EXECUTIVE SUMMARY

Resolution Authorizing 2010 Farmland Preservation Program Planning Grant

In order to participate in the State Farmland Preservation Program, a county must have a state-certified Farmland Preservation Plan. Farmers in participating counties may qualify for significant tax credits (s. 71.613, Wis. Stats.). Most counties must update their certified plans by deadline dates ranging from 2011 to 2015 in order to continue program participation (s. 91.14, Wis. Stats.).

A certified plan must meet state standards (ss. 91.10 and 91.18, Wis. Stats.), and must be consistent with the county’s comprehensive plan. Among other things, a certified plan must identify clearly-mapped areas that the county plans to preserve for agricultural use. Farmers in those areas are eligible for tax credits if their land is covered by a Certified Farmland Preservation Zoning Ordinance or an individual Farmland Preservation Agreement. Other Farmland Preservation Program benefits, including agricultural enterprise area designations and agricultural conservation easement purchases, are likewise limited to farmland preservation areas designated in the county’s certified plan.

The agreement with the Department of Agriculture, Trade, and Consumer Protection requires that Rock County contribute at least 50% of the total eligible costs identified in a reimbursement request from any combination of county levy, non-state grant funds, and in-kind services including work performed by county employees but not including the work of unpaid volunteers. Rock County’s contribution will be in the form of in-kind services.

The Rock County Agricultural Preservation Plan was certified in 2005 for ten years. The County has the option to remain certified until 2015 or take a Farmland Preservation Planning Grant for certification by December 31, 2011. Staff at the Rock County Planning and Development Agency recommend taking advantage of the planning grant from the Wisconsin Department of Agriculture, Trade, and Consumer Protection to do an update of the Rock County Farmland Preservation Plan in order to take advantage of new features in the law. Sixteen of Rock County’s twenty towns will also be required to bring their zoning ordinances up to the new standards in Ch. 91, Wis. Stats. By updating the town zoning ordinances by 2012 and doing the County Farmland Preservation Plan about the same time, we can insure that the zoning ordinances are consistent with the plan, a statutory requirement.

Executive Summary

Authorizing Submission of Edward Byrne Memorial Justice Assistance Grant Application and Authorizing Interagency Agreement with Beloit and Janesville

Rock County, the City of Beloit, and the City of Janesville are eligible to apply for the Edward Byrne Memorial Justice Assistance Grant, commonly referred to as JAG. Based on a formula funding disparity between the county and the cities, the municipalities are required to apply for the award with a single, joint application.

The Rock County Sheriff’s Office requests authorization to apply for this grant in the amount of $56,309. The Bureau of Justice Assistance will be making awards to assist local efforts to prevent or reduce crime and violence.

Rock County will act as the fiscal agent. The responsibilities of the fiscal agent include filing the application, administering and distributing the funds, monitoring the award, and submitting reports, performance measures, and program assessment data.

The grant application process requires an inter-agency agreement to be signed by each jurisdiction’s authorized representative. The agreement specifies the fiscal agent and specifies the division of the grant proceeds. The proceeds will be split as follows: Beloit - $23,400; Janesville - $21,700; Rock County - $11,209.

The grant application will be made available for the County Board to review not fewer than thirty days before the application is submitted to BJA. The application will made public, and an opportunity to comment will be provided to citizens.

- Executive Summary -
Awarding Contract for Culvert Reconstruction
at Carver Roehl Park

Rock County is the owner of the Carver Roehl County Park that has experienced frequent flooding issues on an annual basis due to the current entrance and culvert system. The current system was designed as a spillway that overtops the roadway during heavy rains and consequently closes the park during such times due to a flooded entrance.

MSA engineering firm was previously hired to do hydraulic sizing study to define adequate culvert size and design needs. Bids were solicited and received based on specifications from our design consultant.

The lowest responsible total bid for the culvert reconstruction in the amount of $67,625 for the base bid and in the amount of $12,920 for alternate #1 was Odling Construction of Delavan, Wisconsin for a combined total of $80,545.

Funds for this project are included in the 2010 budget.

AWARDING THE SALE OF $5,815,000
TAXABLE GENERAL OBLIGATION PROMISSORY NOTES (RECOVERY
ZONE ECONOMIC DEVELOPMENT BONDS – DIRECT PAY); PROVIDING
THE FORM OF THE NOTES; AND LEVYING A TAX
IN CONNECTION THEREWITH

WHEREAS, the County Board hereby finds and determines that it is necessary, desirable
and in the best interests of Rock County, Wisconsin (the “County”) to raise funds for the purpose
of paying the costs of County capital improvements projects in 2009 and 2010 including
improvements to the HCC Complex, Rock Haven, the Courthouse, the highway building, the
airport, parks and highways; equipment acquisition; and information technology upgrades and
updates (the “Project”) and there are insufficient funds on hand to pay said costs;

WHEREAS, counties are authorized by the provisions of Section 67.12(12) of the
Wisconsin Statutes to borrow money and to issue general obligation promissory notes for such
public purposes;

WHEREAS, it is the finding of the County Board that it is desirable and in the best
interest of the County to take steps necessary to irrevocably designate the Notes to be qualified
“Recovery Zone Economic Development Bonds” within the meaning of Subsection 1400U-2(b)
of the Internal Revenue Code of 1986, as amended, (the “Code”) and the applicable regulations
promulgated under the Code (the “Regulations”) so that the County may claim refundable credits
with respect to each interest payment on the Notes, payable to the County by the Secretary of the
United States Department of the Treasury; and

WHEREAS, by virtue of designating the Notes to be qualified Recovery Zone Economic
Development Bonds, a category of Build America Bonds, the interest on the Notes will be
includible in gross income for federal income tax purposes under Subsection 54AA(f)(1) of the
Code.

NOW, THEREFORE, BE IT RESOLVED by the County Board of the County that:

Section 1. Authorization of the Notes. For the purpose of paying the cost of the Project
there shall be borrowed pursuant to Chapter 67 of the Wisconsin Statutes, the principal sum of
FIVE MILLION EIGHT HUNDRED FIFTEEN THOUSAND DOLLARS ($5,815,000) from
______________________________, ___________________________ (the “Purchaser”), in
accordance with the terms and conditions of its purchase proposal attached hereto as Exhibit A
and incorporated herein by this reference.

Section 2. Sale of the Notes. To evidence such indebtedness, the County Board
Chairperson and County Clerk are hereby authorized, empowered and directed to make, execute,
issue and sell to the Purchaser for and on behalf of and in the name of the County, taxable
general obligation promissory notes aggregating the principal amount of FIVE MILLION
EIGHT HUNDRED FIFTEEN THOUSAND DOLLARS ($5,815,000) (the “Notes”), for the
sum of ____________________________ DOLLARS ($__________), plus
accrued interest to the date of delivery.
Section 7. Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Notes as the same becomes due, the full faith, credit and resources of the County are hereby irrevocably pledged and a direct annual irrepealable tax is hereby levied upon all taxable property of the County. Said direct annual irrepealable tax shall be levied in the years and amounts as follows:

The aforesaid direct annual irrepealable tax hereby levied shall be collected in addition to all other taxes and in the same manner and at the same time as other taxes of the County levied in said years are collected. So long as any part of the principal of or interest on the Notes remains unpaid, the tax herein above levied shall be and continues irrepealable except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus in the Debt Service Fund Account created herein.

Section 8. Debt Service Fund Account. There is hereby established in the County treasury a fund account separate and distinct from every other County fund or account designated "Debt Service Fund Account for $5,815,000 Taxable General Obligation Promissory Notes (Recovery Zone Economic Development Bonds – Direct Pay), dated June 15, 2010." There shall be deposited in said fund account any premium plus accrued interest paid on the Notes at the time of delivery to the Purchaser, all money raised by taxation pursuant to Section 7 hereof; all direct payment interest credits received by the County as described in Section 11 hereof not otherwise deposited into the general fund of the County as provided in Section 11 hereof and all other sums as may be necessary to pay interest on the Notes when the same shall become due and to retire the Notes at their respective maturity dates. Said fund account shall be used for the sole purpose of paying the principal of and interest on the Notes and shall be maintained for such purpose until such indebtedness is fully paid or otherwise extinguished.

Section 9. Segregated Borrowed Money Fund. The proceeds of the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into an account separate and distinct from all other funds and be disbursed solely for the purposes for which borrowed or for the payment for the principal of and the interest on the Notes.

Section 10. Arbitrage Covenant; Exemption from Rebate. The County shall not take any action with respect to the Note Proceeds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken on the date of the delivery of and payment for the Notes (the "Closing"), would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code") and any income tax regulations promulgated thereunder (the "Regulations").
Zone Economic Development Bonds. The County hereby further covenants and agrees that it will comply with the federal Davis Bacon prevailing wage requirements (as determined by the Secretary of the United States Department of Labor in accordance with Subchapter IV of Chapter 31 of Title 40 of the United State Code) in connection with the Project to the extent those requirements are applicable to the County by virtue of the issuance of the Notes.

Section 12. Persons Treated as Owners; Transfer of Notes. The County Clerk shall keep books for the registration and for the transfer of the Notes. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the County Clerk, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the County Clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the County Clerk shall record the name of each transferee in the registration book. No registration shall be made to bearer. The County Clerk shall cancel any Note surrendered for transfer.

The County shall cooperate in any such transfer, and the County Board Chairperson and County Clerk are authorized to execute any new Note or Notes necessary to effect any such transfer.

The 15th day of each calendar month next preceding each interest payment date shall be the record date for the Notes. Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the County maintained by the County Clerk at the close of business on the corresponding record date.

Section 13. Utilization Of The Depository Trust Company Book-Entry-Only-System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York (“DTC”), the County has heretofore agreed to the applicable provisions set forth in the DTC Blanket Issuer Letter of Representation and the Finance Director has executed such Letter of Representation and delivered it to the DTC on behalf of the County.

Section 14. Execution of the Notes. The Notes shall be issued in typewritten form, one Note for each maturity, executed on behalf of the County by the manual or facsimile signatures of the County Board Chairperson and County Clerk (except that one of the foregoing signatures shall be manual), sealed with its official or corporate seal, if any, and delivered to the Purchaser upon payment to the County of the purchase price thereof, plus accrued interest to the date of delivery. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the delivery of the Notes, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until such delivery. The aforesaid officers are hereby authorized to do all acts and execute and deliver all documents as may be necessary and convenient to effectuate the Closing.

REVEREND DR. FLOYD PRUDE, JR.

As a man of the cloth, Pastor Prude's work defines the word "volunteerism". As Pastor of Emmanuel Baptist Church in Beloit, he began the famous free hot lunch program that has provided thousands of meals to our community's less fortunate since its inception over 20+ years ago. He served on various community boards: Beloit 2020, Rock County Opportunities Industrialization Center (OIC), the Beloit (E) Quality Committee, the Stateline YMCA Board of Directors, Beloit Memorial High School Crisis Team, and the Beloit College "Help Yourself" Program Advisory Board.

Bill Barth, Editor of the Beloit Daily News, stated that Pastor Prude was always one of the leaders we looked to for comments on some of the most difficult issues facing the community. Pastor Prude exemplified leadership through his time of serving God's will and being the Senior Pastor of Emmanuel for over 30 years. He began the Emmanuel Bible Training Institute (EBTI) and various other ministries at Emmanuel. Outside of Emmanuel, he served as President of the Greater Beloit Minority Coalition for 23 years. He was a founding member and past officer of the Beloit Community Ministers Fellowship. He was Chair of the Religious Affairs of the Beloit Chapter of the NAACP and a charter member and Chairman of the OIC. Denominationally he served in many positions such as President of the WI General Baptist State Convention, Inc. Nationally he served as President of the American Baptist College Alumni Association. He was also appointed to serve as a member of the Board of Directors for the National Baptist Convention Sunday School Publishing Board.

Pastor Prude made many contributions. He was generous to the schools in the Beloit community. He gave his famous "We are the Purple Knights" speech during a crisis in the 80's. His strong efforts and influence in the Community Ministers Fellowship helped provide plenty of college-bound students with a scholarship. His never ending commitment to education provided area schools with school supplies and show cased their talents. His values and beliefs were not just based on people of color, but for all races because that is what God teaches us to do. His contributions were founded on love, unity and going above and beyond the call of duty. He was a key member of the community and always spoke highly of Beloit and its potential.

Words cannot express how Pastor Prude is missed in the community, but he lives through all of us.
WAYNE FLURY

Mr. Flury began to serve his village and Rock County in 1968 as a Footville Village Board member. He also served on the Parkview School Board and the Janesville Salvation Army Board of Directors.

Mr. Flury was a teaching Principal at Footville for five years; an elementary Principal for the Janesville School District for 35 years and elementary Principal at Brodhead for three years. He served as a Board Member and President of the Wisconsin Hereford Association, as well as the Rock County Beef Producers Association. Mr. Flury was a 4-H Beef Leader for the Center 4-H and served on the Rock County 4-H Fair Association Board for 28 years, 18 years as President.

The Flurys are the owners and operators of Flury Farms in Footville, Milton and Buffalo County, Wisconsin. Annually, in conjunction with a LaCrosse organization, physically challenged and elderly individuals are provided fishing opportunities at the Flury Farm in Buffalo County. Over 100 nursing home residents took part in the free fishing, luncheon and social activity at the pond in 2009.

In 1986 Flury Farms provided a job site placement for students participating in a summer experience based on a vocational exploration program sponsored by the Janesville Public Schools and the Rock County Private Industry Council.

Wayne Flury grew up on a farm in Buffalo County, Wisconsin. During his adult life, he balanced an outstanding career in public education and agriculture. His service in numerous voluntary and leadership capacities resulted in his having a positive impact on the lives of thousands of young people. He and his wife, Charlene, have partnered for 50 years to add value to the lives of countless individuals and numerous organizations. He is most worthy of recognition for all that he has given of himself to all of Rock County.
