INITIAL RESOLUTION AUTHORIZING GENERAL OBLIGATION
BONDS AND/OR NOTES IN AN AMOUNT NOT TO EXCEED $3,000,000
PAGE 2

FISCAL NOTE:

The purpose of this resolution is to authorize expenditures from the 2018 deferred finance budget appropriations prior to actual debt issuance. The 2018 budgeted capital projects are estimated to cost $3,000,000 (plus issuance costs) for Highway Road Construction Capital Projects. If the County adopts this resolution, the project costs and issuance costs will be included in a subsequent resolution that authorizes the issuance of General Obligation Bonds and/or Notes.

Sherry Oja
Finance Director

LEGAL NOTE:

This is only an initial resolution. Pursuant to sec. 67.05(10), Stats., the County Board, before issuing any contemplated long-term debt, must adopt a resolution levying a direct, annual tax sufficient in an amount to pay for the express purpose of paying the interest on such bonds as it falls due, and also to pay and discharge the principal thereof at maturity. That will happen at a later date.

A majority vote is necessary to adopt this resolution. However, a three-fourths vote of the "members-elect" would avoid any potential issue relative to the debt levy rate limit.
