ROCK COUNTY BOARD OF SUPERVISORS

WHEREAS, Rock County has been identified as a county with significant health concerns; and,

WHEREAS, Rock County Health Department is a member of the Transform Rock County Coalition, an organization whose goal is to improve the health of Rock County citizens; and,

WHEREAS, Rock County Health Department has been identified by the Transform Rock County Coalition as the lead agency in transforming the health of Rock County citizens; and,

WHEREAS, Rock County Health Department applied for and was awarded a grant from the Transform Wisconsin Program in the amount of $450,000 to implement activities that address preventing exposure to second hand smoke, improving school nutrition, and increasing physical activity in communities.

NOW, THEREFORE BE IT RESOLVED, that the Rock County Board of Supervisors duly assembled on this _______ day of __________, 2012 does hereby authorize the Rock County Health Department to accept this Rock County Community Transformation Grant, and amend the 2012 Rock County Health Department Budget as follows:

Craig Knatch
County Administrator
Accepting Rock County Community Transformation Grant and Amending the 2012 Rock County Health Department Budget

EXECUTIVE SUMMARY

Rock County Health Department is a member of the ‘Transform Rock County’ coalition. The coalition was eligible to apply for a Transform Wisconsin grant. Because the health department has recently completed a community health needs assessment, and because the health department has the professional and technical expertise to address opportunities for improving the health of our citizens, we applied for the grant on behalf of the coalition. Health Department staff will administer the grant and coalition partners will assist with programming, outreach, and education.

The three main focus areas of the grant are: 1) reducing exposure to secondhand smoke in multi-unit housing; 2) improving school nutrition for children; and 3) increasing the opportunities for physical activity in our communities.

The total amount of the grant is $450,000, and the grant period is 26 months. The first installment of the grant is for $160,000, which begins August 1, 2012 with the completion deadline of September 30, 2012.

In the 2-month period from August 1 through September 30, 2012, the health department will be subcontracting with State of Health of Wisconsin (SHOW) and another professional survey organization to conduct comprehensive surveys of the health of Rock County citizens. These surveys will provide additional information in which to assist us in focusing grant activities. Expenses incurred by the health department during this time will be reimbursed by the grant (staff time, equipment, supplies, mileage, etc.).

A full-time project manager will be hired September 1st to implement the remaining 24 months of the grant. Salary and benefits, all supplies, equipment, mileage, training, and miscellaneous expenses will be reimbursed by the grant. The grant allows for mini-grants or subcontracting to coalition members who will assist in meeting the goals of the grant. The health department will be reimbursed approximately 7% of the total grant for miscellaneous expenses related to the administration of the grant.
RESOLUTION NO. 12-8A-084
RESOLUTION
ROCK COUNTY BOARD OF SUPERVISORS

Amending the Sheriff's 2012 Budget to Use Equitably Shared Funds

WHEREAS, federal law authorizes the Attorney General to share federally forfeited property with participating state and local law enforcement agencies through the Department of Justice Asset Forfeiture Program; and,

WHEREAS, equitably shared funds are required to be used by law enforcement agencies for law enforcement purposes only; and,

WHEREAS, the intent of the transfer is to enhance law enforcement, and it must increase, not supplant the recipient's appropriated operating budget; and,

WHEREAS, for their participation in the program, and through the efforts of the Special Investigations Unit and the Detective Bureau, the Sheriff's Office received funds in the amount of $119,809; and,

WHEREAS, the Sheriff's Office plans to use the funds to purchase capital items and supply items listed in the executive summary.

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors duly assembled this ______ day of ___________, 2012, that the 2012 budget be amended as follows:

Executive Summary

Amending the Sheriff's 2012 Budget to Use Equitably Shared Funds

The Department of Justice Asset Forfeiture Program is a nationwide law enforcement initiative that removes the tools of crime from criminal organizations and deprives wrongdoers of the proceeds of their crimes. Federal law authorizes the Attorney General to share federally forfeited property with participating state and local law enforcement agencies.

Equitably shared funds are required to be used by law enforcement agencies for law enforcement purposes only. The intent of the transfer is to enhance law enforcement. It must increase, not supplant the recipient’s appropriated operating budget.

For their participation in the program, and through the efforts of the Special Investigations Unit (SIU) and the Detective Bureau, the Sheriff’s Office received funds in the amount of $119,809. The focus of the SIU is drug investigations. The SIU conducts investigations that involve heroin, powder and crack cocaine, marijuana, prescription medications, and indoor and outdoor marijuana grow operations. The unit also assists the Detective Bureau and Patrol Division in other types of criminal investigations including major burglary investigations.

The Sheriff’s Office plans to use $119,809 of equitably shared funds to purchase capital items and supply items to assist the patrol, detective, and SWAT units and the support services area.

- Wireless air card
- Desks, front office (5)
- Crime scene supplies
- Regional wall maps (4)
- Regulatory buoys
- Investigative expenses
- VeriPic digital media evidence storage system
- Vehicle for K9
- K9 and associated training
- Automatic license plate reader (ALPR)
- Cellbrite mobile data field forensic kit
- Multi-use shield technology (MUST) shield
- Point blank go shield (2)
- Sniper rifle, Remington 700 police pkg.

Total $119,809

- The wireless air card will allow the detective bureau to operate a second laptop in the field with GPS tracking capabilities.
- Five desks in the front office will be replaced.
- The crime scene supply budget will be increased. Crime scene supplies are used to secure, store, and process evidence.
- The wall maps depict a seven county region in detail. The maps will assist in overall operations.
- The regulatory buoys are slow, no wake buoys to be used by the recreation safety team.
- The investigative expenses budget will be increased. Investigative expenses include records checks, SANE examinations, undercover buys, informant fees, and accident reconstruction expenses.
- The VeriPic software is a digital media evidence storage system which stores photo, audio, and video evidence together with documents. Currently evidence is stored on CD and DVD.
- The K9 and K9 vehicle will add a second dog to patrol. Our current K9 will be three years old. The second K9 will provide flexibility and additional coverage.
- An automatic license plate reader is an image-processing technology used to identify suspects by matching license plate numbers to a database of registered vehicles known to be or suspected of being involved with crimes.
- The Cellbrite mobile data field forensic kit provides investigators with solutions for retrieving text messages, photos, video files, contacts, E-mail, call history, and GPS locations from mobile phones.
• The MUST shield will replace one of the SWAT team’s expired shields. The team’s current shields are over fifteen years old. One or more shields will be replaced annually.
• The point blank go shield is a light-weight, flexible, roll-up shield. It is used to quickly switch from crisis intervention to active shooter situations.
• The SWAT team currently has four trained snipers and three sniper rifles. The Remington 700 rifle will be used to outfit the fourth sniper.

The mission of the Rock County Sheriff’s Office is to enhance the quality of life in Rock County by working cooperatively with the public to enforce the law, preserve the peace, reduce the fear of crime, and provide for a safe environment.
WHEREAS, THE FINANCE COMMITTEE HAS EXAMINED THE FOLLOWING BILLS OVER $10,000 AS REQUIRED BY COUNTY BO. RULE H.(3), AND FOUND THEM TO BE PROPER AND WITHIN BUDGET.

NOW THEREFORE BE IT RESOLVED, THE ROCK COUNTY BOARD OF SUPERVISORS AT ITS REGULAR MEETING ON AUG 09 2012, APPROVES PAYMENT AND AUTHORIZES AND DIRECTS THE COUNTY CLERK AND COUNTY TREASURER TO PAY THE SAME.

EXECUTIVE SUMMARY

As we planned for the design of our new facility, we included a residential kitchen in each of the eight households and in the recreational therapy/social room. The residential kitchens will be equipped with a range, refrigerator/freezer and microwave. The recreational therapy kitchen also includes a residential dishwasher. In each neighborhood, two households share a pantry. A commercial quality dishwasher will be included in each of four pantries for use by dietary staff as they wash dishes after each meal.

Staff will use the recreational therapy kitchen for activity programming and employee events. Occupational therapy staff will use the kitchen for discharge planning with residents. Finally, families will be able to reserve the social room for family events while taking advantage of the residential kitchen.

EXECUTIVE SUMMARY

As we planned for the design of our new facility, we included a laundry area in each of the four neighborhoods. Each laundry will be equipped with two front load washers and dryers. Residents and/or families will use our laundry rooms for the residents' personal clothing. Rock Haven staff will also launder our mechanical lift slings and wheelchair cushion covers in these areas.

We chose front-load, high efficiency, large capacity washers and dryers on pedestals for ease of resident use.

FRONT-LOAD WASHER – WHIRLPOOL® MODEL #WFW94HEXL

- Capacity: 4.3 cubic feet
- Fan Fresh option
- 6th Sense Technology
- Care Control temperature management
- Energy Star® qualified
- Quick wash/rapid wash option
- Clean washer with Affresh™ (removes allergens-dust mites and pet dander)
- Dimensions: 38" high by 27" wide by 31 ½ deep
- Color: Lunar Silver

FRONT-LOAD ELECTRIC DRYER – WHIRLPOOL® MODEL #WED94HEXL

- Capacity: 7.4 cubic feet
- 6th Sense Technology
- Advanced Moisture Sensing system
- Quick Refresh steam cycle
- Wrinkle Shield Plus feature
- 8 automatic cycles
- 5 temperature settings
- Reversible side swing door
- Interior drum light – LED Auto/Selectable
- Dimensions: 36 high by 27 wide by 28 deep
- Color: Lunar Silver

PEDESTAL – WHIRLPOOL® MODEL #XHPC155XG

- Size: 15.5”
- Storage Drawer with chrome handle
- Color: Lunar Silver

Note: the manufacturer's warranty for one year is only good for residential use. This warranty would not apply for Rock Haven. Brother's Main gives a 30-day satisfaction guarantee.

Executive Summary

Purchase of Cisco Network Equipment for Rock Haven

The new Rock Haven construction project includes provisioning the new facility with network infrastructure equipment for the purpose of delivering adequate network capacity and security for all Rock Haven systems and users. The Rock Haven network will provide for the current and future needs of the facility voice and data networked systems.

The purchase includes the following network equipment and associated components:

- 1 Cisco Catalyst 2960S 24-port Switch $3,832.05
- 5 Cisco Catalyst 2960S 48-port Switches $22,405.25
- 12 Cisco 1140 802.11g/n Wireless Access Points $5,628.60
- 1 Cisco 5508 Wireless Controller $8,467.34
  $40,333.24

This network equipment is projected to have a life-span of approximately 10 years.

The network equipment will cost $40,333.24 and will be purchased from Core BTS using the pricing and terms of the State of Wisconsin contract #15-20664-001.

Executive Summary

Purchase of Mitel Telephone System Equipment

The replacement of the County’s aging Mitel PBX phone system switches with new Internet Protocol (IP)-based PBX switches is a budgeted capital project for the Information Technology Department. The installation of the new IP-based telephone system switches will establish an infrastructure that will support a voice-over-IP environment for County operations. Additionally, the new Rock Haven project plan includes the installation of new voice-over-IP phones and associated components throughout the new facility.

The following are the telephone system components that are attributable specifically to the replacement of the aging PBX phone system switches:

- Mitel IP-based PBX Switch, components, and installation for the Eclipse Center in Beloit ($18,419.70);
- Mitel IP-based PBX Switch, components, and installation for the Job Center ($18,419.70);
- Mitel IP-based PBX components and installation for the Courthouse ($15,996.20);
- 3 Mitel phone system consoles ($5,062.50);
- Mitel IP-based PBX Switch, components, and installation for the Highway 51 Complex ($39,511.90).

The following are the voice-over-IP phones and associated components for the new Rock Haven facility:

- 96 Mitel IP phone sets ($13,506.75);
- 1 Mitel IP conference room saucer ($438.75);
- 4 Mitel IP paging units ($1,755.00), and
- Associated components, licenses, and installation ($35,976.60).

The costs attributable to the County PBX phone system switch replacements total $97,410.00.

The costs attributable to the new Rock Haven facility project totals $51,677.10.

The total cost is $149,087.10, and the purchase will be made from Enterprise Systems Group, the County’s authorized Mitel telephone system provider.

**EXECUTIVE SUMMARY**

As we planned for the design of our new facility, we evaluated window treatment choices and selected solar shades for most public areas. Solar shades allow unobstructed view of the outdoors while keeping direct sunlight out. For our office spaces, we chose to use vertical blinds. We provided the following guidance to the vendors when soliciting bids. The products chosen met Life Safety Code requirements for skilled nursing facilities. The Phoenix Textile bid came in at $24,328.39. We are requesting approval to spend up to $26,000 on these products in case we've missed any need while reviewing the plans.

ROCK COUNTY BOARD OF SUPERVISORS

Initiated By
General Services Committee

Sherry Gunderson
Drafted By
June 28, 2012
Date Drafted

AUTHORIZING PURCHASE OF FLOOR CLEANING EQUIPMENT FOR ROCK HAVEN

WHEREAS, construction is underway for Rock County's new 128-bed skilled nursing facility; and,

WHEREAS, the facility design includes a variety of flooring products including vinyl, tile and carpeting; and,

WHEREAS, floor cleaning equipment is needed for each type of flooring; and,

WHEREAS, the bids were solicited for these products with three vendors submitted bids that met the specifications (results attached). One additional vendor was solicited that did not respond and two vendors submitted non-responsive bids because they did not acknowledge Addendum #1.

NOW, THEREFORE, BE IT RESOLVED, that the Rock County Board of Supervisors duly assembled this ___ day of __________, 2012 does hereby recommend that a Purchase Order be issued to ER Abarnathy of Sussex, WI for the amount of $40,662.25 for the purchase of floor cleaning equipment.

Respectfully submitted,

EXECUTIVE SUMMARY

As we planned for the design of our new facility, we chose to select a variety of flooring products including roll carpeting, carpet squares and indoor/outdoor carpeting. Each of those products will require specific care. The following floor cleaning equipment will be needed to clean carpeting throughout the facility.

ADVANCE AQUA PLUS AXP CARPET EXTRACTOR – QUANTITY 1
This automatic, battery-operated carpet extractor will be used when cleaning carpeting in the hallways throughout the facility.

The cost of this extractor is $10,792.80.

ADVANCE SC350 BATTERY OPERATED MICRO SCRUBBER – QUANTITY 5
This battery-operated vacuum performs both wet scrub and vacuum in one pass. It will be used to clean the indoor/outdoor carpeting that will be in the entrance vestibules and in the screened porches on each household.

The cost of five battery-operated scrubbers is $16,507.25.

ADVANCE ALL CLEANER XP ALL PURPOSE CLEANER – QUANTITY 4
These carpet cleaners are smaller, electric carpet cleaners and will be used when cleaning carpeting in resident rooms.

The cost of four all-purpose cleaners is $13,362.20.

Executive Summary

Resolution Awarding Contract for Parking Lot and Roadway Improvements at the Rock County Complex

The resolution before you contracts with Rock Road of Janesville to reconstruct parking areas and drives in three areas at the Rock County Complex.

Project Area 1 – Sheriff's Office (Bid Amount - $111,909.32)

The only parking area not addressed during the recent construction project at the Jail is the parking lot facing Hwy 14, and the drive leading out to F. The pavement is original to the 1986 construction project. Patching and crack filling are no longer effective. The base and pavement need to be replaced. 17 new parking stalls will be added.

Project Area 2 – Health Care Center (Bid Amount - $300,791.46)

This project will encompass the main drive into the Health Care Center, and the parking lot behind the building. Back in 2010, the vacant buildings and connecting tunnels were demolished resulting in filled, compacted, and unpaved areas in the lot. The base and pavement date back to the early 70’s. Drainage is poor, and the pavement has deteriorated beyond crack filling and patching. Once complete, the HCC parking lot will have 184 parking spaces (not including the front lot and the lot across F). As part of the project the back entrance ramp and steps will be replaced.

Project Area 3 – Glen Oaks (Bid Amount - $235,900.68)

This project will encompass the parking areas, drives around the buildings, and the entry/exit points on Hwy 51. Access on to and off of Hwy 51 has become difficult at times given the speed and the increasing number of vehicles traveling the highway. The southern most drive off of 51 will be eliminated. The second drive will be widened and improved with turning lanes and lighting. With expansion of the parking lot the number of parking spaces will increase from 90 to 116. Because the base and pavement have deteriorated, and drainage is a problem, total reconstruction is anticipated. New LED lighting will be installed.

Work will be completed one area at a time. All three projects will be disruptive, requiring the cooperation and patience from employees and visitors. Completion by October is anticipated, provided the weather cooperates and unforeseen problems are not encountered.

Attached are illustrations of each project area.

Craig Emison
County Administrator
Executive Summary

The Rock County Sheriff's Office maintains a sub-station at Blackhawk Technical College. Currently, this office has no direct connection to the Rock County network.

By installing a Microwave link to the sub station at Blackhawk Technical College, the Sheriff's Office squad cars will be able to connect to the county's existing high-speed wireless network. Additionally, the computers within the office at the sub-station will be able to connect directly to the Rock County network, simplifying the use of the computer systems.

The proposed Microwave link to Blackhawk Technical College will connect to an established network point-of-presence at Beloit Memorial Hospital maintained by Rock County.

This resolution authorizes the County to issue a Purchase Order to General Communications for $23,522 for the purchase and installation of a Microwave link between Blackhawk Technical College and Beloit Memorial Hospital.

ROCK COUNTY PUBLIC SAFETY ANALOG TO DIGITAL VOICE RADIO CONVERSION ADDITIONAL EQUIPMENT AND LABOR

WHEREAS, the Rock County 911 Communications Center is responsible for the operation of the public safety voice radio communications infrastructure within Rock County; and,

WHEREAS, continuous interoperable radio communications between the public safety agencies of Rock County and the 911 Communications Center are essential to providing the most efficient public safety services to the citizens of Rock County; and,

WHEREAS, the Federal Communications Commission (FCC) has mandated that all Rock County public safety analog radio frequencies be “narrow-banded” by January 1, 2013; and,

WHEREAS, funding to convert the Rock County public safety analog voice radio system to operate in digital mode has been included in the 2012 budget; and,

WHEREAS, General Communications, Inc., of Madison, Wisconsin has been identified as the sole source vendor for this project and is the licensed Raytheon dealer covering Rock County; and,

WHEREAS, General Communications, Inc., of Madison, Wisconsin is, and has been for approximately 17 years, the Rock County public safety voice radio system maintenance vendor; and,

WHEREAS, a previous Resolution awarded General Communications, Inc., of Madison, Wisconsin a contract in the amount of $1,918,002 for the purchase of the necessary equipment and labor to convert the existing Rock County public safety voice radio infrastructure and 911 Communications Center to digital mode operations (Resolution #11-2B-296); and,

WHEREAS, it was discovered during project implementation that additional equipment and labor not included in the original contract amount of $1,918,002 would be needed to complete the Rock County public safety analog to digital voice radio conversion.

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors duly assembled this ______ day of ____________, 2011 that a contract in the amount of $35,140 be awarded to General Communications, Inc., of Madison, Wisconsin for the purchase of necessary equipment and labor above and beyond the original resolution (#11-2B-296) to convert the existing Rock County public safety voice radio infrastructure and 911 Communications Center to digital mode operations.

Craig Anderson
County Administrator
EXECUTIVE SUMMARY

The Rock County Communications Center is directly responsible for the operation and maintenance of the public safety radio communications infrastructure throughout Rock County. Continuous interoperable voice radio communications between public safety agencies of Rock County and the 911 Communications Center are essential to providing the most efficient public safety services to the citizens of Rock County.

The Federal Communications Commission (FCC) has announced that certain portions of radio frequency spectrum would be required to be "narrow-band" by January 1, 2013. This unfunded mandate applied to all public safety voice radio frequencies used within Rock County.

In a previous Rock County Resolution (#11-2B-296), General Communications was awarded the $1,918,002 contract to provide the equipment and labor necessary to complete the FCC mandate and convert the Rock County public safety voice radio infrastructure and 911 Communications Center to digital mode operations.

During project implementation, it was determined that additional equipment and labor would be necessary to satisfactorily complete the conversion process. The additional equipment and labor include the following:

1. VCALL base station at the Communications Center. (This is the hailing channel for outside jurisdictions that do not have digital radio capabilities.)
2. Fire ground receiver at the County A Tower (It was discovered that the equipment for one of the receivers was not capable of narrow banding.)
3. Control station antenna at Sheriff’s Office (Necessary for standby frequencies located at the Sheriff’s Office.)
4. (1) UHF mobile and (1) UHF portable radio for DA Investigator to monitor all Beloit Police Department frequencies (overlooked in original inventory).

The additional funds for these projects will be taken from the original contingency which is 5% of the project subtotal ($108,000) along with $20,000 in unused Project Management fees ($128,000 total). This is the first request for additional funds for the Digital Radio Conversion project.

Craig Kautson
County Administrator
Executive Summary

Over the past two years Rock County’s Youth Services Center (YSC) has made substantial and successful programmatic improvements while remaining within or under budget. However, to continue implementing key recommendations of the outside evaluation by Wayne Liddell Consulting, the Juvenile Justice & Prevention Services Division requests that a vacant 1.0 FTE Youth Specialist position be deleted and a 1.0 FTE Bachelors Level Social Worker be added who can act as a case manager.

This change fulfills one recommendation of the facility evaluation that called for a case manager to be hired at YSC. With the creation of two new programs in the facility – Behavioral Stabilization and Alternatives to Corrections – there is an immediate need for a case manager to communicate with outside professionals and create treatment plans for youth. The significant job tasks of the YSC case manager will be to provide technical expertise to Youth Specialists on behavior management, client programming, running treatment groups, and communicating with the parents, social workers, attorneys, school personnel and others involved with the YSC residents.

The Human Services Department requests the County Board consider the personnel action outside of the annual budget process. The justification for the request includes the immediacy of need for a case manager, the action would not require a lay-off, and the County Board is not being asked to modify the 2012 Budget. The 1.0 FTE Youth Specialist position is vacant due to a recent retirement. The Youth Specialist position was at the hourly rate of $19.26. The 1.0 FTE Bachelor Level Social Worker position would start at the hourly rate of $16.40. Thus, there is no need to modify the 2012 Budget.

- EXECUTIVE SUMMARY -

APPROVE RELOCATION ORDER FOR CTH M INTERSECTION RECONFIGURATION PROJECT

The design process for the reconstruction of CTH M from Countyline Road to USH 14 has identified the need for additional right of way or easements to accommodate some cross drainage pipes. It is required by Statute that the County Board pass a Relocation Order as the first legal step in the process. This resolution amends a Relocation Order first approved by the County Board in 2011 at the intersection area of Countyline Road and CTH M. The amended Relocation Order expands the area of coverage to the south to allow for the drainage pipe work.

This resolution adopts the Revised Relocation Order and delegates responsibility for implementation to the Public Works Committee and Director of Public Works.

Description of Terminus of Project:

Beginning at a point APPROXIMATELY 2.5 feet west of and 1,415 feet south of the north quarter-corner of Section 1, T-2-N, R-14-E, thence northwesterly to a point APPROXIMATELY 18 feet north of and 685 feet west of the east quarter-corner of Section 36, T-3-N, R-14-E, as shown on the right-of-way plat or a copy thereof marked:

CTH M, Town of Johnstown
County Highway
Rock County

The same being sheet 4.1 of said plat and described in permanent limited easements for drainage and erosion control also associated with said highway project.

To properly establish, lay out, widen, enlarge, extend, construct, reconstruct, improve, or maintain a portion of the highway designated above, it is necessary to relocate or change and acquire certain lands or interests in lands as shown on the right of way plat for the above project.

To effect this change, pursuant to authority granted under Sections 60.50 and 82.12, Wisconsin Statutes, the Town of Johnstown orders that:

1. The said road is laid out and established to the lines and widths as shown on the plat
2. The required lands or interests in lands as shown on the plat shall be acquired by: Rock County
3. This order supersedes and amends any previous order issued by the: Rock County
