TITLE

AUTHORIZING PURCHASE OF AN IN-SQUAD DIGITAL VIDEO SYSTEM FOR THE SHERIFF'S OFFICE AND AMENDING THE 2010 BUDGET

WHEREAS, the Sheriff’s Office has received grants and has budgeted other funds for the purchase of an in-squad digital video system for safety and operational needs; and,

WHEREAS, the Information Technology Department is responsible for purchasing computer-related hardware and software for all county departments and offices; and,

WHEREAS, the specified in-squad digital video system may be purchased under terms of the State of Wisconsin contract WN33ACA.

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors duly assembled this day of 2010 that a Purchase Order in the amount of $48,105 be issued to Dell Marketing, LP for the purchase of an in-squad digital video system and that the Information Technology Department’s 2010 budget be amended as follows:

Vote of 5-0.
AUTHORIZING PURCHASE OF AN IN-SQUAD DIGITAL VIDEO SYSTEM FOR THE SHERIFF’S OFFICE AND AMENDING THE 2010 BUDGET
Page 2

FISCAL NOTE:
This resolution amends Information Technology's 2010 budget to provide the budgetary authority to purchase computer equipment for the Sheriff's AVL Project. Sufficient funds are available in the Sheriff's budget, as amended, for these equipment costs.

Jeffrey A. Smith
Finance Director

LEGAL NOTE:
As an amendment to the Adopted 2010 County Budget, this resolution requires a 2/3 vote of the entire membership of the County Board, pursuant to Section 65.90(5)(a), Wis. Stats.

The County Board is authorized to take this action pursuant to Sec(s) 59.01 and 59.51, Wis. Stats. In addition, Sec. 59.52(29), Wis. Stats, requires the project to be let to the lowest responsible bidder.

County Administrator
Executive Summary for the Purchase of an In-Squad Digital Video System for the Sheriff's Office and Amending the 2010 Budget

The Sheriff's Office has developed a plan to use grant and other funds for the purchase of an in-squad digital video system, with an initial implementation in 8 squad cars. The system will provide for persuasive, documentary evidence that will defend against civil litigation and allegations of officer misconduct. The primary objectives of the system include:

- Enhancing officer safety;
- Accurately capturing statements and events during the course of an incident;
- Improving the officer's ability to document and review statements and actions for both internal reporting requirements and for courtroom presentation;
- Providing an impartial measurement for self-critique and field evaluation during recruitment and new officer training, and
- Capturing visual and audio information for use in investigations.

The in-squad digital video system includes the following components:

- Dell PowerEdge Server $6,610.81
- Safety Vision Hardware and Software $41,495.09

Total: $48,105.90

The system will be purchased from Dell Marketing, LP using the pricing and terms of the State of Wisconsin contract #WN33ACA. The resolution amends the IT 2010 budget to allow for using the appropriate expense account for the purchase.

Executive Summary

The Rock County Sheriff's Office plans to host a series of honor guard clinics for other law enforcement agencies. The other agencies have requested this training from us. The purpose of the clinics will be to instruct our new members along with members from other agencies on honor guard basics such as proper flag etiquette, funeral protocol, marching, and formations.

The charge for the clinic for outside agencies will be $50 per participant. It is anticipated that there will be 14 participants. The fees collected will be used to cover program supplies. Any remaining fees will be used to purchase uniforms and equipment for the Sheriff's Office honor guard unit.

AUTHORIZING AMENDING 2010 REVOLVING LOAN FUND PROGRAM
BUDGET

EXECUTIVE SUMMARY

Prepared by James R. Otterstein, Economic Development Manager

The County’s Economic Development Agency, under the purview of the Planning & Development Agency, administers a Revolving Loan Fund (RLF) program. Originally capitalized from the principal and interest proceeds collected from a Wisconsin Development Fund (WDF) loan, the County’s RLF provides financing for economic development projects that meet local, State and/or Federal guidelines.

Annually, the Agency estimates the future year’s utilization of the RLF program. This estimated figure, including any eligible administrative expenses, is factored into the program’s budget. For YR 2010, the Agency originally anticipated that $55,000 would be utilized from the program: $50,000 in loan(s) and $5,000 in administrative expenses.

This anticipated loan amount, however, has been surpassed due to a request to provide $62,500 in RLF assistance to Edgerton Gear, Inc. Per the County’s RLF Policies and Procedures Manual, the Planning & Development Committee has approved this loan. This Resolution appropriates $12,500 of additional Community Development Activity funds, which are needed for the Edgerton Gear loan.

ACCEPTING HUD LEAD HAZARD REDUCTION DEMONSTRATION GRANT AND AMENDING THE 2010 ROCK COUNTY HEALTH DEPARTMENT BUDGET

EXECUTIVE SUMMARY

The Rock County Health Department has been awarded a HUD Lead Hazard Reduction Demonstration (LHRD) Grant in the amount of $24,000. The grant period is from 1/1/10 through 12/14/12.

During this grant, the Rock County Health Department will provide the following services to prevent childhood lead poisoning in Rock County:

1. Provide risk assessments to identify and evaluate lead paint hazards in homes built prior to 1950 and occupied by infants and young children (approximately 70 per year).
2. Educate parents of young children about risk reduction, nutrition, and lead hazard mitigation.
3. Provide blood lead tests for children at risk for lead poisoning.
4. Conduct environmental investigations in response to reports of lead exposure or in response to requests.

Using HUD Lead Hazard Reduction Demonstration funds under contract with the Wisconsin Department of Health Services, Rock County Health Department will refer families with young children living in older housing to housing agencies in Rock County to apply for HUD funds to repair lead hazards. These agencies are: Cities of Beloit and Janesville, Rock County Planning & Development, and Community Action Inc. of Rock and Walworth Counties.

EXECUTIVE SUMMARY

The Council on Aging budget is funded primarily with federal Older Americans Act and state revenues. During the budget preparation process, the amount of funding is estimated. Actual amounts are not available until after the federal budget is passed and the State Bureau of Aging and Disability Resources determines final allocations for counties.

This budget amendment increases the amounts of funding for Title III-B (Supportive Services), Title III-C-1 (Congregate Meal Program), Title III-C-2 (Home Delivered Meals), Title III-D (Preventive Health) and Title III-E (Family Caregiver Support Program and caregiver conference) of the Older Americans Act, as well as State Health Insurance Program funding (benefit specialist assistance). The Council on Aging also received a $5,000 grant through Title III-E for caregiver coalition building activities.

No county funds are required.
Amending the Sheriff's 2010 Budget to Accept and Use Equitably Shared Funds

WHEREAS, federal law authorizes the Attorney General to share federally forfeited property with participating state and local law enforcement agencies through the Department of Justice Asset Forfeiture Program; and,

WHEREAS, equitably shared funds are required to be used by law enforcement agencies for law enforcement purposes only; and,

WHEREAS, the intent of the transfer is to enhance law enforcement, and it must increase, not supplant the recipient’s appropriated operating budget; and,

WHEREAS, for their participation in the program, the Sheriff’s Office received funds in the amount of $4,114.87; and,

WHEREAS, the Sheriff’s Office plans to use the funds to purchase a mobile video recorder (MVR) for one of our patrol squads,

Executive Summary

Amending the Sheriff's 2010 Budget to Accept and Use Equitably Shared Funds

The Department of Justice Asset Forfeiture Program is a nationwide law enforcement initiative that removes the tools of crime from criminal organizations and deprives wrongdoers of the proceeds of their crimes. Federal law authorizes the Attorney General to share federally forfeited property with participating state and local law enforcement agencies.

Equitably shared funds are required to be used by law enforcement agencies for law enforcement purposes only. The intent of the transfer is to enhance law enforcement. It must increase, not supplant the recipient's appropriated operating budget.

For their participation in the program, the Sheriff's Office received funds in the amount of $4,114,87.

The Sheriff's Office plans to use the funds to purchase a mobile video recorder (MVR) for one of their patrol squads. The use of an MVR system provides persuasive, documentary evidence and helps defend against civil litigation and allegations of officer misconduct. This technology is capable of producing both video and audio records.

Awarding Contract for Duct Work Cleaning Project
At Juvenile Detention Center

The Rock County Human Services Department (HSD) operates the Juvenile Detention Center (JDC). A recent JDC maintenance review by HSD and General Services Department staff identified the need for air duct cleaning throughout the facility.

The Purchasing Division advertised and solicited proposals from qualified vendors. All proposals were reviewed by Purchasing and General Services staff for experience, quality, and pricing. The proposal submitted by Indoor Air Technologies of Victor, New York rated the highest through the review process.

ROCK COUNTY BOARD OF SUPERVISORS

Public Works Committee INITIATED BY

Ben Coopman, Public Works Director DRAFTED BY

Public Works Committee SUBMITTED BY

June 30, 2010 DATE DRAFTED

Authorizing Issuance of Access Permit and Executing a Memorandum of Understanding with the City of Janesville for Access onto County Trunk Highway J for a Commercial Development Project by SARA Real Estate Investments, LLC.

WHEREAS, SARA Real Estate Investments, LLC (SARA) of Janesville has proposed construction of a new office related use and incrementally other future commercial building ventures to be located in the City of Janesville on approximately seven (7) acres of land at the southeast corner of State Road 11 (E. Racine Street) and County Trunk Highway J (CTH J) (S. Wright Road); and,

WHEREAS, SARA has applied for access to its site from County Trunk Highway J (CTH J) which is owned, maintained and regulated by Rock County; and,

WHEREAS, there are now, and may be in the future, costs to construct and maintain the requested access and modifications to CTH J for this and other possible developments in the area; and,

WHEREAS, The County expects the costs of these current and future improvements be paid by the developers when they are needed; and,

WHEREAS, The City of Janesville can regulate infrastructure improvements and recover costs from them developers, while the County cannot do so.

NOW, THEREFORE, BE IT RESOLVED, by the Rock County Board of Supervisors duly assembled this _____ day of ____________ 2010, that the Rock County Department of Public Works issue the requested access permit subject to the conditions of the permit and satisfactory execution of a Memorandum of Understanding outlining additional terms of agreement; and,

BE IT FURTHER RESOLVED, that the County Board Chair and County Clerk are authorized to execute the Memorandum of Understanding on behalf of Rock County.

As stated in the Resolution and Executive Summary costs for modifications and improvements for the proposed access to CTH J are to be paid for by the City of Janesville. The City has the legal option of recovering these costs from the developers.

Jeffrey A. Smith
Finance Director

ADMINISTRATIVE NOTE:
Recommended.

Craig D. Ertson
County Administrator
- Executive Summary -

SARA Real Estate Investments, LLC (SARA) has approached the City of Janesville for approval to construct a new office facility at the southeast corner of State Road 11 (E. Racine St.) and County Trunk Highway J (CTH J, also known as S. Wright Road). SARA Real Estate Investments, LLC, has requested an access onto CTH J. The County owns, maintains and controls access to CTH J in that area.

SARA has agreed to pay for the initial work necessary at this time. However, they also plan to do additional phases of construction and it is not known at this time whether more access improvements/modifications to CTH J access point may be needed. Additionally, they own some vacant, commercially zoned property directly adjacent to this development.

This development could require additional modifications to CTH J at some time in the future. These future projects could be quite costly. Timing is unknown.

The County desires to minimize its exposure to these costs due to development that it cannot control or regulate within the City. State statute does not allow Counties to assess for improvements or otherwise command payment, if a future project need arises. Cities can do that, either by Developer’s Agreements or by Special Assessments against the property.

The City of Janesville has expressed a willingness to assume this liability by guaranteeing the work will get done and be paid for by the City, if and when needed. They will then exercise their legal options to recover the costs from the developers. To do this, a Memorandum of Understanding has been chosen as the legal method to accomplish the goals without costs to the County.

Respectfully submitted,

Benjamin J. Coopman, Jr.

Benjamin J. Coopman, Jr., P.E.
Public Works Director
Rock County Department of Public Works
Division of Highways – Issue Paper

ISSUE - Consider Driveway Modifications on Controlled Access Highway (CTH J) for SARA Investments, LLC.

DISCUSSION - SARA Investments is a project developer. They seek to build a medical services related building on property they control on the southeast corner CTH J (Wright St.) and STH 11 in the City of Janesville. The route is a controlled access highway and is managed by Rock County.

The developers seek to move an existing driveway into the parcel about one-hundred feet (100’) south, build road tapers to facilitate traffic flow and construct a driveway to facilitate opening the building later this year.

Moving the driveway better aligns it with a service drive into the Dean/St. Mary’s Medical Complex across the road. It will still be in conformance with the controlled ordinance as to frequency and spacing of drives. It will further be placed to facilitate future traffic improvements to CTH J, if they should become necessary. These could include islands, traffic signals or a roundabout.

A previous Traffic Impact Analysis (TIA) for the entire area assumed land uses generating higher vehicle turnover and traffic than are currently being proposed or contemplated. A revised TIA is underway.

Significant roadway improvements could be needed in an indeterminable timeframe. To preclude the County having to pay for these improvements resulting from these two developments, the County is requesting a Memorandum of Understanding (MOU) with the City to assure payment to the County for any possible improvements. The City will in turn execute Developer’s Agreements to assure all government agencies that these costs can be collected from the developers. This agreement would be mirrored after a previously approved MOU with the City for the Dean/St. Mary’s Project. The draft MOU is pending preparation by the City of Janesville. It is hoped that it will be received shortly.

RECOMMENDATION – Issue a temporary, revocable driveway modification permit for one year. If a satisfactory conclusion to the MOU is not reached in that time, the permit shall be cancelled. If there is use occurring of the temporary drive, the Permittee shall cease use and remove the entrance in its entirety.

Craig Reutson
County Administrator
Executive Summary

In early 2010, the Rock County Board of Supervisors approved construction of Phase I of the Rock County Jail Renovation Project. Included in the project was construction of a new booking room and sallyport, a new central control, installation of new security electronics and a new fire alarm system throughout the jail, renovation of the medical area, and other related items.

The significant changes to workflow, procedures, and security/mechanical systems in the jail as a result of the renovation project will require significant changes in the jail’s operation and training for all staff in the operation of new systems. In corrections, the term for this process is called transition.

Transition to the renovated Rock County Jail will require the development of operational scenarios on how a myriad of situations will be handled in the renovated facility, testing and revision of those scenarios, development of procedures and post orders based on those scenarios, preparation of a facility schedule and staffing plan to reflect the changes in the remodeled facility, and preparation and presentation of a training program for all jail staff to prepare them for use of new systems and implementation of new procedures that will impact operations when the renovated facility is completed.

The transition process requires a large amount of staff work to prepare. The Sheriff’s Office does not have the staff time available to dedicate to the transition process. Voorhis/Robertson Justice Services (VRJS), a correctional consulting service has a great deal of experience and expertise in providing transition services to other correctional facilities throughout the country. In addition, VRJS has provided preliminary transition services for Rock County during the schematic design phase of the Jail Renovation Project.

This resolution authorizes Rock County to enter into a contract with VRJS in an amount not to exceed $104,000 to provide necessary transition services for the remainder of the construction and occupancy phases of the renovation project.

EXECUTIVE SUMMARY

RESOLUTION AUTHORIZING SUBMISSION FOR THE 2010 COMMUNITY DEVELOPMENT BLOCK GRANT – SMALL CITIES PRELIMINARY APPLICATION

The Rock County Planning and Development Agency is currently preparing an application on behalf of Rock County for Community Development Block Grant housing funds, administered by the Wisconsin Department of Commerce - Bureau of Housing. This is part of Wisconsin’s annual Small Cities competitive grant competition for areas that are not CDBG-entitlement communities. About $7 million will be made available for this competition.

If successful, low and 0% interest loans will continue to be made available to low- to moderate, low income, and elderly-headed households to conduct needed housing rehabilitation work, including handicapped accessibility improvements. Loan funds can also be used to assist these households with purchasing a house.

Scoring for this competition will be based on 2000 U.S. Census data on housing and socio-economic conditions. Funding will be split equally between 5 regions. Rock County is in the Southeast region, which includes about 20 counties from south and east Wisconsin. Rock County staff will be working to determine those Rock County towns, villages, and / or small cities that, according to the scoring criteria, are in most need of obtaining this funding. Staff will be seeking letters of interest and support from those municipalities to include in the application.

Additionally, the County is working with property owners, financial institutions, and community development groups to obtain additional commitments for Countywide housing rehabilitation efforts.

The application will request $650,000. A total of $567,500 will be used for program activities, and $82,500 will be used for administration.

If the preliminary application is successful, Rock County will be notified about June 15, 2010 to submit a final application. The final application will be submitted by August 31, 2010. If successful, the contract period for the application will be from October 1, 2010 - July 1, 2012.

Executive Summary

The Sheriff’s Office 1977 Chevrolet step van has become a constant source of maintenance. The step van is used by the dive/rescue team when responding to water related emergencies. The 1977 van only has legal seating for one. For most call outs four or more members of the dive team are riding in the van. A more reliable mode of transportation is needed.

Bids were solicited, and one dealer responded. Lynch Truck Center of Waterford, WI responded with a bid of $15,800 for a used 2006 Ford E450 step van. The Sheriff’s Office and the Purchasing staff have reviewed the bid and recommend purchasing the step van from Lynch Truck Center.

The additional costs of painting and outfitting the van are estimated at $9,200.

AGENDA NO. 12.G.(1)

AUTHORIZING THE AGING AND DISABILITY
RESOURCE CENTER (ADRC) STEERING COMMITTEE

WHEREAS, the State of Wisconsin is replacing the Medical Assistance Waiver Program, run by
counties for their elderly and disabled residents, with a new model known as Family Care; and,

WHEREAS, to date, 63 Wisconsin Counties have made that transition and the State has scheduled Rock
County to convert to Family Care mid-year of 2011; and,

WHEREAS, under Family Care, Rock County would no longer run case management services for the
elderly and disabled which is presently done under contract through the DD Board and directly by County
employees in the Long Term Support Division of the Human Services Department and,

WHEREAS, under Family Care, a Care Management Organization (CMO) would contract with the State
of Wisconsin to perform case management and pay for third party provider services to the elderly and
disabled clients presently served by Rock County under the waiver programs, as well as those currently on
our waiting lists for services; and,

WHEREAS, under Family Care, Rock County would have the option of retaining the responsibility as
the point of entry for services through what is known as an Aging and Disabilities Resource Center
(ADRC); and,

WHEREAS, under Family Care the State of Wisconsin would contract with Rock County to operate the
ADRC should it wish to provide that service to its citizens; and,

WHEREAS, the Rock County Board of Supervisors believes its citizens are best served by this option
and wishes to create a steering committee to examine the steps needed to implement an ADRC in 2011
and to provide input and advise the County regarding the ADRC plan

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled
this ______ day of __________ , 2010 hereby authorizes an Aging and Disability Resource Center
(ADRC) Steering Committee to provide input and advise the County regarding the ADRC
implementation plan and application to the State of Wisconsin

BE IT FURTHER RESOLVED that the County Board Chair be authorized to appoint an ADRC
Steering Committee comprised of 14 individuals representing the consumers of aging and disability
(physical and developmental) services, local advocates for aging and disability services, departments
currently delivering those services, public employees serving those populations and not more than three
elected or appointed officials who are serving on committees or boards that deliver services to the aged
and or disabled

BE IT FINALLY RESOLVED that the ADRC Steering Committee make its recommendations to the
Rock County Board of Supervisors regarding the ADRC implementation plan and application no later
than January 31, 2011, after which time the Committee would be dissolved

Executive Summary

This resolution creates an Ad Hoc Steering Committee to provide input and advise Rock County on its plan to implement an Aging and Disabilities Resources Center (ADRC). The ideal outcome is to utilize the differing areas of expertise and viewpoints of Committee Members to come up with an inclusive plan that best serves the client population in Rock County. That client population is the elderly, physically disabled, and developmentally disabled.

Steering Committee meetings provide the forum for public input, discussion and information regarding Rock County’s plans for operating an ADRC. Ideally, the Committee will make its recommendations to the County Board in January 2011 with respect to an implementation plan for the ADRC. The plan is the basis for an application the County would make to the State for a contract to operate the ADRC. Successful application will result in the County holding a franchise to operate the “ADRC of Rock County” on behalf of the State of Wisconsin. Anticipated start-up would be mid-year of 2011.

It is also important to point out what roles are outside the Committee’s duties. The State of Wisconsin is in the latter stages of its transition from operating MA waiver programs to a new model of MA service delivery under Family Care. Thus, State officials have informed the County that Family Care is coming here whether the County decides to participate or not. Rock County can opt to operate an ADRC or decline to do so in which case the State will contract with another entity to operate the ADRC. Furthermore, the State will issue an RFP for an entity to serve as the Managed Care Organization (MCO) for Rock County residents. The MCO will serve as the fiscal agent and case management entity for the elderly, physically disabled and developmentally disabled that are “enrolled” in Family Care. That contract for services will be between the State and the MCO.

Application for Transportation Generating Economic Recovery (TIGER II) Discretionary Grant for Freight Rail Improvements in Rock County

WHEREAS, Congress recently authorized $600 million of ARRA funding under a grant program known as TIGER II; and,

WHEREAS, the eligible projects must have a significant impact on the region and create jobs; and,

WHEREAS, local units of government, such as Rock County, may pre-apply for TIGER II Grant funding for projects such as the “publicly owned” railroad infrastructure that include the rail lines operated by Wisconsin & Southern Railroad Company; and,

WHEREAS, Wisconsin & Southern Railroad Company has approximately 33.2 miles of freight rail line in need of significant rehabilitation in Rock County that would qualify for funding under the grant program; and,

WHEREAS, Wisconsin & Southern Railroad Company requests Rock County assistance in pursuing TIGER II grant funds; and,

WHEREAS, the first step is for Rock County to submit a pre-application on behalf of Wisconsin & Southern Railroad Company that is due no later than July 26, 2010; and,

WHEREAS, should the United States DOT find merit in the pre-application, it will notify Rock County to submit a formal application that is due by August 23, 2010.

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors duly assembled this ____ day of __________, 2010, does hereby approve and authorize the submission of a TIGER II Discretionary Grant pre-application and, if successful, the submission of a TIGER II Discretionary Grant application.

Respectfully submitted,

EXECUTIVE SUMMARY

Transportation Investment Generating Economic Recovery (TIGER) Discretionary Grant Program is funded by the American Recovery and Reinvestment Act (ARRA). A second round of TIGER funding was recently authorized by Congress - $600 million in funds for this fiscal year.

These competitive grants can be used to fund capital investment in transportation infrastructure projects. The projects must have a significant impact on the nation, a region, or a metropolitan area – and must create jobs. Sixty percent of the funding will go to economically distressed areas.

TIGER grants tackle the kind of major transportation projects that have been difficult to build under other funding programs. US DOT will give priority to projects that are expected to quickly create and preserve jobs and stimulate rapid increases in economic activity – the kinds of projects that will help spur economic growth, reduce gridlock, provide safe, affordable and environmentally sustainable transportation choices and create jobs.

Primary selection criteria include contributing to the long-term economic competitiveness, improving the condition of existing transportation facilities and systems, improving energy efficiency and reducing greenhouse gas emissions, improving the safety of U.S. transportation facilities and improving the quality of living and working environments of communities through increased transportation choices and connections.

The Wisconsin and Southern Railroad (WSOR) has packaged a multi-million dollar shovel-ready proposal that will create 200 local jobs over the next three years.

The physical presence of rails in Rock County, from the Janesville Yard to the Beloit Spur, represents future jobs. However, WSOR is running on track that is in need of being upgraded.

ACCEPTANCE OF ROCK COUNTY
2010-2011 SNOWMOBILE DNR GRANT S-3915

1. WHEREAS, the Rock County Board of Supervisors Resolution #81-6A-038, on the 11th day of June, 1981, adopted the Rock County Snowmobile Plan; and,

2. WHEREAS, the Rock County Preliminary Application for 100% funding was approved by the Wisconsin Department of Natural Resources in the total amount of $56,600 to provide 226.4 miles of Rock County Trails; and,

3. WHEREAS, upon completion by signature of Recreation Aids Grant Agreements, Rock County will qualify for 100% funding for acquisition of trail easements, bridge development, insurance and maintenance of the trail, payable as follows: 50% in advance and 50% upon inspection and approval for development; and,

4. WHEREAS, the Rock County Snowmobile trail provides a needed winter recreational facility in Rock County.

5. NOW, THEREFORE, BE IT RESOLVED, that the Rock County Board of Supervisors duly assembled this ______ day of ______, 2010, hereby accepts the 2010-2011 Rock County Snowmobile Grant

6. BE IT FURTHER RESOLVED, that the County Board Chair and the County Clerk are hereby authorized and directed to sign the grant agreements and that these documents be submitted to the Wisconsin Department of Natural Resources

7. BE IT FURTHER RESOLVED, that the Parks Director be named the Snowmobile Trail Coordinator and act as authorized official to file all necessary documents for administration and reimbursement of this program, with the Rock County Alliance of Snowmobile Clubs named as subcontractor to carry out the work of the program (signing, grooming, and general trail maintenance). The Rock County Alliance of Snowmobile Clubs is a 501(c)(3) federal charitable organization. They are in partnership with Rock County to carry out this recreational program in Rock County

EXECUTIVE SUMMARY
FOR
ACCEPTANCE OF 2010-2011 ROCK COUNTY SNOWMOBILE FUNDING
DNR GRANT S-3915

This resolution provides final authorization to accept funding for the winter 2010-2011 Rock County Snowmobile Trail Program.

Our preapplication has been reviewed and the grant we are accepting is:

S-3915  Trail Maintenance 226.4 miles @ $250    $56,600

Lease Acquisition (now part of Maintenance @ $250/mile) $0

Insurance (none) $0

Grant Total $56,600

The Rock County Public Works Committee and the Parks Advisory Committee will subcontract this work to the Rock County Alliance of Snowmobile Clubs that will provide most of the actual labor and machinery to do this work. The Rock County Alliance of Snowmobile Clubs is a partner with Rock County to bring this recreational opportunity to the citizens of Rock County. This group is a federal 501(3)(c) tax exempt and state of Wisconsin Chapter 181 charitable not for profit organization. Rock County’s costs charged to the main grant are only for a small amount of time spent on clerical and bookkeeping work plus the time spent by the Parks Director to administer and inspect the work of this program. Any fieldwork (includes labor, materials, and machinery) by DPW Parks Division or Highway Division is 100% billed.

These funds are 100% provided by the payments snowmobilers have made through license and prorated fuel tax payments. Rock County receives a 50% advance payment check after the completed contract is signed, the balance due upon final close out of the grant.

Respectfully submitted,

Lori Williams
Snowmobile Coordinator/Parks Director

-- EXECUTIVE SUMMARY --

AUTHORIZING APPLICATION WITH WISCONSIN DEPARTMENT OF NATURAL RESOURCES FOR COUNTY FISH AND GAME PROJECT GRANT FUNDS

Each Wisconsin County is allocated a certain amount of money annually to fund small projects on a 50/50 match basis. Rock County may apply for a maximum of $1,927 in 2011. Parks plans to access this funding source to help pay for invasive species control at Carver-Roehl Park. Though this funding source requires a 50% match by the County, all time and materials supplied by the Parks and Highway Divisions, as well as other community resources, may be used as in-kind match. The Friends of Carver- Roehl and local volunteers have expressed strong interest in assisting with this project.

The species to be controlled using this grant is garlic mustard. This area has been addressed by volunteers the past three spring seasons with substantial success.

This resolution and language contained within has changed by request of the DNR to enable a one-time application resolution to be sufficient for future year application processes.

Respectfully submitted,

[Signature]

EXECUTIVE SUMMARY

This resolution authorizes the Rock County Land Conservation Committee to submit an application to the Wisconsin Department of Agriculture, Trade, and Consumer Protection for the sponsorship of the Clean Sweep Program in 2011. The Land Conservation Committee sponsored the last Clean Sweep Program in 2010.

The Clean Sweep Program provides landowners, small businesses, and units of government an opportunity to dispose of chemicals in a safe manner. Only chemicals banned from disposal in the landfill system will be collected through this program. Also, this program allows businesses that are considered Very Small Quantity Generators to pay for the services and dispose of chemicals used in their businesses. All units of government, from schools to cities, will have this option made available to them.

The applications for the 2011 program year will be released in mid-August 2010 and are due back to DATCP by mid-September 2010. The actual dates for release and return have not been set by DATCP as of the writing of this resolution.

This program has a grant limit equal to 75% of the costs of the proposed project. The County may match the 25% requirement with cash and/or services provided by Staff for the activities associated with this event. Rock County will develop a grant application for the maximum grant allowed. A majority of these expenses will be incurred through in-kind services provided by the Land Conservation Department, Highway Department, and UWEX.
