Phil Boutwell, the Deputy Director of Human Services reviewed with the board, the events leading up to the creation of the Income Maintenance (IM) Consortiums. The Governor’s Budget introduced in March, 2011 called for centralized administration of income maintenance, and:

- Eliminated County run IM units and created a centralized unit with state and private contractor employees.
- Took 2009 County tax levy for IM services (approximately $800,000 for Rock).
Proceedings of the Rock County Board of Supervisors
September 22, 2011

- Was done on the premise that it saved money and increased efficiency.
The Rock County Board of Supervisors passed Resolution 11-3B-322 in March opposing state centralized IM.
- Placed the future of the Job Center at risk.
- Would have resulted in approximately 45 county workers laid-off.
- Migrate from a well-run local IM operation to an expanded state program with a dismal performance record.
- Negatively impacted the blind, disabled and elderly that rely on walk in services.
- Eliminated a core mission of the Human Services Department.
- Eliminated local response to Rock County residents in need.
Mr. Boutwell explained that the WCHSA (Wisconsin County Human Services Association) and WCA (Wisconsin Counties Association) moved quickly to develop an alternative for legislative consideration.
- Six-week window to find alternative for Joint Finance consideration that had same savings as the Governor’s proposal.
- Concept called for regional consortia operated by counties.
- Counties called for regional consortia operated by counties.
- Counties would maintain their walk-in lobby services, and would operate “consortia-wide” call change centers.
- Approximately 120,000 “Badger” care Core/Core Plus cases transferred to counties.
- Cost savings achieved by elimination of State’s Enrollment Service Center, and reduced GPR funding in the IM allocation to counties.
- Key: The WCHSA and WCA alternative did not violate federal Food Share rules.
The Joint Finance Committee voted 16-0 for the WCHSA/WCA Regional IM Proposal in May, 2011. This has since resulted in the necessity to:
- All counties (other than Milwaukee) were required to organize into no more than 10 multi-county consortia to administer IM.
- Each consortium to offer lobby services and operate call change center.
- Perform application processing and eligibility determination for IM.
- Provide ongoing case management.
- Each consortium will have a lead fiscal and administrative county designee for consortium representative.
- Enter into contracts with DHS to operate starting 1/1/12.
Charmian Klyve, the Director of Human Services addressed the board on the formation of Consortium in which Rock County was to be the hub and shared information about Rock County’s role in the Southern Consortium.
- Key: Not a Commission Model where funds are pooled and governed by a single board.
- Hub and Spoke Model:
  - Rock County HSD will be the lead fiscal/administrative agency on behalf of Southern Consortium.
  - Member counties maintain their own budgets and fall under the budgetary and policy oversight of their respective HSD Boards.
  - IM Administration rests with each County, except Call Change Center work.
  - All counties agree to support Call Change Center work on a pro-rata basis.
- Monthly administrative meetings of Directors and IM Supervisors.
- Memorandum of Understandings between counties defines obligations of the consortia partners.
Ms. Klyve explained the ongoing financial and operating challenges that include:
- Staffing Levels and Caseloads
- 2011 and 2012 Comparison of IM Allocations
- Rock County’s Operating Challenges for 2012 Include:
  - Increasing caseloads (approximately 4,060) from Badger Care
  - Same number of IM direct line staff in 2012 as 2011.
  - Less staff in Economic Support Division (4 AA’s, 1 Supervisor).
Proceedings of the Rock County Board of Supervisors
September 22, 2011

- Key: Efficiencies achieved through the Call Change Center.
She explained that the time-line for startup is mandates by a statutory date for 10 consortia to start operations beginning January 1, 2012. The County Board of Supervisors gave the Department head authorization to enter into the consortium.

For the purpose of paying the principal of and interest on the Notes as the same becomes due, the full faith, credit and resources of the County are hereby irrevocably pledged and a direct annual irrepealable tax is hereby levied upon all taxable property of the County. The aforesaid direct annual irrepealable tax hereby levied shall be collected in addition to all other taxes and in the same manner and at the same time as other taxes of the County levied in said years are collected. So long as any part of the principal of or interest on the Notes remains unpaid, the tax herein above levied shall be and continues irrepealable except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus in the Debt Service Fund Account created herein.

Section 8. Debt Service Fund Account. There is hereby established in the County treasury a fund account separate and distinct from every other County fund or account designated "Debt Service Fund Account for $4,500,000 General Obligation Promissory Notes, Series 2011A, dated October 4, 2011." There shall be deposited in said fund account any premium plus accrued interest paid on the Notes at the time of delivery to the Purchaser, all money raised by taxation pursuant to Section 7 hereof and all other sums as may be necessary to pay interest on the Notes when the same shall become due and to retire the Notes at their respective maturity dates. Said fund account shall be used for the sole purpose of paying the principal of and interest on the Notes and shall be maintained for such purpose until such indebtedness is fully paid or otherwise extinguished.

Section 9. Segregated Borrowed Money Fund. The proceeds of the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into
Proceedings of the Rock County Board of Supervisors
September 22, 2011

an account separate and distinct from all other funds and be disbursed solely for the purposes for which borrowed or for the payment for the principal of and the interest on the Notes.

Section 10. Arbitrage Covenant. The County shall not take any action with respect to the Note Proceeds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken on the date of the delivery of and payment for the Notes (the "Closing"), would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code") and any income tax regulations promulgated thereunder (the "Regulations").

The Note Proceeds may be temporarily invested in legal investments until needed, provided however, that the County hereby covenants and agrees that so long as the Notes remain outstanding, moneys on deposit in any fund or account created or maintained in connection with the Notes, whether such moneys were derived from the Note Proceeds or from any other source, will not be used or invested in a manner which would cause the Notes to be "arbitrage bonds" within the meaning of the Code or Regulations.

The County Clerk, or other officer of the County charged with responsibility for issuing the Notes, shall provide an appropriate certificate of the County, for inclusion in the transcript of proceedings, setting forth the reasonable expectations of the County regarding the amount and use of the Note Proceeds and the facts and estimates on which such expectations are based, all as of the Closing.

Section 11. Additional Tax Covenants; Exemption from Rebate. The County hereby further covenants and agrees that it will take all necessary steps and perform all obligations required by the Code and Regulations (whether prior to or subsequent to the issuance of the Notes) to assure that the Notes are obligations described in Section 103(a) of the Code, the interest on which is excluded from gross income for federal income tax purposes, throughout their term. The County Clerk or other officer of the County charged with the responsibility of issuing the Notes, shall provide an appropriate certificate of the County as of the Closing, for inclusion in the transcript of proceedings, certifying that it can and covenanting that it will comply with the provisions of the Code and Regulations.

Further, it is the intent of the County to take all reasonable and lawful actions to comply with any new tax laws enacted so that the Notes will continue to be obligations described in Section 103(a) of the Code, the interest on which is excluded from gross income for federal income tax purposes.

The County anticipates that the Notes will qualify for the eighteen month expenditure exemption from the rebate requirements of the Code. The County Clerk or other officer of the County charged with the responsibility of issuing the Notes, shall provide an appropriate certificate of the County as of the Closing, for inclusion in the transcript of proceedings, with respect to said exemption from the rebate requirements, and said County Clerk or other officer is hereby authorized to make any election on behalf of the County in order to comply with the rebate requirements of the Code. If, for any reason, the County did not qualify for any exemption from the rebate requirements of the Code, the County covenants that it would take all necessary steps to comply with such requirements.

Section 12. Persons Treated as Owners; Transfer of Notes. The County Clerk shall keep books for the registration and for the transfer of the Notes. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the County Clerk, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the County Clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the County Clerk shall record the name of each transferee in the registration book. No registration shall be made to bearer. The County Clerk shall cancel any Note surrendered for transfer.

The County shall cooperate in any such transfer, and the County Board Chairperson and County Clerk are authorized to execute any new Note or Notes necessary to effect any such
transfer. The 15th day of each calendar month next preceding each interest payment date shall be the record date for the Notes. Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the County maintained by the County Clerk at the close of business on the corresponding record date.

Section 13. Utilization of The Depository Trust Company Book-Entry-Only-System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the County has heretofore agreed to the applicable provisions set forth in the DTC Blanket Issuer Letter of Representation and the Finance Director has executed such Letter of Representation and delivered it to the DTC on behalf of the County.

Section 14. Execution of the Notes. The Notes shall be issued in typewritten form, one Note for each maturity, executed on behalf of the County by the manual or facsimile signatures of the County Board Chairperson and County Clerk (except that one of the foregoing signatures shall be manual), sealed with its official or corporate seal, if any, and delivered to the Purchaser upon payment to the County of the purchase price thereof, plus accrued interest to the date of delivery. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the delivery of the Notes, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until such delivery. The aforesaid officers are hereby authorized to do all acts and execute and deliver all documents as may be necessary and convenient to effectuate the Closing.

Section 15. Payment of the Notes. The principal of and interest on the Notes shall be paid by the County Treasurer or his or her agent in lawful money of the United States.

Section 16. Continuing Disclosure. The County hereby covenants and agrees that it will comply with and carry out all of the provisions of its Continuing Disclosure Certificate, which the County will execute and deliver on the Closing Date. Any Noteholder may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the County to comply with its obligations under this Section.

Section 17. Financial Advisory Services. The Financial Advisory Services Agreement with Wisconsin Public Finance Professionals, LLC attached hereto as Exhibit C is hereby approved and the County officers indicated as signatories to the agreement are hereby authorized to execute the same.

Section 18. Conflicting Resolutions: Severability; Effective Date. All prior resolutions, rules or other actions of the County or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Adopted this 22nd day of September, 2011.
