M. EXECUTIVE SESSION: Per Section 19.85(1)(e), Wis. Stats. – Update on Collective Bargaining

13. ADJOURNMENT
Amendments to the Rock County Floodplain Zoning Ordinance

Floodplain Map Amendment

THE BOARD OF SUPERVISORS OF THE COUNTY OF ROCK, at its regular meeting this __________ day of __________, 2015, does hereby ordain as follows:

I. The Floodplain Map and text of Section 4.401(5)(B) Part 4 – Floodplain Zoning of the Rock County Code of Ordinances shall be amended by revising and recreating subsection (B) to read as follows (new language is underlined and deleted language is struck through):

4.401(5)(B) OFFICIAL MAPS & REVISIONS

The boundaries of all floodplain districts are designated as floodplains or A-Zones on the maps listed below and the revisions in the Rock County Floodplain Appendix. Any change to the base flood elevations (BFE) in the Flood Insurance Study (FIS) or on the Flood Insurance Rate Map (FIRM) must be reviewed and approved by the DNR and FEMA before it is effective. No changes to regional flood elevations (RFEs) on non-FEMA maps shall be effective until approved by the DNR. These maps and revisions are on file in the office of the Planning, Economic, and Community Development Agency, County of Rock. If more than one map or revision is referenced, the most current approved information shall apply.

Executive Summary

Proposed Amendment to Section 4.401(5)(B) Part – 4 Floodplain Zoning
Rock County Code of Ordinances

Amending the Rock County Floodplain Ordinance map reference, Section 4.401(5)(B) Part – 4 Floodplain Zoning, Rock County Code of Ordinances, will bring it into compliance with Title 44 of the Code of Federal Regulations Section 60.3 of the National Flood Insurance Program. Once adopted, the new Flood Insurance Rate Maps (FIRMs) become the effective map for regulatory purposes and will be used for issuing permits, etc. For insurance purposes the new FIRMS will be in effect on September 16, 2015. After that date, the new Flood Insurance Rate Maps will be used in the National Flood Insurance Program. Federal officers or agencies will review the FIRMs in approving any form of loan, grant, guaranty, insurance, payment, rebate, subsidy, and disaster assistance loan or grant, for acquisition or construction purposes within floodplain areas. For example, this would allow the issuance of federally backed mortgage loans, the approval of most conventional mortgage loans, federally connected financing for acquisition, construction, repair, or rehabilitation of buildings, and the granting of federal disaster aid for flood-related disasters in the Special Flood Hazard Area.

Rock County received a Letter of Final Determination (LFD) from the Federal Emergency Management Agency (FEMA) notifying the County that the revised Flood Insurance Rate Maps (FIRMs) would be effective on September 16, 2015 and of the requirement that the local floodplain ordinance must be amended and the revised FIRMs adopted by that date. A Letter of Final Map Determination (LFD) from FEMA is notification that the physical map revision process is completed. Specifically, an LFD notifies the community that the Special Flood Hazard Areas (SFHA) have been delineated, base flood elevations (BFE) have been set, all appeals and comments have been reviewed, considered and acted upon as appropriate and the new Flood Insurance Rate Maps have been created.

Amending the Sheriff's Office Budget for Costs Related to the Beloit Stop the Violence Initiative

WHEREAS, the Sheriff's Office Law Enforcement Services Division budgeted $256,250 for Overtime Wages in 2015; and,

WHEREAS, extra patrol for the Stop the Violence Initiative exhausted the Overtime Wages account, and additional expenses were incurred beyond the original $256,250 that was budgeted; and,

WHEREAS, actual expenses in Overtime Wages are projected to exceed budget by $225,500.

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors duly assembled this ______ day of __________, 2015, that the 2015 budget be amended as follows:

Executive Summary

Overtime Wages

The Sheriff's Office Law Enforcement Services Division budgeted $256,250 for Overtime Wages in 2015.

Due in part to extra patrol requested to help with the Stop the Violence Initiative, we have exhausted the Overtime Wages account. The shortage in Overtime Wages is projected to be $225,500.

Amend 2015 Budget

The Sheriff's Office Law Enforcement Services Division is requesting that the 2015 budget be amended to transfer $225,500 from the General Fund to Overtime Wages.

DATE DRAFTED

AMENDING THE 2015 COUNCIL ON AGING BUDGET TO ADJUST TITLE III, MOBILITY MANAGER AND LIGHTEN UP! ALLOCATIONS

WHEREAS, The Council on Aging receives Older Americans Act Title III and Mobility Manager funds that are estimated in the budget preparation process; and,

WHEREAS, the most recent 2015 allocations have been received from the Greater Wisconsin Agency on Aging Resources and the Wisconsin Department of Transportation; and,

WHEREAS, the Council on Aging has received a one-year extension of the Lighten Up! Grant.

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors duly assembled this day of ______ day of ______, 2015 does hereby amend the Adopted 2015 Rock County Council on Aging budget as follows:

FISCAL NOTE:

This resolution amends the Council on Aging’s 2015 budget to match actual awards. The Mobility Manager Grant has a required match for 2015, which will come from the E&H Transportation Trust Fund. The current balance in the trust fund is $155,289. No County matching funds are required for the other programs.

Sherry Oja
Finance Director

LEGAL NOTE:

As an amendment to the adopted 2015 County Budget, this Resolution requires a 2/3 vote of the entire membership of the County Board pursuant to sec. 65.90(5)(1), Wis. Stats.

Jodi Zimmerman
Deputy Corporation Counsel
EXECUTIVE SUMMARY

The Council on Aging budget is funded primarily with federal Older Americans Act and Department of Transportation revenues. During the budget preparation process, the amount of funding is estimated. Actual amounts are not available until the contract is received from the Greater Wisconsin Agency on Aging Resources, the area agency on aging, and the Wisconsin Department of Transportation.

This budget amendment provides small increases for Titles III-B (Supportive Services), III-C-1 (Congregate Meals), and III-C-2 (Home Delivered Meals). There are decreases in allocations for the National Services Incentive Program (NSIP), III-E (Family Caregiver Support Program). The federal Mobility Manager grant now has a required match. A transfer in from the E&H Transportation Trust Fund is being used to match the Mobility Manager grant. The Lighten Up! grant has been extended for another year.

DATE DRAFTED

Amending the 2015 HSD Budget to Accept the Transfer of County General Funds

WHEREAS, over the past several years, Human Services has worked to improve substance abuse
treatment services to Rock County citizens; and,

WHEREAS, examples of efforts to improve the AODA system include: creating a walk in clinic to
screen and assess citizens immediately; expanding the number of dually certified MH and AODA
treatment providers in our outpatient clinics; instituting an AODA Coordinating Committee to work in
 collaboration with the County established Behavioral Health Steering Committee; and,

WHEREAS, Human Services is now the treatment provider for the specialty courts: OWI; Drug; and
Treatment Alternatives; and,

WHEREAS, with the onset of the heroin epidemic, Human Services began a contract with Janesville
Psychiatric Services to provide medically assisted suboxone treatment for those addicted to heroin; and,

WHEREAS, suboxone treatment programs is at capacity and there is need for short term stabilization
and treatment services for people waiting for suboxone or residential treatment; and,

WHEREAS, the Human Services Department has responded to the increasing identified needs from the
broader community and Criminal Justice Coordinating Committee and Behavioral Health Redesign
Steering Committee members; and,

WHEREAS, the increased demand for AODA treatment, better identification of community need and
increased access to care, Human Services will fully expend the 2015 AODA Block Grant of $224,912 by
the end of August 2015; and,

WHEREAS, Human Services is requesting the transfer of $89,508 from the County General Fund to the
Human Services 2015 budget to continue funding for clients in need of necessary AODA treatment; and,

WHEREAS, we are requesting these funds for the balance of 2015, HSD also acknowledges that
resources are finite and the need will always exceed the available resources.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled
this _______ day of ______________, 2015, does hereby authorize the transfer of County General Funds.

BE IT FURTHER RESOLVED, that the Human Services Department budget for 2015 be amended

Josh Smith
County Administrator
EXECUTIVE SUMMARY

In recent years, there has been an increased demand for drug and alcohol addiction treatment services. Rock County Human Services is part of a community based treatment system that includes hospitals and clinics. All entities within this system have responded by treating more individuals who need AODA services.

There is also a more organized public advocacy for treatment. For example, the Behavioral Health Steering Committee works in collaboration with the AODA Coordinating Committee to increase community awareness and greater treatment capacity. The CICC recognizes the need for treatment alternatives to incarceration and created specialty court such as OWI, Drug and Treatment Alternatives. Law enforcement utilizes community policing techniques to steer those who have addictions to treatment programs.

Human Services has worked to improve substance abuse treatment services for Rock County citizens in response to advocacy and community need. Examples of efforts to improve the AODA system include: creating a walk in clinic to screen and assess citizens immediately; expanding the number of dually certified MH and AODA treatment providers in our outpatient clinics; and, participating in the expansion of treatment alternative programs in cooperation with the judicial system and law enforcement.

The increased demand for AODA treatment, better identification of community need and increased access to care means Human Services will exhaust its quarter million dollar AODA treatment budget by August. Human Services is requesting the transfer of $89,508 from the County General Fund to the Human Services 2015 budget to continue funding for clients in need of necessary AODA treatment. The Department requests these funds to pay for treatment services through the balance of 2015. HSD also acknowledges that public resources are finite and the need will always exceed the available resources.

With the onset of the heroin epidemic, The HSD began a contract with Janesville Psychiatric Services to provide a medically monitored suboxone treatment program. This program is at capacity. With part of this fund balance request, HSD will contract with a community agency for an AODA case manager to provide short term stabilization and treatment services for clients waiting for residential or suboxone treatment.

The contracted case manager would provide immediate support, treatment and stabilization services; link the client with local recovery support groups; keep the client “treatment ready”; assist in managing the wait list and linking clients with a payer source, such as Medicaid or other insurance.

Deputy Corporation Counsel
EXECUTIVE SUMMARY

AUTHORIZING AWARD OF CONTRACT FOR
SPORTSMAN’S PARK PLAYGROUND EQUIPMENT

This resolution provides final authorization to award the contract for installation of playground equipment at Sportsman’s Park in the amount of $35,000. This resolution awards the contract to Lee Recreation, who was selected because they had the best equipment and design based on proposals received. The decision was based not only on cost, but also on the overall natural look of the equipment and how it will fit within the park’s landscape. Each proposal was ranked using scoresheets that looked at the design and fit within the park, equipment colors, number and variety of play components, recycled material content, safety and ADA accessibility, budget, and insurance requirement.

The site preparation groundwork will be completed by the Rock County Department of Public Works to the bidder’s requirements.

Project will be funded through the Parks Capital Improvement Account (Account 41-4592-4800-67200). This project was budgeted at $35,000. Any site preparation and finish costs furnished by Public Works staff will be covered under the operating budget.

AUTHORIZING THE RENEWAL OF AGREEMENT WITH THE CITY OF JANESVILLE FOR THE HAZARDOUS MATERIALS RESPONSE TEAM

WHEREAS, the City of Janesville has firefighters equipped and trained in the proficiency standards necessary to safely and effectively respond to a Level "B" or Type III hazardous materials release; and,

WHEREAS, the City of Janesville is willing to deploy the team to respond to incidents involving actual or potential hazardous material releases of a Type III level of response on a countywide basis under the provision that the response is cost neutral to the City of Janesville; and,

WHEREAS, Resolution No. 11-12A-530 previously authorized the renewal of the agreement with the city of Janesville for hazardous material response services and renewed the confirmation of a team of certified and equipped firefighters within the Janesville Fire Department capable to serve as the Rock County Hazardous Materials Response Team, originally established in 2004; and,

WHEREAS, Wisconsin State Statute 323.71 and Chapter 2.508 of the Rock County Ordinances allow Rock County to bill the responsible party for the cost to respond to hazardous material releases; and,

WHEREAS, the billing is structured such that Rock County is able to recover some, if not all, of the costs associated with a hazardous materials response; and,

WHEREAS, given Rock County’s population density, transportation corridors, industrial base and focus on homeland security, the Rock County Board of Supervisors believes it is prudent to continue to maintain a countywide response capability.

NOW, THEREFORE, BE IT RESOLVED, that the Rock County Board of Supervisors duly assembled this ______ day of __________, 2015 does hereby authorize and direct the Rock County Board Chair and the Rock County Clerk to execute the renewal of the Hazmat Response Services Agreement with the City of Janesville.

Josh Smith
County Administrator
AUTHORIZING THE RENEWAL OF AGREEMENT WITH THE CITY OF JANESVILLE FOR THE HAZARDOUS MATERIALS RESPONSE TEAM

EXECUTIVE SUMMARY

The Rock County Hazardous Materials Response Team was permanently established in 2004, pursuant to the Rock County Hazmat Emergency Response Plan as mandated by Wisconsin Statute 323.14 and under the authority granted to local agencies to respond to hazardous substance releases per Wisconsin Statute 323.71.

The County of Rock and the City of Janesville Fire Department agreed to intergovernmental cooperation pursuant to the Rock County Hazmat Emergency Response Plan, to utilize the Janesville Hazmat Response Team as a countywide response asset, identifying the team as the Rock County Hazardous Materials Response Team. The Rock County Hazardous Materials Response Team is funded by Rock County.

This resolution authorizes the Board Chair and County Clerk to renew a three-year agreement with the City of Janesville for the provision of Hazmat response services. Under this agreement, the HAZMAT Response Team, composed of members of the Janesville Fire Department, will respond to Level "B" or Type III hazardous material incidents that occur anywhere within Rock County with the goal of arriving on scene in less than one hour. The Team will include approximately 38 personnel trained to the Hazardous Materials Technician level. This compliment of technicians would mean that a minimum of six to eight technicians are on duty at any given time.

The City is willing to provide services to Rock County with the caveat that it is cost neutral. Under this agreement, the County commits to pay for the fixed cost of keeping the team trained and response ready. The County also commits to pay the City for any incremental cost the team incurs should it make a HAZMAT response. Those costs include items such as employee time and consumable materials associated with the HAZMAT response. The County would pay the City's costs and bill the party responsible for the incident.

This Agreement may or may not be cost neutral to Rock County. Under Wisconsin State Statutes and Chapter 2.5 of the County Ordinances, Rock County can bill and collect from the responsible party for the cost of responding to hazardous materials incidents. The amount collected each year would depend on how many times the team is called out and how long it takes to control the incident.

The Rock County Hazardous Materials Response Team is also contracted with the State of Wisconsin to serve as a statewide response team for Type III hazardous material responses. The State of Wisconsin provides an additional funding to the team in the approximate amount of $15,813 for equipment purchases.

Jeffrey S. hugelisch
Corporation Counsel
AUTHORIZING INTERVIEW ROOMS UPGRADE AND
AUTHORIZING VENDOR FOR INTERVIEW ROOMS UPGRADE

Executive Summary

The Rock County Sheriff’s Office received a grant from the Hendricks Family Foundation, Inc., in the amount of $59,142. The funds will be used to upgrade the audio and video recording equipment in four interview rooms. A transfer of $858 from the Gasoline & Other Fuel (Law Enforcement Services) account will be necessary to complete the $60,000 purchase.

The Sheriff’s Office currently uses VeriPic Digital Evidence Manager System to manage all of their digital files which include digital photos, digital video, and digital audio files. These digital files are often used as evidence. Digital files stored on a regular computer can be edited. This is not desirable.

Videos created by the VeriPic Interview Room System can be authenticated by injecting patented multiple interlocking hashes at the source, inside the DVR. It is impossible to edit a digital photo, video file, or audio file in VeriPic without detection. VeriPic’s systems log all events using a tamperproof time clock. VeriPic holds the patent, which makes VeriPic the sole source provider of this type of data protection.

The cost of the interview room upgrade is $19,931 per room, totaling $79,724. VeriPic offered a manager’s discount of $19,724 if payment is made by August 14, 2015. With the discount, the cost of the project will be $60,000.

Sole Source Justification letter for the VeriPic® Interview Room System™

Dear Khone Nouansackey:

VeriPic® is the sole manufacturer of VeriPic® IRS™ (Interview Room System™). Our software enables users to digitally record video from Interview Rooms and other locations requiring video monitoring.

The VeriPic IRS can record from record from 1 to 4 cameras and 1 or 2 microphones per DVR, per room, and merge the video and audio signals appropriately.

Below I will go into more detail about other features our system offers.

Advanced Technology: VeriPic® holds 6 patents in photo, video and audio technology.
- US Patent #6,434,701
- US Patent #6,792,535
- US Patent #7,480,796
- US Patent #8,285,995
- US Patent #8,433,899
- Taiwan Patent NTU-147643

Compatibility with other VeriPic products your agency already has: All VeriPic products are fully integrated and compatible with all other VeriPic products. Your agency already has other VeriPic products and adding the VeriPic Interview Room System is a perfect complement to your other products because the VeriPic IRS and your existing VeriPic systems share a common database and user login accounts, user data and IRS data can be shared with your existing VeriPic products. The VeriPic IRS is the only one on the market that can share a common database with your other VeriPic Products.

Direct Transcript Creation: “Courtroom Ready” transcripts can be created from Video or Audio files created by the VeriPic Interview Room System through VeriPic’s partnership with Net Transcripts. Once the transcripts are ready the VeriPic IRS is the only system able to directly check those transcripts into the VeriPic® Digital Evidence Manager™ through the system’s compatibility with other VeriPic products.

Decoding a VeriPic® Database: If you work with one of hundreds of law enforcement agencies that currently use other VeriPic® systems. All VeriPic software products have in common the same data structure.

eDiscovery Compiler™: The VeriPic® Interview Room System™ is 100% compatible with the VeriPic® eDiscovery Compiler™ to make electronic discovery requests easy and accurate.

Unlimited Data Capacity: The VeriPic® Interview Room System™ has no database imposed upper bound on the amount of data it can hold or track. You can use as much disk space as you want to allocate to store your mugshots. VeriPic’s system, due to its advanced data structures and encryption, enables your agency to break this barrier by being able to store data both inside and outside the SQL database thus allowing your agency to store as much data as you allocate disk space for.
Authentication: VeriPic can authenticate videos created by the Interview Room System™ by detecting if a file has not been altered since being created by the VeriPic IRS by injecting patented multiple interlocking hashes (US Patent #7,480,796) at the source inside the DVR.

Securing the Data: We secure the data using military strength encryption. We also use a patented multiple interlocking hash methods to prevent changes in the data after it gets into our system.

Total Security: VeriPic systems have both Authentication and Securing of the Data.

Audit Trails: Only VeriPic’s systems have a fully protected Audit Trail™ using an Authentic Clock™. This means all events logged by the system use a tamperproof time clock. No other system uses a tamperproof time clock.

Data Security, U.S. Patent 7,480,796: This patent deals with the security of digital files as stored on a computer. The digital files can be digital photos, digital video, or digital audio files. Digital files stored on a computer can be edited. Often it is desirable to prevent editing of digital files because they may be used as evidence. A common practice is to use a hash calculation such as an MD5 or SHA hash to “lock the file down” to prevent unauthorized editing. VeriPic® realized as far back as 2002 that there is a flaw with this method because of HASH Collisions. A HASH Collision occurs when two different digital files produce the same HASH number. That is why VeriPic® filed for a patent to do things a better way. When using the VeriPic® Digital Evidence Manager®, HASH collisions become impossible for any conceivable digital photo, video or audio file. That means it is impossible to edit a digital photo or video or audio file in VeriPic® without detection! Since VeriPic® holds the patent, only VeriPic® and business partners authorized by VeriPic® can offer this technology. By the nature of patents, VeriPic® is the sole source provider of this type of data protection.

Note: SHA-1 was cracked in 2005. MD5 was cracked in 2008. VeriPic is protected from these hacking attacks because it uses JK-1 and JK-2 encryption algorithms. VeriPic does not use any encryption algorithms that have been compromised like MD5 and SHA-1.

User Defined Groups: VeriPic® assigns cases to user-defined groups. Each group has a particular access level ranging from No Access, Basic, Low, Medium, High or Maximum security clearance. You can also assign Copy & Paste, Enhancement, Print, and Export privileges to each group.

Compatibility with VieVu® Body Worn Cameras: VeriPic® is a business partner of VieVu®, GP1360 and WOLDCOM® and VeriPic products work seamlessly with Body Worn Cameras from these companies.

Compatibility with Streaming Networks, Inc. products: VeriPic® is a business partner of Streaming Networks, Inc. and products of both companies work together seamlessly including the iRecord® Covert video device.

Compatibility with Net Transcripts: VeriPic® products are compatible with Net Transcripts allowing direct creation of “Courtroom Ready” transcripts from Video or Audio files that can be directly checked in to the VeriPic™ Digital Evidence Manager™ and automatically become part of the data tracked with the case.

Compatibility with VeriPic® products: All VeriPic® brand products are compatible with the full range of VeriPic products with full database and login account compatibility including:

- VeriPic® Digital Evidence Manager™
- VeriPic® Barcode System™
- VeriPic® Mug Shot System™
- VeriPic® Digital Evidence Cloud™
- www.VeriPicReports.com and associated systems
Application Program Interface (API): VeriPic® is the only photo management software designed for law enforcement that has an Application Program Interface (API) kit available. With our API kit you can integrate other software applications with VeriPic®.

Experienced professionals insist on VeriPic® because our solutions offer unparalleled reliability, productivity and security. When you consider all the features of VeriPic®’s unique product offerings, it makes our solution very compelling and no other manufacturer can match it.

VeriPic, Inc. is both the sole manufacturer and the retailer of VeriPic® Interview Room System™. If your agency needs a system with the above listed features VeriPic, Inc. is your sole provider.

Thank you for your time and consideration in this matter.

Best Regards,

Craig Yarbrough
Digital Evidence Specialist
VeriPic®

LAND CONSERVATION COMMITTEE

INITIATED BY

LAND CONSERVATION COMMITTEE

SUBMITTED BY

AUTHORIZING MODIFICATIONS TO CONVEYANCE AGREEMENTS FOR 2014 APPLICATIONS FOR THE PURCHASE OF AGRICULTURAL CONSERVATION EASEMENTS (PACE) PROGRAM

WHEREAS, the Rock County Purchase of Agricultural Conservation Easements (PACE) Program acquires agricultural conservation easements ("Easements") on eligible lands throughout unincorporated Rock County; and,

WHEREAS, the Rock County Board of Supervisors, through Resolution 14-10B-136 (October 23, 2014), authorized the Rock County PACE Program to begin the Easement acquisition process via a Conveyance Agreement ("Agreement") for each of the following properties:

1. Morton - Rock County tax parcel number 6-10-101, Part of the W 1/4 of the SE 1/4, Section 14, Township 2N, Range 13E, LaPrairie Township (approximately 68 total acres)

2. Francis - Rock County tax parcel number 6-20-162, Part of the SW 1/4 of Section 20, Township 4N, Range 10E, Union Township (approximately 112.5 total acres)

3. Kraus - Rock County tax parcel numbers 6-10-2 and 6-10-7, Part of the E 1/2 of Section 1, Township 2N, Range 13E, LaPrairie Township (approximately 117 total acres)

4. Oberdeck - Rock County tax parcel number 6-6-50, Part of the E 1/2 of the W 1/4 of Section 7, Township 4N, Range 12E, Fulton Township (approximately 124 total acres); and,

WHEREAS, the Land Conservation Department ("LCD") submitted Easement acquisition funding applications for the aforementioned properties to the USDA-Natural Resources Conservation Service ("NRCS"); and,

WHEREAS, the LCD has been notified by the NRCS that no applications from Rock County were selected for funding, partially due to an unforeseen reduction in federal funding in Wisconsin for fiscal year 2015 and partially due to the fact that there were multiple applications from another entity which ranked higher; and,

WHEREAS, the Agreement states that Easement acquisition is contingent on funding from the NRCS, therefore unless an alternative arrangement is agreed to by Rock County and the landowner, the Easements will not be acquired in 2015; and,

WHEREAS, each landowner deposited $3,500.00 in an escrow account as earnest money at the beginning of the transaction process in the fall of 2014; and,

WHEREAS, the Agreement states that if the acquisition is terminated due to lack of financing then the transaction costs (i.e. appraisal, title insurance, survey, etc.) shall be borne equally by each party and a portion of the earnest money would be retained to pay the landowner's half of said costs; and,

WHEREAS, in an effort to maintain a strong interest in the PACE program by encouraging future applications and in light of the unforeseen circumstances which led to no applications from Rock County being funded by the NRCS this year, the Land Conservation Committee believes it is appropriate to return the earnest money in full to each landowner, therefore paying all transaction costs, rather than share the transaction costs as described in the Agreement.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this day of , 2015, does by enactment of this Resolution, authorize a modification to the Conveyance Agreements for the Morton, Francis, Kraus and Oberdeck properties to return the earnest money deposited in an escrow account by each landowner, subject to all terms and conditions stated therein.

EXECUTIVE SUMMARY

The Rock County Purchase of Agricultural Conservation Easements (PACE) Program acquires agricultural conservation easements ("Easements") on eligible lands throughout unincorporated Rock County. The acquisition of Easements is completed using a combination of County and Federal funding along with a partial landowner donation. Therefore, each purchase is contingent on the approval of funding by the USDA Natural Resources Conservation Service (NRCS).

In October 2014, the County Board authorized the Land Conservation Department (LCD) to proceed with acquisition on the four properties listed in this resolution via a Conveyance Agreement (Agreement). The four properties were selected by the PACE Council and Land Conservation Committee from the eight applications that were submitted to the PACE Program in 2014. After completing the appraisal process and executing Option to Purchase agreements, LCD staff submitted applications for NRCS funding in spring 2015. Following the NRCS ranking and selection process the LCD was notified that no applications from Rock County were selected for funding for Fiscal Year 2015. This was due to a large number of applications from another entity in the State (which were ranked higher) and due to the fact that the NRCS reduced funding for this program compared to previous years.

In a typical Easement acquisition which proceeds to closing, the County pays all transactions costs associated with the purchase. Transactions costs include the appraisal, title work, survey, recording fees and other closing costs. Transactions costs do not include County staff time to administer the program. As per the Agreement with each landowner, if the Easement is not selected for funding by the NRCS the transactions costs are to be shared by the County and the landowner. Each landowner has deposited $3,500 in an escrow account to pay their portion of these costs in the event the acquisition is not closed. Transactions costs for each application were $2,375.00.

Despite not being funded for Fiscal Year 2015, each landowner has expressed interest in reapplying during the next application cycle. After considering the circumstances which contributed to lack of funding this year, the Land Conservation Committee has determined that it is the best interest of the PACE Program to return the full earnest money amount to the landowners and not seek reimbursement for one half of the transactions costs. Section 9.2 of each Agreement allows modification by written Addendum signed by both parties. Approval of this Resolution authorizes the County to draft and sign an Addendum to the Agreement for the purposes described above.

RECOGNIZING NANCY PETERSON

WHEREAS, Nancy Peterson has served the citizens of Rock County for over twenty-four (24) years as a dedicated and valued employee of Rock County; and,

WHEREAS, Nancy Peterson began her career on January 2, 1991 as a Clerk Typist II in the Register of Deeds Office, where she carried out a variety of responsibilities including, but not limited to, microfilming real estate documents during a very busy time; and,

WHEREAS, on August 12, 1991 Ms. Peterson started the position of Terminal Operator II (Data Processing Operator) with the Human Services Department, where before the use of personal computers was widespread, she supported a variety of programs by entering key data into state systems using a computer that was supplied by the state, and did transcription and word processing for social workers among other things; and,

WHEREAS, on September 18, 1996, Ms. Peterson took the position of Administrative Assistant at the then called Juvenile Detention Center, where she provided general administrative support, ordered materials and supplies, took meeting minutes, completed filing and data entry; and,

WHEREAS, Ms. Peterson then took the position of Account Clerk – HSD on May 3rd, 1999, completing general accounting duties including processing petty cash requests, emergency assistance and funeral and cemetery payments, and working with various programs including Interim Assistance, W-2, Children’s Long Term Support, juvenile restitution and AODA; and,

WHEREAS, Ms. Peterson retired from the Rock County Human Services Department on July 17, 2015; and,

WHEREAS, during her career with Rock County, Nancy Peterson has proven herself to be a dedicated employee on behalf of Rock County children and families; and,

WHEREAS, the Rock County Board of Supervisors, representing the citizens of Rock County, wishes to recognize Nancy Peterson for her contributions to the citizens of Rock County.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors, duly assembled this ______ day of ____________, 2015, does hereby recognize Nancy Peterson for her twenty-four (24) years of service and extend best wishes to her in her future endeavors; and,

BE IT FURTHER RESOLVED that the County Clerk be authorized and directed to furnish a copy of this resolution to Nancy Peterson.

RECOGNIZING NORMAN GEFFERS

WHEREAS, Norman Geffers has served the citizens of Rock County for fifteen (15) years as a dedicated and valued employee of Rock County; and,

WHEREAS, Norman Geffers began his career on May 30, 2000 under the Rock County Department of Human Services, as a Youth Specialist at the Youth Services Center for fifteen (15) years. Mr. Geffers retired from Rock County Department of Human Services on July 6th, 2015; and,

WHEREAS, Mr. Geffers always put the needs of the youth at the Youth Services Center first. He demonstrated a true passion for the work and was always willing to go the extra mile for his coworkers. Mr. Geffers helped mentor new Youth Specialists and provide guidance due to his years of experience at the Youth Services Center; and,

WHEREAS, Norman Geffers has proven himself to be a compassionate, caring, and committed employee, always advocating for the youth placed at the Youth Services Center; and,

WHEREAS, the Rock County Board of Supervisors, representing the citizens of Rock County, wishes to recognize Norman Geffers for his significant contributions to the Human Services Department and his long and faithful service.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors, duly assembled this _______ day of ______________, 2015, does hereby recognize Norman Geffers for his fifteen (15) years of service and extend best wishes to him in his future endeavors; and,

BE IT FURTHER RESOLVED that the County Clerk be authorized and directed to furnish a copy of this resolution to Norman Geffers.

RESOLUTION

ROCK COUNTY BOARD OF SUPERVISORS

Public Works Committee, Initiated by
Public Works Committee
& Parks Advisory Committee, Submitted by
Lori Williams, Parks Director, Drafted by

August 4, 2015, Date Drafted

AUTHORIZING APPLICATION WITH WISCONSIN DEPARTMENT OF NATURAL RESOURCES FOR COUNTY FISH AND GAME PROJECT GRANT FUNDS

WHEREAS, the legislature of the State of Wisconsin enacted legislation providing for allocation to the respective counties in the state on an acreage basis for the county fish and game projects on the condition that the counties match the state allocation; and

WHEREAS, Rock County desires to participate in county fish and game projects pursuant to provisions of s.23.09(12) of the Wisconsin Statutes.

NOW, THEREFORE, BE IT RESOLVED by the Rock County Board of Supervisors, this ___ day of ___, 2015, that the Board is hereby authorized to expend the funds appropriated and the funds to be received from the State of Wisconsin for the improvement of the fish and wildlife habitat, and to operate and maintain or to cause to be operated and maintained the project for its intended purpose.

BE IT FURTHER RESOLVED that the Rock County Board of Supervisors authorizes the Parks Director to act on behalf of Rock County to submit a state grant application to the Wisconsin Department of Natural Resources (DNR) for 2016 financial aid for county fish and game projects; sign documents; and the necessary action to undertake, direct and complete the approved projects.

FISCAL NOTE:

This resolution only authorizes an application for a grant and therefore has no fiscal impact at this time. If a grant is awarded, a subsequent resolution would be required to accept the grant and amend the budget.

Sherry Oja
Finance Director

LEGAL NOTE:

The authority to accept grant funds pursuant to sec. 59.52(19), Wis. Stats., necessarily implies the authority to make application for such funds.

Recommended.

Josh Smith
County Administrator
- EXECUTIVE SUMMARY -

AUTHORIZING APPLICATION WITH
WISCONSIN DEPARTMENT OF NATURAL RESOURCES FOR
COUNTY FISH AND GAME PROJECT GRANT FUNDS

Each Wisconsin County is allocated a certain amount of money annually to fund small projects on a 50/50 match basis. Rock County may apply for a maximum of $3,000 in 2015. Parks plans to access this funding source to help pay for invasive species control at Magnolia Bluff Park and Carver-Roehl Park. Though this funding source requires a 50% match by the County, all time and materials supplied by the Parks and Highway Divisions, as well as other community resources may be used as in-kind match. The Multi-Use Trail group and other volunteers have assisted with various invasive species control projects in the past and have expressed a strong interest in continuing the effort.

The species to be controlled using this grant is primarily buckthorn. For the past few years, we have used these funds for buckthorn and garlic mustard control in Carver-Roehl Park and most recently we used these in Magnolia Bluff Park. We feel the time is now appropriate to share these efforts with both parks that have State Natural Areas and utilize them where we get the maximum benefit from the grant funds available.

ACCEPTANCE OF ROCK COUNTY
2015-2016 SNOWMOBILE DNR GRANT S-4459

WHEREAS, the Rock County Board of Supervisors Resolution #81-6A-038, on the 11th day of June, 1981, adopted the Rock County Snowmobile Plan; and,

WHEREAS, the Rock County Preliminary Application for 100% funding was approved by the Wisconsin Department of Natural Resources in the total amount of $56,600 to provide 226.4 miles of Rock County Trails; and,

WHEREAS, upon completion by signature of Recreation Aids Grant Agreements, Rock County will qualify for 100% funding for acquisition of trail easements, bridge development, insurance and maintenance of the trail, payable as follows: 50% in advance and 50% upon inspection and approval for development; and,

WHEREAS, the Rock County Snowmobile trail provides a needed winter recreational facility in Rock County.

NOW, THEREFORE, BE IT RESOLVED, that the Rock County Board of Supervisors on this day of , 2015, hereby accepts the 2015-2016 Rock County Snowmobile Grant.

BE IT FURTHER RESOLVED, that the County Board Chair is hereby authorized and directed to sign the grant agreement and that this document be submitted to the Wisconsin Department of Natural Resources.

BE IT FURTHER RESOLVED, that the Parks Director be named the Snowmobile Trail Coordinator and act as authorized official to file all necessary documents for administration and reimbursement of this program, with the Rock County Alliance of Snowmobile Clubs named as subcontractor to carry out the work of the program (signing, grooming, and general trail maintenance). The Rock County Alliance of Snowmobile Clubs is a 501(c)(3) federal charitable organization. They are in partnership with Rock County to carry out this recreational program in Rock County.

County Administrator
EXECUTIVE SUMMARY
FOR
ACCEPTANCE OF 2015-2016 ROCK COUNTY SNOWMOBILE FUNDING
DNR GRANT S-4459

This resolution provides final authorization to accept funding for the winter 2015-2016 Rock County Snowmobile Trail Program.

Our pre-application has been reviewed and the grant we are accepting is:

S-4459  Trail Maintenance 226.4 miles @ $250    $56,600

Lease Acquisition (now part of Maintenance @ $250/mile)  $0

Insurance (none)  $0

Grant Total  $56,600

The Rock County Public Works Committee and the Parks Advisory Committee will subcontract this work to the Rock County Alliance of Snowmobile Clubs and they will provide most of the actual labor and machinery to do this work. The Rock County Alliance of Snowmobile Clubs is a partner with Rock County to bring this recreational opportunity to the citizens of Rock County. This group is a federal 501(3)(c) tax exempt and State of Wisconsin Chapter 181 charitable not for profit organization. Any clerical, bookkeeping or field work (including labor, materials, and machinery) by DPW Parks Division or Highway Division is 100% billed. Any time spent by the Parks Director to administer and inspect the work of this program is billed to the grant.

These funds are 100% provided by the payments snowmobilers have made through license and prorated fuel tax payments. Rock County receives a 50% advance payment check after the completed contract is signed, the balance due upon final close out of the grant.
