Board of Health ___________________________ Geri Waugh, Account Clerk II
INITIATED BY DRAFTED BY

Board of Health ___________________________ November 10, 2009
SUBMITTED BY DATE DRAFTED

TITLE

ACCEPTING ADDITIONAL PUBLIC HEALTH EMERGENCY RESPONSE FUNDING
AND AMENDING THE 2009 ROCK COUNTY HEALTH DEPARTMENT BUDGET

WHEREAS, the Rock County Health Department initially accepted $69,908 in Public Health
Emergency Response (PHER) funding with its Rock County Resolution #09-9A-347; and,

WHEREAS, additional funding in the amount of $262,274 for PHER3 is being awarded to the Rock
County Health Department from the State of Wisconsin Division of Public Health; and,

WHEREAS, these additional funds are to be utilized in the planning, administering, and evaluation
of H1N1 mass vaccination clinics.

NOW, THEREFORE BE IT RESOLVED, that the Rock County Board of Supervisors duly
assembled on this ______ day of ___________, 2009 does hereby authorize the Rock
County Health Department to accept the additional $262,274 in PHER3 funding for public health
emergency response and amend the 2009 Rock County Health Department Budget as follows:

FINANCE COMMITTEE ENDORSEMENT

Reviewed and approved on a vote of 3–0.

/s/ Sandra Kraft, Vice Chair
Mary Mawhinney, Chair

FISCAL NOTE:

This resolution authorizes the acceptance and expenditure of $262,274 in Federal Aid for the Public Health Emergency Response Program. No County matching funds are required to accept this grant.

/s/ Jeffrey A. Smith
Finance Director

LEGAL NOTE:

The County Board is authorized to take this action by Wisconsin Statutes sections 59.51(2) and 59.52(19). As an amendment to the adopted 2009 County Budget, passage of this Resolution requires a 2/3 vote of the entire membership of the County Board, pursuant to sec. 63.90(3)(a), Wis. Stats.

Craig Eaton
County Administrator
ACCEPTING ADDITIONAL PUBLIC HEALTH EMERGENCY RESPONSE FUNDING AND AMENDING THE 2009 ROCK COUNTY HEALTH DEPARTMENT BUDGET

EXECUTIVE SUMMARY

The Health Department is the lead agency to meet and plan with local and regional public and private partners to conduct mass vaccination clinics. The intent of the grant is to implement processes and systems to assure vaccine administration is done in a coordinated and effective manner.

Grant funding will be used to ensure adequate personnel are available to conduct clinics by contracting with outside agencies to supplement Health Department staff. Funding will be used to purchase adequate medical supplies for the storage, transporting, and administration of the vaccine. Agency equipment to be purchased with the money includes equipment that is required to safely and efficiently conduct agency business related to pandemic planning, implementation, and evaluation. Such equipment may include copy machines, computers, stethoscopes, and laboratory supplies.

Other expenses such as advertising, promoting, and communication with the public will be charged to the grant (website, flu hotline, paid advertising, etc.).

Additional use of the funding will be to conduct an evaluation and implement recommendations to improve the existing plan.

EXECUTIVE SUMMARY
FOR
Amending 2009 Budget For Costs To Install Signage
Designating CTH G As Martin Luther King, Jr. Memorial Highway

At the November 19, 2009 meeting, the County Board adopted a resolution designating CTH G as the Martin Luther King, Jr. Memorial Highway. In support thereof, $2,460 of donations have been received and deposited in trust account 00-0000-0070-29667. This resolution provides authorization to transfer funds in the amount of $768 from the trust account to Highway operating accounts sufficient to fund the fabrication and installation of two signs at the Northbound and Southbound beginning points of the designated portion of CTH G.

Estimated costs for this project are:
Fabrication Labor $88
Installation Labor & Small Tools $143
Materials $441
Equipment $96
$768

This work is projected to be completed in 2009.

These funds are 100% provided by the donations placed in the trust account. The unspent funds shall remain in the trust account until such time they are needed to accomplish repairs or maintenance to the signs.

TITLE

WHEREAS, in October, 2009, Rock County applied to the State of Wisconsin, Office of Justice Assistance (OJA) for the 2007-2008 Homeland Security Mutual Aid Interoperability Grant in the amount of $11,622 for the purpose of enhancing radio communications interoperability, and;

WHEREAS, Rock County has identified the continued need for radio equipment and made application of behalf of agencies eligible for funding that included the Town of Fulton, Town of Milton and Rock County Emergency Management, and;

WHEREAS, in November, 2009, OJA awarded Rock County $11,622, and;

WHEREAS, if Rock County accepts the homeland Security Grant funding, a 25% local match in the amount of $2,906 would be required with each agency contributing its proportional share.

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors duly assembled this __ day of __, 2009, does approve and authorize the acceptance of $11,622 of Homeland Security Mutual Aid Interoperability Grant Funding and amends the 2010 Emergency Management Budget as follows:

FISCAL NOTE:

This resolution amends the 2009 budget to accept a 75% federally aided grant for the purchase of radios for local agencies and Rock County Emergency Management. The County's 25% match for its equipment is from a transfer from the General Fund. The Audited Undesignated General Fund balance at January 1, 2009 was $12,810,680.

Jeffrey A. Smith
Finance Director

LEGAL NOTE:

As an amendment to the adopted 2009 County Budget, this Resolution requires a 2/3 vote of the entire membership of the County Board pursuant to sec. 65.90(5)(a), Wis. Stats.

Jeffrey S. Kuglitsch
Corporation Counsel

ADMINISTRATIVE NOTE:

Recommended.

Craig Sanford
County Administrator
EXECUTIVE SUMMARY

On August 25, 2009, the OJA announced $5.7 million was available statewide and invited those agencies that had been pre-approved to submit grant applications to replace outdated public safety radio equipment. Rock County agencies eligible for grant applications included Rock County Emergency Management, the Town of Fulton Police Department, and the Town of Milton Police Department. Rock County Emergency Management made application on behalf of those agencies.

The OJA notified Rock County Emergency Management on November 23, 2009 that it had approved the $11,622 project for Rock County. The grant award provides $8,716 in federal funding and requires a 25% local match of $2,906 for a total of $11,622. Rock County Emergency Management will serve as the fiscal agent. The following table provides a breakout of the project funding.

<table>
<thead>
<tr>
<th>Agency</th>
<th>Equipment</th>
<th>Total Cost</th>
<th>Local Share</th>
</tr>
</thead>
<tbody>

<td><strong>11,622</strong></td>
<td><strong>2,906</strong></td>
</tr>
</tbody>
</table>

Each Participating agency is responsible for providing its share of the local match. Line item 45200 “Intergovernmental Charges for Municipalities” found on the Resolution in the amount of $2,574 is the sum of the match required by the Town of Fulton and Town of Milton. Rock County Emergency Management’s local share come from a $332 appropriation from the General Fund.

HIGHWAY JURISDICTIONAL TRANSFER AGREEMENT-
COUNTY TRUNK HIGHWAY M

WHEREAS, the Wisconsin Department of Transportation (WisDOT) has constructed State
Trunk Highway 59 (STH 59) on a new alignment in the vicinity of the City and Town of
Milton; and,

WHEREAS, the new location of STH 59 now impacts the ownership and maintenance
responsibility of several existing local roads and County Trunk Highway M (CTH M); and,

WHEREAS, some new local roads were also constructed by WisDOT in conjunction with
the STH 59 project; and,

WHEREAS, Section 83.025 Wisconsin Statutes, allows the County Board to make changes
to the County Trunk Highway system with the approval of the governing body of the
communities in which the proposed changes are located.

NOW THEREFORE, BE IT RESOLVED, the County agrees, subject to required
approval of the Wisconsin Department of Transportation, to turn over the jurisdiction and
responsibility of an existing segment of CTH M, from Milton-Shopiere Road to High Street
(Old STH 59), a distance of approximately 0.84 miles, effective January 1, 2010 to the City
and Town of Milton; and,

BE IT FURTHER RESOLVED, that the Rock County Board of Supervisors authorizes
the Director of Public Works, to execute the Jurisdictional Transfer Agreements with the
City and Town of Milton on behalf of the County.

Respectfully submitted,
FISCAL NOTE:

As stated in the Executive Summary, the County will realize a net reduction in road maintenance expenditures for this jurisdictional transfer.

Jeffrey A. Smith
Finance Director

LEGAL NOTE:

The County Board is authorized to take this action by Wisconsin Statutes 59.51(2) and 83.025.

Craig Kowalson
County Administrator
EXECUTIVE SUMMARY

HIGHWAY JURISDICTIONAL TRANSFER AGREEMENT
COUNTY TRUNK HIGHWAY M

The Wisconsin Department of Transportation (WisDOT) has constructed a new segment of State Trunk Highway 59 (STH 59) south of the former STH 59 about one-half mile. It runs from STH 26 easterly about one mile and rejoins STH 59. This construction necessitated that several local roads and highways in the City and Town of Milton be changed or closed. One of those roads affected is County Trunk Highway M (CTH M) from Milton-Shopiere Road northwesterly toward High St. (Old STH 59), a distance of approximately 0.84 miles.

The purpose of this resolution is to authorize the discontinuance of the above mentioned section of CTH M as a County Trunk Highway and transfer responsibility for it to the Town and City of Milton as a local road. It also enables the County Director of Public Works to enter into Jurisdictional Transfer Agreements on behalf of the County to effect these changes. County responsibility for CTH M will then end at Milton-Shopiere Road.

The fiscal impact to the County should be a reduction in expenditures, as there will be less county highway to maintain. There will also be a reduction in General Transportation Aid (GTA) revenue to the County because it will be reducing its reported road costs. GTA paid to the County is based on a percentage of average 5-year road costs. Currently, that percentage is about 22% of costs. The County will experience a reduction in GTA revenue, but will realize a larger savings in costs.

AUTHORIZING PURCHASE OF VEHICLES
PER STATE OF WISCONSIN CONTRACT FOR THE ROCK COUNTY SHERIFF'S OFFICE

1. WHEREAS, funds are included in the 2010 Budget for the purchase of vehicles to
be used by the Rock County Sheriff's Office; and,

2. WHEREAS, Section 19.08(4) of the Purchasing Ordinance does allow Rock County
to purchase these vehicles through a cooperative purchasing agreement with the
State of Wisconsin under Contract #15-07006-901; and,

3. WHEREAS, Ewald Automotive of Oconomowoc, Wisconsin, was awarded the State
Contract for Chevrolet Impalas, Chevrolet Tahoes, Dodge Chargers and Ford
Crown Victorias; and,

4. WHEREAS, the Sheriff's Office and Purchasing staff have reviewed the State of
Wisconsin bid specifications and recommend purchasing one Chevrolet Impala,
two Chevrolet Tahoes, two Dodge Chargers, and two Ford Crown Victorias from
Ewald Automotive.

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors duly
assembled this ___ day of ____________, 2009, that a Purchase Order
be issued as follows:

$19,436.00 to Ewald Automotive for 1 Chevrolet Impala
$58,272.00 to Ewald Automotive for 2 Chevrolet Tahoes
$41,732.00 to Ewald Automotive for 2 Dodge Chargers
$44,694.00 to Ewald Automotive for 2 Ford Crown Victorias

BE IT FURTHER RESOLVED that payment be made to the vendor upon receipt and
acceptance by the Rock County Sheriff.

EXECUTIVE SUMMARY

Funds are included in the 2010 Budget for the purchase of vehicles to be used by the Rock County Sheriff's Office. Under Section 19.08(4) of the Purchasing Ordinance, Rock County can utilize State of Wisconsin bids to purchase vehicles through Cooperative Purchasing Agreement #15-07006-901.

The Sheriff's Office and the Purchasing Staff reviewed the State of Wisconsin bid specifications to verify that they meet the Sheriff's Office's needs. The total cost breakdown for the vehicles is as follows:

<table>
<thead>
<tr>
<th>Cost</th>
<th>Make and Model</th>
</tr>
</thead>
<tbody>
<tr>
<td>$19,436.00</td>
<td>1 Chevrolet Impala</td>
</tr>
<tr>
<td>$58,272.00</td>
<td>2 Chevrolet Tahoes</td>
</tr>
<tr>
<td>$41,732.00</td>
<td>2 Dodge Chargers</td>
</tr>
<tr>
<td>$44,694.00</td>
<td>2 Ford Crown Victorias</td>
</tr>
<tr>
<td>$164,134.00</td>
<td>Total</td>
</tr>
</tbody>
</table>

The Chevrolet Impala will be used as an administrative vehicle, and the Chevrolet Tahoes will be used as supervisory patrol vehicles. The Dodge Chargers and the Ford Crown Victorias will be used as police patrol vehicles.

PURCHASE OF RADIO, COMPUTER AND TELEPHONE EQUIPMENT FOR 911 COMMUNICATIONS CENTER BACK-UP SITE

WHEREAS, the Rock County 911 Communications Center was designed to coordinate efficient public safety responses for all Rock County citizens 24 hours a day throughout the year; and,

WHEREAS, to accomplish this mission, 911 Communications Center services must be available at all times under any type of conditions; and,

WHEREAS, a Lease Agreement between Rock County and the Town of Beloit for the purpose of re-locating a 911 Communications Center back-up center at the newly constructed Town of Beloit Fire Department has been negotiated; and,

WHEREAS, re-location of the 911 Communications Center back-up site presents an opportunity for enhancing back-up site radio, computer and telephone capabilities; and,

WHEREAS, the back-up site radio, computer and telephone equipment must be fully integrated with the radio, computer and telephone equipment now operating at the 911 Communications Center in Janesville; and,

WHEREAS, General Communications Inc of Madison, WI, provided, and now maintains, the radio equipment at the 911 Communications Center primary site; and,

WHEREAS, Enterprise Systems Group of Little Chute, Wisconsin, can provide an IP (Internet Protocol) telephone system that will fully integrate with the current Rock County telephone system; and,

WHEREAS, Inacom of Madison, Wisconsin, can provide, through State of Wisconsin contract pricing, the switch; and,

WHEREAS, CDW-G of Madison, Wisconsin, can provide, through State of Wisconsin contract pricing, the 7 PCs, 14 monitors and 1 printer; and,

WHEREAS, (7) PC's, (14) monitors, (1) switch and (1) printer are needed to operate 911 function computer systems at the Town of Beloit Fire Department back-up site; and,

WHEREAS, it is in Rock County's best interest to purchase the enhanced radio equipment from General Communications, Inc, the computer equipment from State of Wisconsin contract pricing (WCSASI -100103D and 15-20664-501), and the telephone system from Enterprise Systems Group; and,

WHEREAS, the funding necessary for the purchase of the Communications Center back-up site radio, computer and telephone equipment is available in the 2010 budget.
NOW, THEREFORE, BE IT RESOLVED, by the Rock County Board of Supervisors duly
assembled this _______ day of _______, 2009 that a contract be awarded to General
Communications, Inc. of Madison, Wisconsin, in the amount of $84,600, a contract be awarded
to Enterprise Systems Group of Little Chute, Wisconsin, in the amount of $10,400, a contract to
Inacom of Madison, Wisconsin, in the amount of $1,645, and a contract to CDW-G of Madison,
Wisconsin, in the amount of $7,179 01, with the County Board Chair herein authorized to
execute the purchase agreements.

Craig Knudson
County Administrator
EXECUTIVE SUMMARY

The Rock County 911 Communications Center was designed to provide efficient communications services for public safety responses for Rock County citizens 24 hours a day/365 days of the year. To accomplish this mission, it is essential that the 911 Communications Center services be operational under any type of conditions.

In the event of a condition requiring the 911 Communications Center personnel to evacuate the primary site in Janesville, pre-plans existed to operate a smaller-scale 911 Center out of the Town of Beloit Fire Department. The Town of Beloit Fire Department back-up site was functional but lacked radio and telephone equipment to sustain extended lengths of disaster communications. The radio and telephone equipment at this site also operated differently from the primary site, creating training and operational issues for Telecommunicator staff.

In 2009, Rock County was informed that the Town of Beloit was going to demolish their existing Fire Department building and construct a new facility nearby in 2010. A Lease Agreement for the purpose of re-locating the 911 Communications Center back-up site within the new Town of Beloit Fire Department has been approved by the Rock County Board.

The moving of the back-up site operations presented an opportunity to upgrade the back-up site to function for extended periods of time with equipment that operates similarly to that already in operation at the primary 911 Communications Center. The best solution for back-up site equipment enhancement is to install an IP (Internet Protocol) based radio system, a VOIP (Voice Over Internet Protocol) telephone system and computer equipment that can operate 911-function software.

The IP radio system will provide complete interoperability between the primary and back-up 911 Communications Centers and existing radio tower system. An IP radio system would be capable of remote dispatch from anywhere, increasing the levels of redundancy for the 911 Center communications. The IP radio system is a state of the art system manufactured by the TELEX Company. The only dealer for this system in our region that could provide 24/7 support services by virtue of factory-trained technicians is General Communications, Inc. of Madison, Wisconsin. The IP radio system would require extensive integration with our existing radio infrastructure, with this infrastructure currently maintained by General Communications. Therefore it is in the best interest of the County to purchase the IP radio system from General Communications Inc of Madison, Wisconsin at a cost of $84,600.
The VOIP telephone system can be easily integrated into the existing County MITEL telephone system and offers increased functionality over that of analog phone system. The Rock County Information Technology Department recommends purchasing the VOIP telephone system from Enterprise Systems Group of Little Chute, Wisconsin, because Enterprise Systems Group is the current qualified MITEL vendor for maintenance and service. The 911 back-up site telephone system will require close integration into the MITEL system now used by Rock County therefore it is in the best interest of Rock County to purchase the VOIP telephone system from Enterprise Systems Group at a cost of $10,400.

The needed computer equipment consists of (7) PC's, (14) monitors, (1) switch and (1) printer. This equipment will enable back-up site Telecommunicators to access the Computer-Aided Dispatch, Pictometry, and reference information systems that are so vital for continuous 911 Communications Center operations. The (7) PC's, (14) monitors and (1) printer can be purchased through State of Wisconsin contract pricing (WCASI-100103D) at a cost of $7,179.01. The switch can be purchased through State of Wisconsin contract pricing (15-20664-501) at a cost of $1,645.

Funding to purchase the equipment to upgrade the operational readiness of the back site (computer /IP Radio and VOIP telephone systems) for the new Town of Beloit Fire Department back-up site is included in the 2010 Budget.

AUTHORIZING CONTRACT WITH KJWW ENGINEERING CONSULTANTS TO PERFORM GEOTHERMAL FEASIBILITY STUDY

WHEREAS, in July 2009, the County Board approved further investigation of the feasibility of a geothermal heating and cooling system for the newly constructed portion of the jail project; and,

WHEREAS, in September 2009, The Samuels Group provided preliminary information to the County as part of a presentation on the results of the design development phase indicating that a hybrid ground source geothermal system would be more cost effective than a traditional ground source geothermal system; and,

WHEREAS, the jail project team has been working with the Energy Center of Wisconsin and Focus on Energy to analyze energy costs for the facility and develop an energy model; and,

WHEREAS, if the County Board wishes to continue pursuing the option of installing a geothermal system as part of the jail project, the next step would be to authorize a feasibility study to obtain more specific information on the cost effectiveness and payback; and,

WHEREAS, the study would include the drilling of two test wells to determine the suitability of the site for a geothermal system, as well as the size of a potential geothermal system; and,

WHEREAS, as part of the study, a proposal would be prepared to Focus on Energy which may result in Focus on Energy reimbursing the County up to $7,500 of the cost of the study; and,

WHEREAS, KJWW Engineering Consultants has been working as a sub-consultant to Potter Lawson architects on the jail project and is able to provide the expertise necessary to conduct the feasibility study.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this ______ day of ______, 2009 does hereby authorize a contract with KJWW Engineering Consultants to conduct a geothermal feasibility study for the jail project in an amount not to exceed $20,725 plus reimbursable expenses.

Jeffrey S. Kugelsch
Corporation Counsel

ADMINISTRATIVE NOTE:

Matter of Policy.

Craig Knutson
County Administrator
Executive Summary

AUTHORIZING CONTRACT WITH KJWW ENGINEERING CONSULTANTS
TO PERFORM GEOTHERMAL FEASIBILITY STUDY

In July 2009 the County Board directed that The Samuels Group and the jail project team conduct further investigation as to whether it would be cost-effective to include a geothermal heating and cooling system as part of Phase I of the jail project. Preliminary information was presented to the Board as part of the presentation on design development with a recommendation on the type of geothermal system that would be most appropriate, should the County Board decide to include geothermal as part of the project. Since that time, additional information on energy usage at the jail and has been generated, along with an energy model that includes the addition.

If the County Board wishes to continue consideration of a geothermal system at the jail campus, the next step would be the preparation of a feasibility study that would provide more concrete information as to the cost effectiveness of geothermal, including the payback period. This study would include the drilling of up to two test wells to determine the suitability of the site, which affects the size of a potential geothermal field and cost.

This resolution authorizes the County to enter into a contract with KJWW Engineering Consultants to complete a feasibility study in an amount not to exceed $20,725 plus reimbursable expenses. KJWW currently provides engineering services as a sub-consultant to Potter Lawson architects on this project and has worked on previous Rock County Jail-related projects.

As part of this contract, KJWW would also be preparing an application to Focus on Energy, which may reimburse the County up to $7,500 of the cost of the study.

As was presented when the County Board approved the construction documents phase of the project in October 2009, the cost of Phase I of the jail project is estimated at $9,360,551. As part of the schematic design process and phasing plan, The Samuels Group estimated in March 2009 that a geothermal system could cost $2,958,000, which is above and beyond the estimated Phase I costs. However, it is estimated that only about half of the cost of the geothermal system, or about $1.5 million, in sales tax proceeds will be available in the HCC/Jail Project account after estimated Phase I costs are accounted for. This means that some portion of the cost of a geothermal system would not be able to be funded by sales tax proceeds but rather would have to be funded through bond proceeds.

The Samuels Group intends to present additional background information to the County Board regarding potential cost and timeline implications of proceeding during the Board’s consideration of this resolution.

AUTHORIZING PURCHASE OF PROPERTY THROUGH 2009 WISCONSIN DIVISION OF EMERGENCY MANAGEMENT- HAZARD MITIGATION GRANT PROGRAM

ASSISTANCE AGREEMENT FEMA-DR-1768-WI

WHEREAS, due to Federal Disaster Declaration FEMA-1768-DR-WI declared for Rock County on June 14, 2008, Rock County applied for Federal funds through the Hazard Mitigation Grant Program (HMGP), administered by the U.S. Department of Homeland Security – Federal Emergency Management Agency (FEMA) through Wisconsin Emergency Management (WEM), and

WHEREAS, at the meeting on September 10, 2009, the Rock County Board of Supervisors approved a Grant Agreement with Wisconsin Emergency Management to make available HMGP funds to purchase identified eligible flood-damaged properties in Rock County outside of the Cities of Beloit and Janesville, and

WHEREAS, per State and Federal requirements, Rock County had appraisals conducted to determine the pre-flood value of the subject properties, and

WHEREAS, Wisconsin Emergency Management, per State and Federal regulations, has used these appraisals to establish the pre-flood property value for two of the subject properties at $185,000 and $190,000, and

WHEREAS, these property values, minus flood benefits, were used to establish offers to purchase for the properties of $160,255 and $190,000, respectively, and

WHEREAS, the owners of the properties accepted the offers to purchase, and

WHEREAS, Rock County proposes to remove structures on the property and make use or dispose of the property in accordance with the Housing Procedures Manual for Rock County, and appropriate State and Federal requirements.

NOW THEREFORE, BE IT RESOLVED, that the Rock County Board of Supervisors on this ________ day of ________, 2009, hereby approves and authorizes the purchase by the County of Rock of the two subject properties, and

BE IT FURTHER RESOLVED, that funds for the purchase of the properties be allocated from the Federal Emergency Management Agency – Hazard Mitigation Grant Agreement, and

BE IT FURTHER RESOLVED, that the Rock County Board of Supervisors authorizes the County Board Chair and County Clerk to sign the respective documents on behalf of the County of Rock, and

BE IT FURTHER RESOLVED, that authority is hereby granted to the Rock County Planning & Development Committee and Rock County Staff Committee to take the necessary steps to develop proposals and enter into agreements needed to purchase and dispose of the structures on the site and to determine the final disposition of the property.

EXECUTIVE SUMMARY

AUTHORIZING OF ROCK COUNTY PURCHASE OF PROPERTY THROUGH 2009 WISCONSIN DIVISION OF EMERGENCY MANAGEMENT-HAZARD MITIGATION GRANT PROGRAM ASSISTANCE AGREEMENT FEMA-DR-1768-WI

The County of Rock has received grant funds from the State of Wisconsin Emergency Management. The Rock County Board of Supervisors approved the Grant Agreement receipt of the Grant at its meeting on September 10, 2009.

A total of $1,049,246 in program and administrative funds were made available for this Program. Grant funds of the following amounts were provided to Rock County: $786,935 from the Federal Emergency Management Agency, $131,156 from the State of Wisconsin through Wisconsin Emergency Management, and $131,155 in the Community Development Block Grant – Emergency Assistance Program funds to provide Rock County’s share of local match. No Rock County General Revenue funds are required or will be used for this purchase.

Funds from this Grant are being used to acquire properties located in Rock County outside of the Cities of Beloit & Janesville on which the structures were substantially damaged and were owner-occupied.

Requirements of the Federal Privacy Act prevent the announcement of the property addresses until the properties are purchased.

Per State and Federal requirements, Rock County had appraisals conducted to determine the pre-flood value of the five (5) subject properties. Wisconsin Emergency Management, per State and Federal regulations, has used these appraisals to establish the pre-flood property value for the 5 subject properties. These property values, minus flood benefits, were used to establish offers to purchase for the properties.

The values of two of the subject properties, that were valued at $185,000 and $190,000, were used to establish offers to purchase minus flood benefits of $24,745 which leaves a purchase price of $160,255 and $190,000, respectively. The owners of two of the properties have accepted the offers to purchase. Per State and Federal requirements, the purchase of the property is contingent on approval by the Rock County Board of Supervisors.

Per the Housing Procedures Manual for Rock County, the Planning & Development Committee and Planning & Development Agency have been working to implement the provisions of the Grant. Arranging for the purchase of the property has been done in accordance with State and Federal regulations and requirements.

The Planning & Development Committee and Agency will comply with Federal requirements for demolishing structures on the property, conduct site restoration activities, and conduct final grading and seeding. Upon completion of this work, final disposition of the property will be determined.
