Repeal & Recreate 4.6 Address Ordinance
EXECUTIVE SUMMARY

ROCK COUNTY ADDRESS ORDINANCE REVISION

The Rock County Board, via the “Rock County Address Ordinance” manages 16,661 addresses within the unincorporated areas of the County (outside of Cities & Villages). Originally adopted in 1994, the “Rock County Address Ordinance” establishes and maintains a consistent rural address number and road name system. Each location is assigned a unique address which will aid emergency personnel in providing fire protection, emergency medical services, police services, civil defense, and delivery of mail and meet other general location needs of the public.

Various County Departments (i.e. 911 Communication, Planning & Development Agency, Real Property Lister and County Clerk) and Town Officials (representing unincorporated areas), which actively use and manage this addressing system, deemed it necessary to amend the current Ordinance to incorporate new and improved address sign specifications. Older signs installed in 1994 were one sided facing parallel to the road. The amendment will require two sided signs placed perpendicular to the roadway to facilitate ease of recognition. The new signs incorporate 3M High Intensity Prismatic sheeting with clear anti-graffiti/UV-stabilizer film applied over the finished sign.

- EXECUTIVE SUMMARY -

APPROVE RELOCATION ORDER FOR CTH F (NORTH) RECONSTRUCTION PROJECT

The project design for the reconstruction of CTH F between USH 14 and the southern city limits of Edgerton (Hain Road) is nearly complete. To carry out the project, the County must acquire certain interests in land to reconstruct the road, install storm drainage pipes, grade ditches and otherwise complete the project. It is required by Statute that the County Board pass a Relocation Order as the first legal step in the process.

This resolution adopts the Relocation Order and delegates responsibility for implementation to the Public Works Committee and Director of Public Works.

Creating a 0.4 FTE Administrative Assistant for Treatment Court

WHEREAS, the Human Services Department is changing operations to contract for drug testing in
treatment courts and other programs in order to meet industry best practice standards for drug testing;
and,

WHEREAS, staffing needs for drug testing will be met by the contracted agency resulting in the
elimination of 1.2 FTE HSD Psychiatric Technician positions and the need for pool staff currently
fulfilling this role; and,

WHEREAS, the Department has adjusted current Administrative Assistant assignments to cover most of
the reception needs but additional front desk coverage will be needed when the Psychiatric Technician
positions are phased out; and,

WHEREAS, the Department requests that a 0.4 FTE Administrative Assistant position be created to
support the Treatment Court program; and,

WHEREAS, this change is cost-neutral as the Department is able to offset this expense with cost savings
from the reduction of staff and billing revenue related to the contracted provider.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly
assembled this _ day of __________, 2017 does hereby add the 0.4 FTE Administrative
Assistant position based on the recommendation of the Human Services Director and authorize the
Human Services Department to fill the position.

Creating a 0.4 FTE Administrative Assistant for Treatment Court

Executive Summary

This resolution authorizes the addition of a 0.4 FTE AA to the Treatment Court program. This addition provides necessary reception coverage as clients and visitors enter the Treatment Court suite.

This coverage has been provided by Psych Techs who have done drug testing. These positions have shifted to an outside agency as the result of a recent decision to contract this service to a specialized agency.

HSD has adjusted assignments of current AAs to provide coverage while continuing to maintain the schedules of current AA employees. The additional 16 hours per week are necessary to cover the office’s business hours.

This is cost-neutral as it was included in the financial projections related to the recent drug testing contract.
WHEREAS, the Human Services Department requests that the County Board Reclassify a Bachelor’s Level Crisis Worker position to a Master’s Level Behavioral Health Clinician position; and,

WHEREAS, the Department believes there are programmatic and community service advantages to Rock County by filling the position with a higher skill set employee; and,

WHEREAS, the Department will propose a more comprehensive restructuring plan for 2018 that prioritizes the use of clinical staff to achieve improved outcomes for consumers; and,

WHEREAS, the addition of a Behavioral Health Clinician will reduce stress on other emergency response agencies in the community; and,

WHEREAS, On-Call Behavioral Health Supervisors are currently responsible for covering crisis situations when a Crisis Worker is not on shift after hours; and,

WHEREAS, this change is cost neutral in 2017 because of several months total of unfilled positions including a Psychiatric Technician and this Bachelor’s Level position.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this ______ day of __________, 2017 does hereby reclassify the 1.0 FTE Bachelor’s Level Crisis Worker to a Master’s Level Behavioral Health Clinician based on the recommendation of the Human Services Director and authorize the Human Services Department to fill the position.

Reclassifying Position from Bachelor’s Level Crisis Worker to Master’s Level Behavioral Health Clinician

Executive Summary

This resolution authorizes the reclassification of a Bachelor’s Level Crisis Worker to a Master’s Level Crisis Worker. The reclassification advances our ongoing priority of improving outcomes for clients by supporting a more clinical approach in our Crisis Services. This reclass is the same as one that was approved in March, 2017 and consistent with the strategy to change education requirements from Bachelors to Masters as positions become available.

Jason Cliffgard transferred from Crisis Services to CCS in June leaving this position open. This action will reclassify the 1.0 FTE Bachelor’s to a 1.0 FTE Master’s position.

The financial impact for the remainder of 2017 is $4,464 which is covered by a crisis position remaining unfilled for the first six months of 2017.
