AMENDING THE COUNTY’S PERSONNEL ORDINANCE

WHEREAS, Rock County has an established Personnel Ordinance: and,

WHEREAS, certain changes have been suggested by Employees and Department Managers to the Travel section: and,

WHEREAS, the County wants to incorporate these additional changes to the Personnel Ordinance effective at 12:01 a.m. April 1, 2016.

NOW, THEREFORE, BE IT RESOLVED, that the Rock County Board of Supervisors duly assembled this ______ day of ________, 2016, does hereby amend Chapter XVIII, the County’s Personnel Ordinance as follows:

CHAPTER XVIII
PERSONNEL ORDINANCE

18.626 Travel
The County shall reimburse employees for actual necessary and reasonable itemized travel costs incurred while on official authorized County business. Commuting expenses between an employee’s residence and normal place of employment are not reimbursable. All travel must be authorized by the Department Head in order to be eligible for reimbursement. Department Heads shall inform the County Administrator of any out of County travel plans. There will be no reimbursement for meals within the County, except as authorized by the Board Chair or Vice Chair. Out of County meals will be reimbursed at the IRS allowed rates. Receipts are required for all meals. Employees shall receive mileage reimbursement at the IRS allowed rate for all authorized travel in their personal automobile. Employees shall be required to complete an expense voucher before reimbursement will be made. All automobile allowances in all County departments shall be paid in a manner similar to that in which salaries are paid. Receipts are also required for air, train, bus or taxi travel, hotels or motels, meals, conference registration and all other items (except tolls) in excess of five dollars. Clerical employees who are required to return to work to take minutes at evening meetings shall be reimbursed for mileage to and from their residence. (This reimbursement is taxable to the employee.)

Meals allowed while in travel status:

• Breakfast—up to $8.00 including tip, may be claimed when the employee is out of the County prior to 7:00 a.m. on county business. The breakfast rate will be paid for meals prior to 10:30 a.m.

• Lunch—up to $10.00 including tip, may be claimed when the employee is out of the County between 10:30 a.m. and 2:30 p.m. on county business.

• Dinner—up to $20.00 including tip, may be claimed when the employee is out of the County after 6:00 p.m. on county business. The dinner rate will be paid for
meals after 2:30 p.m.

The above are maximums and it is not the intent that the employees should always spend the maximum allowed.

Meals are allowed when an employee is on County business out of Rock County. An itemized receipt from the point of purchase showing the details for what was purchased shall be required for reimbursement for all meals. No reimbursement shall be authorized for alcoholic beverages.

EXECUTIVE SUMMARY

Rock County’s Personnel Ordinance includes a section pertaining to travel and meal reimbursements. Several areas of concern have been expressed by staff and Department Heads pertaining to the meal reimbursement policy. These areas of concern include: the reimbursement amounts have not been adjusted since 2008, the inflexibility on how the allowance is allocated between meals and the lack of consideration for high cost areas of the country.

The changes to the ordinance will:

- tie the meal reimbursement daily rate to the IRS allowed rate just as the County currently does for mileage reimbursements. The IRS reviews the meal reimbursement rates every 3-5 years and makes adjustments based on industry data.
- allow staff to allocate the daily rate throughout the day to better meet their needs. For example, a staff member who prefers larger lunches and light dinners can allocate more of the daily rate to lunch.
- provide a more equitable reimbursement rate to staff traveling to high cost areas of the country.

Executive Summary
Amend DPW Budget to Authorize Purchase of a Turf Mower

In August 2015, one of the Department of Public Works' (DPW) Turf Mowers had a mechanical problem, lost power and crashed into a tree. The unit is assigned to the Parks Division. Damage to this 2004 mower was extensive and the County’s insurer has declared the unit a total loss. Insurance proceeds will reimburse the County for a replacement unit, less a $500 deductible.

Staff recommends applying the insurance proceeds and replacing the mower. The replacement unit has been quoted under the State Bid from Reinders, Inc. of Sussex, Wisconsin, at $21,462. That amount has been approved for payment by the County’s insurer.

Approval of the purchase is being sought. Since the DPW budget does not contain funds to cover the $500 deductible remaining, the Department budget must also be amended by $500 to complete the purchase.

TO RECOGNIZE ADDITIONAL FUNDING FROM REVENUE FROM STATE (WIMCR) AND AMEND THE 2015 DEVELOPMENTAL DISABILITIES BOARD BUDGET

WHEREAS, the Developmental Disabilities Board received funding from Revenue From State (WIMCR) paid to the Developmental Disabilities Board in CY 2015; and,

WHEREAS, the award of 2015 funds in the amount of $1,047,096 from Revenue From State (WIMCR) was received by the Developmental Disabilities Board in 2015; and,

WHEREAS, the amount of Revenue from State (WIMCR) exceeded the anticipated CY2015 Budgeted amount ($150,000) by $897,096; and,

WHEREAS, the Developmental Disabilities Board intends to use $95,031 of the CY 2015 surplus funds from Revenue From State (WIMCR) to fund the therapy component of the Birth to Three program due to the initial start-up costs, increased number of children receiving therapy and multiple therapy services and the transition of services from a previous provider to CESA-2 in CY2015; and,

WHEREAS, the increased funding in the amount of $95,031 will prevent a budgetary shortfall in the Rock County Birth to Three Program for 2015.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this ______ day of ________, 2016 does hereby approve the additional $95,031 payment to CESA-2 and amend the 2015 budget as follows:

Creating 4.0 FTE Children, Youth and Families Division Case Manager Positions and Creating 1.0 FTE Youth Services Center Youth Specialist Position and Amending the 2016 HSD Budget

WHEREAS, the Case Managers in the CYF, Child Protective Services Units are experiencing an unprecedented rise in caseloads; many out of home placements of large sibling groups; increased number of “same day” response times to CPS referrals; and,

WHEREAS, the ability to manage the large caseloads are exacerbated by three ongoing workers taking Family Medical Leave starting in March, 2016; and,

WHEREAS, the CYF Child Protective Services Unit case managers are most vulnerable to being bumped by more senior case managers because of the implementation of Family Care; and,

WHEREAS, the CYF Child Protective Services Units cannot manage a significant displacement of case managers; and,

WHEREAS, the CYF Children Protective Services Unit case managers require extensive training of four to six months before they are able to independently handle cases; and,

WHEREAS, the Human Services Department is requesting approval of 4.0 FTE’s to allow for adequate staff coverage to respond to the increased caseload; and,

WHEREAS, the Human Services Department eliminated 1.0 YSC position as of 3/31/16 as part of the 2016 budget in anticipation of physical plant changes to the YSC which would have enabled 1.0 FTE in YSC to be eliminated; and,

WHEREAS, the cost of the physical plant changes were deemed too costly to pursue; and,

WHEREAS, to maintain the health and safety of staff and residents of the Youth Services Center the Human Services Department is requesting approval to fund the 1.0 FTE Youth Specialist at the Youth Services Center through the balance of 2016.

NOW, THEREFORE, BE IT RESOLVED, that the Rock County Board of Supervisors duly assembled this ______ day of __________, 2016 does hereby authorize the creation of 4.0 FTE CYF Case Managers and funds 1.0 FTE Youth Specialist through the balance of 2016.

Executive Summary

The Children, Youth & Families (CYF) Division is requesting 4.0 FTE’s to manage Child Protective Service (CPS) cases. CPS case managers are the least senior in the CYF Division and therefore will be impacted most significantly by “bumping” of senior LTS case managers with the advent of Family Care. Due to the significant workload at this time as well as 3 staff pending FMLA leave starting in March, the CPS units cannot manage the displacement of a substantial number of case managers.

The 4.0 FTE Case Managers would serve three purposes which include the ability to have open positions available to AMHS staff who may bump or get bumped into CPS. It will avoid the bumping of trained CPS staff (it takes 4-6 months to fulfill State required trainings prior to providing case management) and having to train all new staff who bumped into CPS positions. Finally, it will allow the CYF Division to hire experienced social workers into open positions when the bumping process is complete.

The CYF Division eliminated 1.0 FTE Youth Specialist as of 3/31/16 as part of the 2016 Human Services Budget. Due to the expected substantial remodel of the interior of the Youth Services Center (YSC). Due to the physical plant design such a project was cost prohibitive. Therefore, the 1.0 FTE must be recreated to maintain the current staffing level at the YSC to ensure the health and safety of the residents placed by the court for the balance of the year.

Human Services is requesting the transfer of $295,657 from the County General Fund to the Human Services 2016 Budget for the cost of these five positions along with the purchase of phones and PCs to support the positions.
Creating 4.0 FTE Children’s Long Term Support Services Case Manager Positions and Amending the 2016 HSD Budget

WHEREAS, Children’s Long Term Support (CLTS) is a Medicaid Waiver program that provides services and supports to children with long term needs who are at risk of institutional level care, in order to keep them at home and in their communities; and,

WHEREAS, the target groups served through CLTS include children with physical disabilities, developmental disabilities, and severe emotional disabilities; and,

WHEREAS, currently, CLTS services in Rock County are delivered through a bifurcated model in which HSD serves some children through 4.0 FTE HSD case managers and Catholic Charities serves other children via a contract with HSD (4.25 FTE); and,

WHEREAS, in concert with Rock County’s transition to Family Care, HSD plans to consolidate the CLTS services and shift the service delivery model to deliver the CLTS services within the Human Services Department and no longer contract with Catholic Charities; and,

WHEREAS, in addition, this shift will allow for improved integration of care and enhanced ability to serve complex cases involved with the CYF Division which may be at risk for out of home placement, thus creating cost savings; and,

WHEREAS, the 4.0 FTE Case Manager positions are required to serve these additional cases and accomplish the work required; and,

WHEREAS, funding for these positions and associated program costs exists in the Rock County Human Services department budget as the case managers bill Medicaid for the services that they provide.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this ______ day of __________, 2016 does hereby approve creating the 4.0 FTE Case Manager positions.

Executive Summary

Children's Long Term Support (CLTS) provides services and supports to children with long term needs who are at risk of institutional level care, to keep them at home and in their communities. This is a Medicaid Waiver funded program. Target groups served through CLTS include children with physical disabilities, developmental disabilities, and severe emotional disabilities. Currently, CLTS services in Rock County are delivered through a bifurcated model in which HSD serves some children through 4.0 FTE HSD case managers and Catholic Charities serves other children via a contract with HSD (4.25 FTE).

In concert with Rock County's transition to Family Care, HSD plans to shift the service delivery model to deliver all CLTS services within the Human Services Department and no longer contract with Catholic Charities. In addition, this program shift will allow for improved integration of care and enhanced ability to serve complex cases involved with the CYF Division which may be at risk for out of home placement, creating costs savings in the CYF area.

This resolution authorizes the creation of four positions (Case Managers) within the Human Services Department to assume the current Catholic Charities cases and fully integrate the HSD CLTS Program.

Creating 1.0 FTE Information & Assistance Specialist for the ADRC and 1.0 FTE Adult Protective Services/WATTS Position and Amending the 2016 HSD Budget

WHEREAS, the Family Care bill was signed by Governor Walker on Tuesday, January 26, 2016. It requires the Family Care Benefit and self-directed services options to be provided to citizens in Rock County and implemented beginning July 1, 2016; and,

WHEREAS, preparation for Family Care involves re-screening for functional eligibility for approximately 450 people on the wait lists; this includes frail elders, individuals with developmental disabilities and physical disabilities. In addition, approximately 1000 people (of the same target groups) will be provided enrollment counseling regarding the new Family Care benefits and assistance through transition into the new benefit of their choice; and,

WHEREAS, as the “gateway to public funding” for the residents of Rock County, and as the “One-Stop-Shop” for individuals in search of services and/or resources, the ADRC requires adequate staff so that all people who are eligible for the Family Care benefit and who need assistance can access the available services without delay; and,

WHEREAS, due to the magnitude of numbers, the complexity of the programs, and the growth in the ADRC since opening in 2013, HSD needs another 1.0 FTE Information & Assistance Specialist (I&A) in the ADRC to address the projected workload increase; and,

WHEREAS, in addition, as the Family Care benefit is implemented, Rock County will receive additional Elder Abuse Funds (total of $184,253 annually per DHS 2015-01 Fiscal Update Memo #1). These APS funds must be used to cover the cost of service coordination, respite and to assist a client to leave a neglectful-abusive situation; and,

WHEREAS, currently, HSD has 1.0 FTE allocated to this position, however, the increase in abusive/neglectful incidents has gone up and are time consuming. Therefore, another 1.0 FTE Adult Protective Services (APS)/WATTS position is needed to assist with the APS investigations and complete all protective placement/WATTS reviews for HSD.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this day of __, 2016 does hereby approve creating 1.0 FTE Information and Assistance Specialist for the ADRC and 1.0 FTE Adult Protective Services/WATTS position.

BE IT FURTHER RESOLVED, that the 2016 HSD budget be amended as follows:

Executive Summary

Creating 1.0 FTE Information & Assistance Specialist for the ADRC and 1.0 FTE Adult Protective Services/WATTS Position and Amending the 2016 HSD Budget

The Family Care bill was signed by Governor Walker on Tuesday, January 26, 2016. It requires the Family Care Benefit and self-directed services options to be provided to citizens in Rock County and implemented beginning July 1, 2016.

Preparation for Family Care involves re-screening for functional eligibility for approximately 450 people on the wait lists; this includes frail elders, individuals with developmental disabilities and physical disabilities. In addition, approximately 1000 people (of the same target groups) will be provided enrollment counseling regarding the new Family Care benefits and assistance through transition into the new benefit of their choice.

As the “gateway to public funding” for the residents of Rock County, and as the “One-Stop-Shop” for individuals in search of services and/or resources, the ADRC requires adequate staff so that all people who are eligible for the Family Care benefit and who need assistance can access the available services without delay.

Due to the magnitude of numbers, the complexity of the programs, and the growth in the ADRC since opening in 2013, HSD needs to create another 1.0 FTE Information & Assistance Specialist (I&A) in the ADRC to address the projected workload increase.

In addition, as the Family Care benefit is implemented, Rock County will receive additional Elder Abuse Funds (total of $184,253 per DHS 2015-01 Fiscal Update Memo #1). These funds must be used to cover the cost of service coordination, respite, needed supplies, housing, and any expenses related to assisting a client to leave a neglectful-abusive situation. Currently, HSD has 1.0 FTE allocated to fund this position. However, the increase in abusive/neglectful incidents has gone up 10% in 2013 and another 18% in 2014. These cases are also time consuming and can involve multiple disciplines including court services, guardianship, and protective placements/WATTS reviews. It is expected that these numbers will continue to rise with more clients served by Family Care MCO’s.

Therefore, HSD requests creation of a 1.0 FTE Information & Assistance Specialist for the ADRC and 1.0 FTE Adult Protective Services (APS)/WATTS position to assist with the APS investigations and complete all protective placement/WATTS reviews.

Retaining Engineering Firm to Prepare Plans and Specifications for Parking Lot and Sidewalk Replacement Projects

The resolution before you hires Batterman Engineering for design services related to four parking lot and sidewalk reconstruction projects. Also included will be construction supervision, and a small contingency to cover additional project related expenses if needed.

The four projects include:

- Reconstruction (base and asphalt) of the 911 parking lot that was constructed in 1992 when the building was built. Estimated cost - $48,000.00

- Reconstruction of the south/student parking lot at UW-Rock. The lot is original to the campus. Two or three lifts were added over the years. Estimated cost is $502,000.00.

- Replacement of deteriorated cement sidewalks leading up to three entrance doors at the Glen Oaks facility. Estimated cost is $6,700.00.

- Replacement of the cement sidewalks along the front side of the Job Center, and the sidewalk along Centerway Avenue. The estimated cost is $24,900.00.

- Executive Summary -

The Department of Public Works (DPW) Building currently has no security fencing surrounding the perimeter of the Main Shop or the storage areas and buildings north of the Main Shop.

There have been instances in recent years where materials and supplies have been stolen. There is open access to these materials and supplies, as well as equipment that is stored outside. Trespassers could also be injured on our site. Installation of a security fence will limit the open access and provide better security of the County’s investments in materials, supplies and equipment.

DPW Staff considered multiple options for security fencing. This resulted in a request for a bid package that included a base bid and four alternate upgrades. The Department, in conjunction with the county Purchasing Division, solicited bids for the project.

The base bid is for fencing to be installed beginning at the northeastern corner of the Main Shop, then along the eastern property line to the northern property line. Fencing from the southwestern corner of the Main Shop to the western property line is also included. There are three access gates included with the base bid to allow access to all areas of the facility.

Alternate A is for the installation of electric gate operators for two of the access gates.

Alternate B is for completing fence installation along the north and west property lines which will fully enclose the area of the Main Shop.

Alternates C is for installing three strands of barbed-wire along the top of the fence included in the base bid.

Alternate D is for installing three strands of barbed-wire along the top of the fence included in the base bid and Alternate B.

Staff is recommending the award of a contract to lowest responsible bidder, Century Fence of Pewaukee, WI for the base bid in the amount of $39,994.00 and Alternate B in the amount of $27,456.00, for a total bid amount of $67,450.00. $75,000 is budgeted for the project.

EXECUTIVE SUMMARY

In 2015, the Wisconsin Department of Transportation (DOT) approached Rock County about the possibility of constructing a park-and-ride in Newville as part of the Interstate 39/90 expansion project, contingent on local government(s) providing on-site maintenance. Due to delays in the I-39/90 project, construction is slated for 2016, and it is anticipated that the park-and-ride will open in 2017. The DOT requires that Rock County pass a resolution approving the agreement. On January 28, 2016, the Rock County Board passed an agreement to further share the maintenance cost with the City of Edgerton and the Towns of Fulton and Milton.

The DOT will pay to reconstruct the park-and-ride lot when it reaches the end of its useful life.
AGREEMENT FOR THE MAINTENANCE OF
THE NEWVILLE PARK-AND-RIDE LOT
BETWEEN
THE WISCONSIN DEPARTMENT OF TRANSPORTATION
AND ROCK COUNTY

This agreement for Maintenance of the Newville Park-and-ride Lot between the Wisconsin Department of Transportation and Rock County (the Agreement) is made and entered into this ___ day of __________, 201__, by and between Rock County, hereinafter called “Rock County”, and the State of Wisconsin, Department of Transportation, hereinafter called the “State”. This Agreement shall be effective upon last signature below.

WITNESSETH:

WHEREAS, the State owns real estate and is proposing to construct a park-and-ride lot, hereinafter called the “Lot” within Rock County. The Lot is located at the intersection of STH 59 and N Richardson Springs Road, on the south east side of the interchange of I-39/90 and STH 59.

WHEREAS, State Statute 66.0301, allows municipalities, including Rock County and the State to contract with one another for the receipt or furnishing of services or joint exercise of any power or duty required or authorized by law.

NOW, THEREFORE, in consideration of the mutual covenants herein set forth, and other good and valuable considerations, the receipt of which is hereby acknowledged, it is agreed by and between the parties as follows:

1. **Lot Construction.** The State shall construct, at its own expense, the travel and parking surface of the Lot and the access roads to the Lot under the State Construction Project 1005-10-72. The State shall also in its sole discretion and at its expense, install lot appurtenances it deems necessary for operation of the Lot including, but not necessarily limited to landscaping, sidewalk, bike rack, directional signage to the Lot, paint lines for parking stalls, and trash receptacles. All materials provided for Lot construction and appurtenances shall remain the property of the State. The State anticipates Lot construction in 2016.

2. **Additional Signs and Landscaping.** Rock County may provide, at its own expense, upon written approval of the State, additional signage and landscaping. In no event may Rock County place any item or sign which is in violation of any state or federal prohibition.

3. **Lighting.** The State shall provide, at its own expense, a lighting system for the Lot. Rock County shall provide, at its own expense, all electricity necessary to operate said lighting system. Rock County shall be responsible for maintaining the lighting system including replacement of burnt out bulbs and repair or replacement of any damaged or defective poles and appurtenances and paying all electricity costs associated with the lighting.
4. **Lot Maintenance.** Rock County agrees to provide the following lot maintenance at its own expense: remove snow and ice from the parking and travel surfaces during the winter months, periodically repaint worn parking lot lines, periodically perform crack filling, repair sign posts and signs, sweep debris from lot surfaces on a periodic basis, mow any grass areas on a regular basis, maintain drainage structures, provide for the proper removal and disposal of trash from the properties and from the trash receptacles, remove graffiti, and haul abandoned vehicles from the sites and any other reasonable maintenance deemed necessary by the State to keep the Lot in safe and good order.

5. **Unforeseen Lot Maintenance.** The State and Rock County agree to meet and determine a mutually acceptable solution for maintenance duties and costs not covered under this agreement. The State shall be responsible for all costs associated with the collection and removal of hazardous material which would include any potential hazardous material disposal and cleanup costs.

6. **Lot Rehabilitation.** The State shall, at its expense, perform resurfacing or replacement of the travel and parking surface of the Lot as it deems necessary in its sole discretion. Also, replacement of any items owned by the State shall be the responsibility of the State, at its own expense. Rock County shall provide, at its own expense, replacements for any signage and landscaping within the boundaries of the Lot including state provided signage and landscaping.

7. **Removal of Equipment.** County shall obtain permission from State to store items or equipment on or at the Lot for emergency response or other purposes. Upon termination of this maintenance agreement any items or equipment stored on or at the Lot by Rock County shall be removed by Rock County.

8. **Enforcement.** Rock County shall be responsible for the promulgation and enforcement of noise, parking, and loitering restrictions in the Lot related to the public’s use. Rock County or the Town of Fulton may pass such ordinances, as they deem necessary to govern the restrictions in the Lot, and may use such methods as they deem appropriate to assure compliance with said ordinances. Any other restriction, including parking, shall require written concurrence from the State. State is not bound by such any ordinances.

9. **Liability.** Rock County and State shall assume liability for any and all claims for injury to persons or property arising out of the acts of negligence of their own officers, agents, or employees. No indemnity shall apply to or from either party to the other except as required under state law. Each party shall be responsible for property damage caused by it as to the other party’s owned items.

10. **Term.** The term of this Maintenance Agreement shall be twenty (20) years from the Effective Date. This Agreement shall automatically be renewed under the same terms and conditions for additional one (1) year terms, unless either party shall give written notice of its intent to terminate to the other party at least ninety (90) days prior to expiration.
IN WITNESS WHEREOF, the parties hereto have executed the Maintenance Agreement effective as of the day and year first above written.

RESTRUCTURING OF ROCK COUNTY TRANSPORTATION COORDINATING COMMITTEE SUB-COMMITTEES

WHEREAS, the Rock County Board of Supervisors created the 15-member Transportation Coordinating Committee on January 24, 2013; and,

WHEREAS, the Transportation Coordinating Committee has among its designated duties to develop and administer a county Transportation Coordination Plan; and,

WHEREAS, the Transportation Coordinating Committee adopted the 2013 Rock County Public Transit Human Services Coordinated Transportation Plan on December 13, 2013; and,

WHEREAS, in 2014 four sub-committees were developed in order to foster implementation of the action items identified in the plan, those being:
- Marketing and outreach sub-committee,
- Personal mobility sub-committee,
- Bicycle and pedestrian sub-committee,
- Transportation advocacy sub-committee; and,

WHEREAS, it has been determined that a more efficient structure would be to combine those four sub-committees into two, being:
- Advocacy,
- Mobility; and,

WHEREAS, the sub-committees will act in an advisory manner to the Transportation Coordinating Committee on matters related to the implementation of specific action items identified in the Public Transit Human Services Coordinated Transportation Plan; and,

WHEREAS, seven representatives from Transportation Coordinating Committee will be appointed to each sub-committee and the Mobility Manager will serve on both sub-committees; and,

WHEREAS, the Chair of the Transportation Coordinating Committee will appoint a member to serve as a chair of each respective sub-committee.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this ______ day of ____________, 2016 does hereby dissolve the previous four sub-committees and authorizes the establishment of the Advocacy and Mobility sub-committees, comprised of seven members each, to the Rock County Transportation Coordinating Committee.

Executive Summary

The Rock County Transportation Coordinating Committee (TCC) has amongst its assigned duties to develop and administer the County’s Public Transit-Human Services Coordinated Transportation Plan. This plan was adopted by the TCC on December 13, 2013. Because of the extensive nature of the action items identified in the plan implementation will best be accomplished through the establishment and restructuring of two sub-committees:

- Advocacy
- Mobility

The sub-committees will each be comprised of seven members of the TCC and the Mobility Manager and will act in an advisory manner to the TCC and the sub-committees on items related to the previously mentioned areas of focus. Among the responsibilities of each sub-committee will be the solicitation of input from various key community stakeholders.

REQUESTING THE STATE LEGISLATURE TO TAKE STEPS TO ENACT A CONSTITUTIONAL AMENDMENT REGARDING UNFUNDED MANDATES

WHEREAS, the County of Rock is concerned with the negative impacts unfunded state mandates have on the services provided by local governments, including counties, and with the fiscal impacts they have on local taxpayers; and

WHEREAS, the priorities and programs of citizens of local government are often curtailed when limited local funds must be diverted to pay for unfunded state mandates; and

WHEREAS, many in state government rightly oppose unfunded federal mandates on the states, yet the state continues to provide new unfunded mandates on local governments; and

WHEREAS, with the current levy limits imposed upon counties, these unfunded mandates put an oppressive burden on county budgets; and

WHEREAS, some other states have enacted laws that if a proposed mandate increases costs to the local governments, before the legislature approves that act, a new funding source to pay for the new mandate must be provided; and

WHEREAS, such action would improve accountability to taxpayers and voters and represents a common sense reform that both statewide and local constituents are demanding.

NOW, THEREFORE, BE IT RESOLVED, by the Rock County Board of Supervisors in session this ______ day ______, 2015 that they encourage the Wisconsin State Legislature to take steps to adopt a constitutional amendment to restrict the power of the legislature to mandate requirements upon local governments.

BE IT FURTHER RESOLVED THAT a provision similar to the following be proposed as a state constitutional amendment:

No bill enacted by the legislature on or after January 1, 2016, requiring a local government to establish, expand or modify a duty or activity that requires the expenditure of revenue by the local government shall be effective until and unless the legislature appropriates or otherwise provides for the payment or reimbursement, from a source other than the revenue of the local government, for the costs incurred for the biennium by the local government in complying with this requirement.

BE IT FURTHER RESOLVED THAT for the purposes of this constitutional amendment, local government would include county, city, town, village, technical college or school districts.

BE IT FURTHER RESOLVED THAT a copy of this resolution be sent to all Rock County state legislators and the Governor of the State of Wisconsin.

MERIT PAY FOR NON-REPRESENTED EMPLOYEES

WHEREAS, it is in the best interests of Rock County that the salaries of all employees be adjusted periodically.

WHEREAS, the County has considered the effects of inflation upon salaries, changes in the labor markets, and the need to attract and retain qualified employees.

WHEREAS, Employee merit pay is shown to better improve employee performance, recruiting and retention vs. a pay for longevity plan.

WHEREAS, Merit pay programs link pay to performance in a manner consistent with the mission of the organization.

WHEREAS, Employee merit pay and partial merit pay plans are being implemented in an ever increasing number of Wisconsin counties and municipalities; supporting the overall efficacy of such plans.

WHEREAS, The Rock County Human Resources Department has an existing plan to conduct a study of employee classifications and jobs in 2016.

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors that it hereby directs the Rock County Administrator and the Rock County Human Resources Director to conduct a merit pay study and develop a merit pay proposal for Rock County’s non-represented employees and to present such a proposal to the appropriate committees and to the Rock County Board in the third and fourth quarters of 2016.
