EXECUTIVE SUMMARY

The Rock County Veterans Services Veterans Donation Trust is funded solely by donations from Rock County Citizens and Veterans Groups. During the budget preparation process, the donation amount is estimated.

This year the Veterans Employment Act of 2002 grant funds were allocated and the Veterans Donation Trust received $500 to assist veterans with transportation in for form of gas cards.

The grant is a combined effort between Rock County Veterans Services and the Wisconsin Department of Workforce Development (DWD) Veterans Employment Services. The grant is to be used to purchase gas cards and the gas cards are divided equally between DWD Employment Services and Rock County Veterans Services.
Amending Contract for Courthouse Parking Structure Caulking and Repair

WHEREAS, work under the contract to repair and re-caulk the parking ramps began October 11th, and,

WHEREAS, removal of the old caulk on the two ramps ramp revealed considerable corrosion to the metal plates and failure of the welds that connect the units together along the seams, stabilize the ramp, and keep the caulk adhered to the edges; and,

WHEREAS, due to the fact the extent of the repair work would not be known until the caulk joints were opened and inspected, unit pricing was obtained at bid time to cover additional work; and,

WHEREAS, the General Services Committee received progress reports relative to the additional repair work.

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors duly assembled this __________ day of ________, 2011 that the Contract with Zander Solutions be increased by $175,773.29 to cover the cost of the additional repair work to the two Courthouse parking ramps; and,

BE IT FURTHER RESOLVED, that the Courthouse Facility Capital Project budget be amended to cover the additional repair work, testing and engineering inspections as follows:

Executive Summary
Amending Contract for Parking Structure Caulking and Repairs

Work began on the parking ramps October 11th and was completed December 10th. When the old caulk was removed from the seams of the parking ramp, extensive corrosion to the connecting flange plates was noted, along with an unexpected number of broken welds. The imbedded flange plates exist along the seams of the pre-cast units and are welded to each other to stabilize the deck. As one weld would fail, others failed in a domino effect as fewer welds were doing all the work. The welds stabilize the ramp which in turn keeps the caulk from pulling away from the edges, and letting water through.

When the specifications were prepared the Engineer had no way of knowing the condition of the flange plates or the welds until the caulk covering those items was removed. Assumptions were made and were built into the base bid. To cover repairs beyond the assumptions in the base bid, unit pricing for all work elements was requested at bid time. To make certain that the additional work was indeed necessary, the Engineer made numerous site visits to inspect the ramp with the Contractor once the caulk was removed. An independent weld inspector was also hired to assess the situation to make certain that the load limits of the ramp were not being exceeded. They determined that the weld failure was not a load limit issue, but failure due to corrosion, a condition not uncommon to structures over 10 years old subject to salt and freeze/thaw cycles.

The General Services Committee received updates as the need for additional repair work progressed from the west to the east ramps. The Committee and Administration concurred that the repair work had to continue at an additional cost.

The repairs completed carry a three-year warranty. As the structures age, additional maintenance and repair work will be needed to keep up with the corrosion from salt and movement from our freeze thaw cycles.

The base bid for the project was $124,907.00. The work using the unit pricing totaled $175,773.29, for a total project cost of $300,680.29.

Executive Summary for Expansion of the County's Storage Area Network

As a Capital Improvement Program project, the expansion of the County's new storage area network (SAN) was planned in order to address the County's rapidly growing storage requirements for both structured and unstructured County information. The storage area network consists of controllers, magnetic disk drives, and software that represent the primary information storage for the County's computer systems. The expanded SAN will allow for greater throughput of input/output operations, resulting in faster network response times.

The SAN expansion project consists of the following main components:

- 26 terabytes of additional Hitachi Data Systems storage capacity
- Rack-mounted Storage Expansion Tray
- Installation.

The SAN is located in the County's data center at the Health Care Center.

The SAN expansion will cost $31,000.00 and be purchased from AE Business Solutions using the pricing and terms of the State of Wisconsin contract #10-2052.

- EXECUTIVE SUMMARY -

AMENDING ARCHITECT SERVICES – REIMBURSEABLE EXPENSES - SCHEMATIC DESIGN STAGE WITH EPPSTEIN UHEN FOR THE ROCK HAVEN FACILITY REPLACEMENT PROJECT

The County has contracted with Eppstein Uhen, Architects/Engineers as the Architect/Engineer for the Rock Haven Facility replacement project. The firm has completed the Schematic Design stage and was recently approved to proceed to the Design Development stage.

Resolution #10-6A-067 covered the Schematic Design stage and contained a maximum for reimbursable expenses of $5,000. The Architect has incurred additional expenses for additional printing of the presentation booklet, meetings, etc. The additional amount of $1,400.

The Schematic Design contract with Eppstein Uhen allows the architect to be reimbursed for such expenses.

INITIAL RESOLUTION AUTHORIZING GENERAL OBLIGATION
BONDS AND/OR NOTES IN AN AMOUNT NOT TO EXCEED $65,000
PAGE 2

FISCAL NOTE:

The purpose of this Resolution is to authorize expenditures from the 2011 Budget, as amended
by Resolution 11-1A-244, for the replacement boiler system in the Health Care Center building.
If the County adopts this resolution, the project costs and issuance costs will be included in a
subsequent resolution that authorizes the issuance of General Obligation Bonds and/or Notes.

1993 Wisconsin Act 16 (the State Budget Bill) established property tax levy rate limits for
Wisconsin Counties, beginning with the 1993 payable 1994 levy. The Wisconsin Department of
Revenue's Administrative Rules authorize an increase in the debt levy rate under certain
conditions, including resolutions authorizing debt issuance that are adopted by affirmative vote
of at least three-fourths of the members of the County Board. The County Board may also
approve the issuance of debt by adopting a resolution which provides a reasonable expectancy
that the new debt will not cause the County to increase its debt levy rate. It is my opinion that
the debt amortization that would be incurred upon issuance of debt for the project included in
this Resolution would not exceed Rock County's debt levy rate as limited by Wisconsin Act 16.

[Signature]
Finance Director

LEGAL NOTE:

This is only an initial resolution. Pursuant to sec. 67.05(10), Stats., the County Board, before
issuing any contemplated long-term debt, must adopt a resolution levying a direct, annual tax
sufficient in an amount to pay for the express purpose of paying the interest on such bonds as it
falls due, and also to pay and discharge the principal thereof at maturity. That will happen at a
later date.

A majority vote is necessary to adopt this Resolution. However, a three-fourths vote of the
"members-elect" would avoid any potential issue relative to the debt levy rate limit.

RESOLVING RESOLUTION 08-5B-022 TITLED UPDATING CLAIMS REVIEW PROCESS

WHEREAS, Rock County adopted Resolution 08-5B-022 on May 22, 2008 which updated the claims review process for Rock County; and

WHEREAS, it documented procedures that had been used for years by the County while self-insured, for the approval and denial of specific claims brought to the Rock County Board of Supervisors; and

WHEREAS, in 2007, Rock County joined the Wisconsin Municipal Mutual Insurance Company (WMMC) and as part of that signed an agreement which indicated that WMMC would have the responsibilities to determine how claims were resolved; and

WHEREAS, WMMC has requested the County rescind their current policy since they believe it is contrary to the agreement that Rock County signed and is different than any other organization insured by them; and

WHEREAS, WMMC assures Rock County that their opinion as to whether or not a claim should be approved or denied will be considered by WMMC before any action is taken; and

WHEREAS, the County Board Staff Committee has reviewed these procedures and approves the contracted language with WMMC.

NOW, THEREFORE, be it resolved by the Rock County Board of Supervisors in session this day of , 2011, that it officially rescinds Resolution 08-5B-022 and indicates that it will follow the appropriate claims procedure as agreed to in its contract with the Wisconsin Municipal Mutual Insurance Company (WMMC).

BE IT FURTHER RESOLVED that all initial notice of claims in excess of $10,000 will still be presented to the County Board pursuant to Wisconsin Statutes and all subsequent outcomes of those claims will be reported to the Board.

EXECUTIVE SUMMARY

The County’s claim policy for the last 25 to 30 years was that amounts less than $5,000 were allowed to be settled by the Corporation Counsel Office; amounts $5,000 to $10,000 were decided by the County Board Staff Committee and claims of more than $10,000 went to the County Board for their approval/denial. This process was in effect while the County was self-insured. In 2007, Rock County joined the Wisconsin Municipal Mutual Insurance Company (WMMIC). WMMIC at that time wanted documentation on how Rock County made their decisions on claims. Resolution 08-5B-022 was used for that purpose and sent to WMMIC.

However, a new executive director has taken over at WMMIC and he correctly points out that Rock County signed an agreement to have WMMIC handle the County’s claims as the insurance company. As our policy dictates, those claims decisions are made by the insurance company, not the insured. WMMIC has asked that we rescind Resolution 08-5B-022 and that we honor the agreement that we signed. WMMIC also indicates that Rock County’s opinion will still be considered when determining the appropriate course of action on any claim filed against Rock County. This resolution would rescind the resolution that was adopted previously and would allow Rock County to then proceed pursuant to its contractual agreements with WMMIC.
