Executive Summary
Amending Chapter Three of Ordinances
Specific Speed Limits - CTH D

On October 23, 2014, the Rock County Board of Supervisors approved amendments to the speed limits on many county trunk highways. These amendments included a speed zone change on CTH D in the Town of Rock through Afton. A 35 mile per hour (mph) speed zone began 125 feet south of Plymouth Church Road and continued through Afton to a point 1,200 feet south of South River Road.

The Town of Rock as well as many local residents and business owners have expressed concerns with the change to the speed zone. One specific concern that was raised was the beginning location of the speed zone on the southern end. The concern relates to the proximity of the Plymouth Church Road intersection, as well as the speed of southbound traffic leaving the 35 mph speed zone.

This area was further evaluated at the request of the Public Works Committee. The components evaluated were the 85th percentile speeds south of the current speed zone (two samples) and at the southern end of the speed zone (one sample), as well as the driveway spacing along CTH D south of the speed zone.

The 85th percentile speeds were 56.25 mph and 57.5 mph south of the speed zone and 44.5 mph at the south end of the speed zone. The driveway spacing south of the speed zone allows for the speed limit to be set between 35 mph and 55 mph south to Townline Road.

Based upon the 85th percentile speeds observed, the roadway vision and the terrain, an extension of the current 35 mph speed zone southerly to the intersection of Noss Road is recommended.

AMENDING THE ROCK COUNTY BUDGET AND AUTHORIZING PAYMENT TO THE VILLAGE OF ORFDAVILLE FOR THE REIMBURSEMENT OF COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM FUNDS

1 WHEREAS, the Village of Orfordville received Small Cities Community Development Block Grant Funds (CDBG Funds) in 2012. These Federal Block Grants are awarded to state and local governments and are designed exclusively to create affordable housing for low-income households. The Rock County Planning, Economic and Community Development Agency subsequently entered into an Administrative Service Contract on April 9, 2012 for the administration of the Village’s housing rehabilitation projects; and,

2 WHEREAS, in October of 2014, the Wisconsin Department of Administration conducted a monitoring of the Village of Orfordville’s CDBG Program. The monitoring resulted in Findings that cited program administration deficiencies in the area of determining program eligibility. Two (2) projects were identified as having CDBG funds expended on costs or activities that did not meet the eligibility requirements for funding under the CDBG Program; and,

3 WHEREAS, a total of $30,875.00 of these CDBG funds, that were used in support of these projects, must be paid to the Village of Orfordville; who in turn will reimburse the Wisconsin Department of Administration – CDBG Housing Program; and,

4 WHEREAS, CDBG Program funds provided as loans are required to be repaid upon sale or transfer of the residence, or when it is no longer the homeowner’s primary place of residence, and if repaid these funds may be repaid to the Rock County General Fund account if an Intergovernmental Agreement is completed with the Village of Orfordville for transferring funds; and,

5 WHEREAS, reimbursement of funding for ineligible projects will serve towards the closing out of the remaining Monitoring Findings and fulfill Rock County’s contractual obligations with the Village of Orfordville.

6 NOW, THEREFORE, BE IT RESOLVED, that the Rock County Board of Supervisors duly assembled this ___ day of ___, 2015, hereby authorizes disbursements of Rock County General Funds for repayment in the amount of $30,875.00 to the Village of Orfordville.

AMENDING THE ROCK COUNTY BUDGET AND AUTHORIZING PAYMENT TO THE VILLAGE OF ORFORDVILLE FOR THE REIMBURSEMENT OF COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM FUNDS

EXECUTIVE SUMMARY

The Rock County Planning, Economic and Community Development Agency provided Administration Services to the Village of Orfordville for a Community Development Block Grant Fund (CDBG Fund) for the rehabilitation of housing. These Federal CDBG Funds provide money for rehabilitating affordable rental units or owner occupied housing for low-income households. Funds are provided to eligible property owners in the form of a 0% deferred payment loan that is repaid upon sale or transfer of the property, or when the property is no longer the homeowner’s primary place of residence.

In February of 2015, the Wisconsin Department of Administration (DOA) conducted a monitoring of the Village of Orfordville’s Program. The monitoring resulted in Findings that cited program deficiencies in the area of determining program eligibility. Two (2) projects were identified as having CDBG Funds expended on costs or activities that did not meet the eligibility requirements for funding under the CDBG Program. The total Funding disbursed for these two (2) projects was $30,875. The contractual agreement for Administration Services provided by the Rock County Planning, Economic and Community Development Agency to the Village of Orfordville obligates Rock County to repay the Village for these ineligible project costs. The Village would then in turn reimburse the DOA the $30,875.

Money disbursed for project costs or administrative expenses for these ineligible projects must be reimbursed from non-federal funds. This Resolution proposes to pay these funds from the Rock County General Fund account in an effort to address and close out the monitoring Findings. Therefore, funds in the amount of $30,875 will be an outright supplemental appropriation from the General Fund.

Executive Summary

Since 1985, America has celebrated July as the nation’s official Park and Recreation Month. A program of the National Recreation and Park Association (NRPA) and the America’s Backyard initiative, the goal is to raise awareness of the vital impact that parks, recreation, and conservation have on communities across the United States.

This July we’re celebrating 30 years of Park and Recreation Month and the enduring power of parks and recreation for the world.

Various research studies are confirming that community parks and recreation, green space and time outdoors is critical for creating healthy, active and sustainable communities. You can experience the benefits by visiting your community parks and recreation any time of the year, and especially during Park and Recreation Month.
