capital improvement budget to cover this expense.
