EXECUTIVE SUMMARY

This resolution amends the 2013 Developmental Disabilities Board budget to accept a total of $40,000 in additional revenues from returned surplus funds by Catholic Charities Community Connections in 2012. Catholic Charities had a surplus of funds paid by the Developmental Disabilities Board in 2012. Catholic Charities returned the excess funds in the amount of $109,143 along with their agency audit at the end of June 2013. Because the surplus was received after Rock County’s close of CY 2012, the additional funds were deposited in revenue account 33-3310-0000-46900 (Refund of Prior Year’s Expense). The Developmental Disabilities Board would like to use $40,000 of the $109,143 CY 2012 surplus to fund a budgetary shortfall in the therapy component of the Rock County Birth to Three Program for 2013. A request for additional funding by Rehab Resources, who provides the therapy component for the Rock County Birth to Three Program, was made to the Developmental Disabilities Board members. The request for additional funding is due to an increase in the number of children requiring therapy and multiple therapy services. The Developmental Disabilities Board Director recommends that the Developmental Disabilities Board approve adding $40,000 to Rehab Resources budget for CY2013 using the surplus from CY 2012 without creating a deficit in the overall budget for the Developmental Disabilities Board department.

No county funds are required.

Executive Summary
Awarding Contract for Phase II - Courthouse Parking Structure Repairs

As stated in the resolution, Phase I repairs were completed in 2011, and included caulking of joints between the double tee's, and re-welding of failed connecting flange plate that stabilize the ramp. Phase II will involve caulking along the poured-in-place concrete, additional flange plate welding, concrete repair/replacement, and sealing of the deck surface.

As with Phase I, the need for additional work is expected as exact conditions are uncovered. Bidders provided unit pricing that will be used to calculate the cost of additional work. The project will be completed this fall when deck temperatures are cooler.

The need for maintenance and repair is not unusual for parking structures. Typically, after 15 years, the first major repair efforts occur. Winters are particularly hard with the freeze thaw cycles, and the heavy use of salt. Similar to a bridge deck, the rebar in a parking structure deteriorates as salt penetrates the concrete. The need for maintenance will accelerate with time. Keeping up with it will help extend the life of the structure before it has to be replaced.

Resolution Approving Intergovernmental Agreement with the City of Janesville for the HUD Lead Hazard Control and Healthy Homes Grant Program Management Services

Executive Summary

Rock County has received a $2.5 million grant from the U.S. Department of Housing & Urban Development (HUD) Lead Hazard Control and Healthy Homes Program. Due to other workload demands of the Housing Division, it is advantageous to contract the grant program management services to the City of Janesville's Neighborhood Services Department.

The HUD grant covers the following entities:
- City of Beloit
- City of Janesville
- Rock County Health Department and
- Rock County Planning Agency.

The City of Janesville would provide grant management services in accordance with HUD regulations including
- compiling financial and monitoring information
- conducting required marketing and public education activities and
- preparing appropriate reports for the Planning & Development Agency to submit to HUD.

HUD requires a minimum 0.75 FTE position during the three year period to administer the grant.

The Intergovernmental Agreement covers the period August 1, 2013 – July 31, 2016 in the amount of $160,288 in compensation costs and additional funds for eligible grant support costs.

Approving Execution of Intergovernmental Agreement Between the Rock-Koshkonong Lake District and Rock County, Wisconsin for Indianford Dam Maintenance Project

Executive Summary

The Rock-Koshkonong Lake District is conducting an inspection of the Indianford Dam in conformance with a requirement from DNR that the dam be inspected in calendar year 2013. The best time to conduct that inspection is during low-water conditions, from now until the end of October. Related to the inspection, the District would like to clean debris and sediment from the trash racks and the riverbed immediately upstream of the trash racks, in preparation for installation of an automated trash rack cleaning system. Cleaning the trash racks has been a continuing maintenance issue at the powerhouse, and installation of an automated debris clearing system will be helpful. The Lake District will have written permission from DNR (contact Rob Davis) for conducting sediment and debris removal operation.

The Rock-Koshkonong Lake District and Contractor would like to coordinate with Rock County Parks to obtain the appropriate approval for a public access restriction and construction staging access that will be needed for the project. One way to do this could be through an "intergovernmental agreement" where Rock County could grant the Lake District temporary access. This approach was for a similar temporary construction staging purpose on a project in Jefferson County. After consultation with Corporation Counsel, this is their preferred approach as well.

The attached figure shows the extent of the access area that the Rock-Koshkonong Lake District would like to obtain from Rock County Parks for conducting this work. The purpose of the access restriction will be to provide a staging area for the construction contractor, and also for public safety, in keeping folks away from the debris and sediment clearing operation.

The expected time frame of this project and for the need for the access restriction is from September 15 until October 15, 2013.
INTERGOVERNMENTAL AGREEMENT BETWEEN
THE ROCK-KOSHKONONG LAKE DISTRICT AND
ROCK COUNTY, WISCONSIN

This Agreement is made and entered into as of the ___ day of September, 2013, by and between the County of Rock, Wisconsin (the “County”) and the Rock-Koshkonong Lake District, a Wisconsin municipal corporation (the “District”) to establish the terms and conditions for the District’s temporary use of County-owned property as a construction staging area for a lakeshore dredging and restoration project.

WHEREAS, the District is undertaking a project approved by the Wisconsin Department of Natural Resources and the Army Corps of Engineers involving the construction of a cofferdam immediately upstream of the Indianford Dam powerhouse. Activities in the proposed staging area include temporary storage of construction materials and placement of excavation equipment. Additionally, a fence to isolate the staging area from pedestrians will be provided by the contractor.

WHEREAS, the District and its contractors desire to make temporary use of Rock County land located immediately west of the Dam as shown in Exhibit A attached hereto comprising 0.16 acres more or less.

WHEREAS, the County agrees to license the use of the Property as required for the Project under the terms and conditions set forth herein;

NOW, THEREFORE, having determined it to be in the public interest and under the authority of Section 66.0301 of the Wisconsin Statutes, the County and the District agree as follows:

1. **License for Temporary Construction Use.** The District and its contractors are hereby granted a license to occupy and use the Property for storage of vehicles and equipment and construction staging in connection with the Project.

2. **License Conditions.**

   a. The extent of the area to be used for the Project is as delineated on the attached Exhibit A as “Proposed Temporary Construction Staging Area.” Ingress and egress to the staging area shall be via a gated entrance at the existing CTH M driveway. Public access to the remainder of Indianford County Park shall be via an existing access from West Riverside Drive.

   b. The District or its contractors shall post signs to delineate the Staging Area, install fencing, provide locked storage and take all other appropriate safety and security measures in connection with the Project. The District and its contractors shall comply with the Wisconsin DNR Construction Site Best Management Practices Handbook for the prevention of spills and containment of runoff.

   c. The District shall provide the County with advance written notice of the date, time and place of the Project preconstruction meeting.
d. The District shall restore at its expense any damage to the Staging Area upon completion of construction. Subsequent to Project completion, the District will inspect the Staging Area and develop a proposed restoration plan for review by the County. District and County representatives will jointly confirm the extent of any repairs that may be necessary.

e. The District shall require its contractors to keep the public roads reasonably clean from silt or mud, and to that end, shall provide the County the name and contact information for the contractor’s employee(s) responsible to clean the road promptly upon receipt of notice of complaints.

f. The District shall indemnify, hold harmless and defend the County, its elected officials and employees from and against any and all liability, loss, claims, damages, costs or expenses of any kind (including reasonable attorney fees) to the extent arising in any way out of the District or its contractors’ use of the Property under this License. This indemnification obligation shall survive the expiration of the License period.

g. This License shall become effective only upon approval by the Rock County Board of Supervisors.

3. Expiration. This License shall expire upon the earlier of November 1, 2013 or the completion of the Project.

4. No Third-Party Beneficiary. This Agreement is solely between the County and the District. No other person or entity is intended to be a third party beneficiary or have any rights under this Agreement.

5. Authority. The signatories hereto represent that they have full authority to execute this Agreement on behalf of the County of Rock and the Board of Commissioners of the Rock Koshkonong Lake District, respectively.

IN WITNESS WHEREOF the parties have, by their authorized officers, set their hands as of the day and year first above written.

Amending Chapter Three of Ordinances
Speed Zones on CTH A

Currently, there is a 30 MPH speed zone on CTH A from approximately 0.35 mile west of its intersection with CTH M and approximately 0.55 mile east of its intersection with CTH M, in the Town of Johnstown. There has been discussion with the Town to determine if the current speed zone was accurate with the needs of the community.

After performing analysis of the roadway, it was determined to change the beginning and ending locations of the current 30 MPH speed zone. After going out to the field and measuring the access point locations, it was determined to move the current speed zone to 0.50 mile west of its intersection with CTH M and approximately 0.40 mi east of its intersection with CTH M. the overall length of the speed zone remains unchanged.

Another proposal is to increase the speed limit of the speed zone to 35 MPH. The current state statute for a “semiurban district”, as defined by 346.57 (b), states that a maximum speed limit for a semiurban district is 35 MPH.

Each Wisconsin County is allocated a certain amount of money annually to fund small projects on a 50/50 match basis. Rock County has been allotted $1,927 in 2014, but additional funds may be available and will be distributed on a first come, first serve basis. Rock County Parks plans to apply for an additional $1,073, for a total grant of $3,000.

Parks plans to access this funding source to help pay for invasive species control at Carver-Roehl Park. Though this funding source requires a 50% match by the County, all time and materials supplied by the Parks and Highway Divisions, as well as other community resources may be used as in-kind match. The Friends of Carver-Roehl Park and the Sheriff Department’s Workender Program (people who owe community service) have assisted with this project in the past and have expressed a strong interest in continuing the effort.

The main species to be targeted using this grant is garlic mustard. For the past two years, the contractor hired has also treated dame’s rocket, and last year they discovered and treated a few Japanese barberry plants.

For the past few years, we have used these funds for garlic mustard control in Carver-Roehl Park, and we’re starting to achieve a noticeable reduction of the invasive species. However, we still have a long way to go in eradicating this invasive in Carver-Roehl, so it is imperative that we continue these control efforts at Carver-Roehl, especially now that it is a State Natural Area.

RESOLUTION AUTHORIZING THE ISSUANCE AND AWARDING THE SALE OF $6,040,000 GENERAL OBLIGATION PROMISSORY NOTES; PROVIDING THE FORM OF THE NOTES; AND LEVYING A TAX IN CONNECTION THEREWITH

WHEREAS, on December 15, 2011 and January 10, 2013, the County Board of Rock County, Wisconsin (the “County”) adopted Initial Resolutions authorizing the issuance of general obligation bonds or notes in an amount not to exceed $2,410,000 and $3,630,000 respectively for the purpose of paying the cost of highway road construction projects (the “Project”);

WHEREAS, the County deems the Project to be within its powers to undertake and therefore to be a public purpose as defined in Section 67.04(2) of the Wisconsin Statutes;

WHEREAS, the County Board hereby finds and determines that it is necessary, desirable and in the best interests of the County to raise funds for the purpose of paying the costs of the Project;

WHEREAS, counties are authorized by the provisions of Section 67.12(12) of the Wisconsin Statutes to borrow money and to issue general obligation promissory notes for such public purposes.

NOW, THEREFORE, BE IT RESOLVED by the County Board of the County that:

Section 1. Authorization of the Notes. For the purpose of paying the costs of the Project as set forth above there shall be borrowed pursuant to Chapter 67 of the Wisconsin Statutes, the principal sum of SIX MILLION FORTY THOUSAND DOLLARS ($6,040,000) from Stern Brothers & Co., Kansas City, Missouri (the “Purchaser”), in accordance with the terms and conditions of its purchase proposal (the “Proposal”) attached hereto as Exhibit A and incorporated herein by this reference.

Section 2. Sale of the Notes. To evidence such indebtedness, the County Board Chairperson and County Clerk are hereby authorized, empowered and directed to make, execute, issue and sell to the Purchaser for and on behalf of and in the name of the County, general obligation promissory notes aggregating the principal amount of SIX MILLION FORTY THOUSAND DOLLARS ($6,040,000) (the “Notes”), for the sum of ________________ DOLLARS ($__________), plus accrued interest to the date of delivery.

Section 3. Terms of the Notes. The Notes shall be designated “General Obligation Promissory Notes”; shall be dated September 26, 2013; shall be in the denomination of $5,000 or any integral multiple thereof; shall bear interest at the rates per annum and mature on September 1 of each year, in the years and principal amounts as set forth in the Pricing Summary attached hereto as Exhibit C and incorporated herein by this reference. Interest is payable semi-annually on March 1 and September 1 of each year commencing March 1, 2014. The schedule of principal and interest payments due on the Notes is set forth on the Debt Service Schedule attached hereto as Exhibit D and incorporated herein by this reference (the “Schedule”).
Section 4. Designation of Purchaser as Agent. The County hereby designates the Purchaser as its agent for purposes of distributing the Final Official Statement relating to the Notes to any participating underwriter in compliance with Rule 15c2-12 of the Securities and Exchange Commission.

Section 5. Redemption Provisions. At the option of the County, the Notes maturing on September 1, 2022 and thereafter are subject to redemption prior to maturity on September 1, 2021 or on any date thereafter. Said Notes are redeemable as a whole or in part from maturities selected by the County and within each maturity by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

Section 6. Form of the Notes. The Notes shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit B and incorporated herein by this reference.

Section 7. Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Notes as the same becomes due, the full faith, credit and resources of the County are hereby irrevocably pledged and a direct annual irrepealable tax is hereby levied upon all taxable property of the County. Said direct annual irrepealable tax shall be levied in the years 2013 through 2022 for payments due in 2014 through 2023 in the amounts as set forth on the Schedule.

The aforesaid direct annual irrepealable tax hereby levied shall be collected in addition to all other taxes and in the same manner and at the same time as other taxes of the County levied in said years are collected. So long as any part of the principal of or interest on the Notes remains unpaid, the tax herein above levied shall be and continues irrepealable except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus in the Debt Service Fund Account created herein.

Section 8. Debt Service Fund Account. There is hereby established in the County treasury a fund account separate and distinct from every other County fund or account designated “Debt Service Fund Account for $6,040,000 General Obligation Promissory Notes, dated September 26, 2013.” There shall be deposited in said fund account any premium plus accrued interest paid on the Notes at the time of delivery to the Purchaser, all money raised by taxation pursuant to Section 7 hereof and all other sums as may be necessary to pay interest on the Notes when the same shall become due and to retire the Notes at their respective maturity dates. Said fund account shall be used for the sole purpose of paying the principal of and interest on the Notes and shall be maintained for such purpose until such indebtedness is fully paid or otherwise extinguished.

Section 9. Segregated Borrowed Money Fund. The proceeds of the Notes (the “Note Proceeds”) (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into an account separate and distinct from all other funds and be disbursed solely for the purposes for which borrowed or for the payment for the principal of and the interest on the Notes.

Section 10. Arbitrage Covenant. The County shall not take any action with respect to the Note Proceeds which, if such action had been reasonably expected to have been taken, or
had been deliberately and intentionally taken on the date of the delivery of and payment for the Notes (the “Closing”), would cause the Notes to be “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”) and any income tax regulations promulgated thereuuder (the “Regulations”).

The Note Proceeds may be temporarily invested in legal investments until needed, provided however, that the County hereby covenants and agrees that so long as the Notes remain outstanding, moneys on deposit in any fund or account created or maintained in connection with the Notes, whether such moneys were derived from the Note Proceeds or from any other source, will not be used or invested in a manner which would cause the Notes to be “arbitrage bonds” within the meaning of the Code or Regulations.

The County Clerk, or other officer of the County charged with responsibility for issuing the Notes, shall provide an appropriate certificate of the County, for inclusion in the transcript of proceedings, setting forth the reasonable expectations of the County regarding the amount and use of the Note Proceeds and the facts and estimates on which such expectations are based, all as of the Closing.

Section 11. Additional Tax Covenants: Exemption from Rebate; Qualified Tax-Exempt Obligation Status. The County hereby further covenants and agrees that it will take all necessary steps and perform all obligations required by the Code and Regulations (whether prior to or subsequent to the issuance of the Notes) to assure that the Notes are obligations described in Section 103(a) of the Code, the interest on which is excluded from gross income for federal income tax purposes, throughout their term. The County Clerk or other officer of the County charged with the responsibility of issuing the Notes, shall provide an appropriate certificate of the County as of the Closing, for inclusion in the transcript of proceedings, certifying that it can and covenanting that it will comply with the provisions of the Code and Regulations.

Further, it is the intent of the County to take all reasonable and lawful actions to comply with any new tax laws enacted so that the Notes will continue to be obligations described in Section 103(a) of the Code, the interest on which is excluded from gross income for federal income tax purposes.

The County anticipates that the Notes will qualify for the construction expenditure exemption from the rebate requirements of the Code. The County Clerk or other officer of the County charged with the responsibility of issuing the Notes, shall provide an appropriate certificate of the County as of the Closing, for inclusion in the transcript of proceedings, with respect to said exemption from the rebate requirements, and said County Clerk or other officer is hereby authorized to make any election on behalf of the County in order to comply with the rebate requirements of the Code. If, for any reason, the County did not qualify for any exemption from the rebate requirements of the Code, the County covenants that it would take all necessary steps to comply with such requirements.

The County hereby designates the Notes to be “qualified tax-exempt obligations” pursuant to the provisions of Section 265(b)(3) of the Code and in support of such designation, the County Clerk or other officer of the County charged with the responsibility for issuing the Notes, shall provide an appropriate certificate of the County, all as of the Closing.
Section 12. Persons Treated as Owners; Transfer of Notes. The County Clerk shall keep books for the registration and for the transfer of the Notes. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the County Clerk, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the County Clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the County Clerk shall record the name of each transferee in the registration book. No registration shall be made to bearer. The County Clerk shall cancel any Note surrendered for transfer.

The County shall cooperate in any such transfer, and the County Board Chairperson and County Clerk are authorized to execute any new Note or Notes necessary to effect any such transfer.

The 15th day of each calendar month next preceding each interest payment date shall be the record date for the Notes. Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the County maintained by the County Clerk at the close of business on the corresponding record date.

Section 13. Utilization of The Depository Trust Company Book-Entry-Only-System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York (“DTC”), the County has heretofore agreed to the applicable provisions set forth in the DTC Blanket Issuer Letter of Representation and the Finance Director has executed such Letter of Representation and delivered it to the DTC on behalf of the County.

Section 14. Official Statement. The County Board hereby approves the Preliminary Official Statement with respect to the Notes and deems the Preliminary Official Statement as “final” as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the “Rule”). All actions taken by officers of the County in connection with the preparation of such Preliminary Official Statement and any addenda to it or Final Official Statement are hereby ratified and approved. In connection with Closing, the appropriate County official shall certify the Preliminary Official Statement and any addenda or Final Official Statement. The appropriate County official shall cause copies of the Preliminary Official Statement and any addenda or Final Official Statement to be distributed to the Purchaser.

Section 15. Execution of the Notes. The Notes shall be issued in typewritten form, one Note for each maturity, executed on behalf of the County by the manual or facsimile signatures of the County Board Chairperson and County Clerk (except that one of the foregoing signatures shall be manual), sealed with its official or corporate seal, if any, and delivered to the Purchaser upon payment to the County of the purchase price thereof, plus accrued interest to the date of delivery. In the event that either of the officers whose signatures appear on the Notes
shall cease to be such officers before the delivery of the Notes, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until such delivery. The aforesaid officers are hereby authorized to do all acts and execute and deliver all documents as may be necessary and convenient to effectuate the Closing.

Section 16. Payment of the Notes. The principal of and interest on the Notes shall be paid by the County Treasurer or his or her agent in lawful money of the United States.

Section 17. Continuing Disclosure. The County hereby covenants and agrees that it will comply with and carry out all of the provisions of its Continuing Disclosure Certificate, which the County will execute and deliver on the Closing Date. Any Noteholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the County to comply with its obligations under this Section.

Section 18. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the County or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Adopted this 12th day of September, 2013.

For the prompt payment of this Note together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the County are hereby irrevocably pledged.

This Note is one of an issue of Notes aggregating the principal amount of $6,040,000, all of which are of like tenor, except as to denomination, interest rate, maturity date and redemption provision, issued by the County pursuant to the provisions of Chapter 67, Wisconsin Statutes, for the purpose of paying a portion of the costs of highway road construction projects, all as authorized by a resolution of the County Board duly adopted by said governing body at a meeting held on September 12, 2013. Said resolution is recorded in the official minutes of the County Board for said date.
At the option of the County, the Notes maturing on September 1, 2022 and thereafter are subject to redemption prior to maturity on September 1, 2021 or on any date thereafter. Upon such deposit of funds for redemption the Notes shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Note have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the County, including this Note and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrepealable tax has been levied sufficient to pay this Note, together with the interest thereon, when and as payable. It is hereby further certified that the County has designated this Note to be a “qualified tax-exempt obligation” pursuant to the provisions of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

This Note is transferable only upon the books of the County kept for that purpose at the office of the County Clerk or Treasurer. In the event that the Depository does not continue to act as depository for the Notes, and the County Board appoints another depository, new fully registered Notes in the same aggregate principal amount shall be issued to the new depository upon surrender of the Notes to the County Clerk or Treasurer, in exchange therefor and upon the payment of a charge sufficient to reimburse the County for any tax, fee or other governmental charge required to be paid with respect to such registration. The County Clerk or Treasurer shall not be obliged to make any transfer of the Notes (i) after the Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Notes, or (iii) with respect to any particular Note, after such Note has been called for redemption. WHEREAS, in December 2011, the Wisconsin Office of Justice Assistance, in collaboration with the State Department of Corrections and the State Department of Health Services, released a report on the effectiveness of this program from the period 2007-2010 and found that it was very effective in reducing the number of incarceration days spent in the State’s jails and prisons, in significantly reducing recidivism, and in producing an average cost benefit of $1.93 for every $1.00 invested; and

2013 Conference Resolution 34
Offered for consideration this 22nd Day of September, 2013 by
Eau Claire County
Relating to
Supporting Efforts to Maintain the Tax Exempt Status of Municipal Bonds

WHEREAS, the tax exempt status of municipal bonds is nearly a century old and is vital to funding local infrastructure and economic development; and

WHEREAS, any move to change the current tax treatment of local government bonds would lead to higher borrowing costs for local governments; and

WHEREAS, without tax exempt financing, much needed infrastructure improvements would likely be delayed; and

WHEREAS, tax exempt bonds are a critical tool for Wisconsin counties that facilitates the budgeting and financing of long-term investments in the infrastructure and facilities necessary to meet public demand for government services; and

WHEREAS, at a time when infrastructure demands are great, increasing the cost of local government borrowing could have serious impacts on the national, state and local economies; and

WHEREAS, without the tax exemption, the effectiveness of the bond market would be significantly dampened, creating higher borrowing costs for county governments, less investment in infrastructure, and fewer jobs.

NOW, THEREFORE, BE IT RESOLVED that the Wisconsin Counties Association, in conference assembled, does hereby support maintaining the current tax-exempt status of municipal bonds.
