If it is the County Administrator's intention not to renew this agreement, the County Administrator will attempt to give EMPLOYEE three (3) months advance written notice of the intent not to renew this agreement, provided, however, that failure to give such notice shall create no obligation on EMPLOYER to continue EMPLOYEE's employment beyond the expiration date of this agreement. 8. EMPLOYEE'S RESPONSIBILITIES; ETHICAL CONSIDERATIONS. 9. EMPLOYEE'S RESPONSIBILITIES; CONFIDENTIAL INFORMATION. EMPLOYEE shall not at any time or in any manner, either during the term of this agreement or thereafter, either directly or indirectly divulge, disclose or communicate to any person any confidential information gained in the performance of EMPLOYEE's duties except as otherwise required or compelled by law.

AWARDING CONTRACT FOR ELECTRONIC MONITORING SERVICES

Executive Summary

The Human Services Department has an Electronic Monitoring Program that provides cost effective monitoring services for youth that are involved in the juvenile justice system. The program is often used as an alternative to secure detention confinement. GPS bracelets are used to track the whereabouts of youth that are pending juvenile court cases, youth that are placed on intensive supervision and as a sanction for violation of their court ordered supervision. Youth must remain in their residence unless pre-approved to attend school, employment, medical and legal appointments. All violations are reported to the youth’s case manager for review. In 2016, the Electronic Monitoring Program served 124 youth.

The Department issued a Request for Proposals from companies to provide electronic monitoring services including equipment. An evaluation team independently and thoroughly reviewed and scored submitted proposals. Through this process, qualifications have been thoroughly evaluated and 3M Electronic Monitoring, Inc. of Odessa, Florida was given the highest rating based on their proposal. 3M Electronic Monitoring, Inc. has been the county’s provider since 2008.

3M Electronic Monitoring, Inc. charges $3.95 per GPS bracelet per day. The Human Services Department has budgeted $20,000 for fiscal year 2018.

AWARDING CONTRACT FOR CRISIS STABILIZATION SERVICES

EXECUTIVE SUMMARY

Rock County HSD maintains a residential crisis stabilization facility as a critical service in the continuum of care for individuals. This service provides both an alternative to hospitalization and a step-down from hospitalization so that individuals can return to the community sooner.

Rock County HSD has contracted with Rock Valley Correctional Programs since 2013 to provide this service through Harpers Place. An RFP was released in 2017 and RVCP was the sole entity that submitted a proposal. The proposal was reviewed by a five-member panel and found to meet the required qualifications in the RFP. HSD recommends that that contract be awarded to RCVP.

Reducing hospitalizations, particularly at state institutes, is a primary focus of HSD. The crisis stabilization facility has been a key component of this effort. In addition to continuing to provide a safe, local, community-based facility, RCVP is implementing procedures so that additional clients with complex needs can be served. The proposed contract includes a robust approach to staff training and supervision as well as quality measures that better reflect the outcomes and daily experiences of clients.

The average daily cost of delivering services at Harper’s Place is significantly lower than the daily cost of Winnebago Mental Health Institute and allows a client to remain in the community at a lower level of care. Further, the entire state institute cost to HSD has decreased in the past 6 years. In 2011, the cost was approximately $3.3 million for 293 admissions. In 2016, the cost was approximately $2.5 million for 221 admissions. HSD is committed to continuing strategies in this direction and the crisis stabilization facility is a critical component.

The cost of the double-fill includes the cost of the temporary position as well as the differential between the military pay and the County pay of the Correctional Officer on military leave. We do not provide health insurance benefits to the staff member on military leave, as that person will be under the military health plan. Executive Summary

The Rock County Sheriff’s Office had one Correctional Officer called to active military duty on September 29, 2017. The Correctional Officer will be deployed for four hundred days (thirteen months and five days). This lengthy military deployment will result in a staffing deficiency in the Correctional Facility.

The Sheriff’s Office maintains an eligibility list for Correctional Officers. The eligibility list has a candidate who could fill the position. The Sheriff’s Office is requesting to temporarily expand the number of budgeted Correctional Officer positions by one double filled position. This will ensure a sufficient level of staffing for the Correctional Facility.

There are sufficient funds in the Correctional Facility’s personnel budget to pay for the double fill position. The Sheriff’s Office is not providing health insurance benefits for the Correctional Officer on active military duty.
RESOLUTION AUTHORIZING THE ISSUANCE AND
AWARDING THE SALE OF $8,785,000
GENERAL OBLIGATION PROMISSORY NOTES; PROVIDING
THE FORM OF THE NOTES; AND LEVYING A TAX
IN CONNECTION THERewith

WHEREAS, on January 20, 2015, March 10, 2016 and February 23, 2017, the County Board of Rock County, Wisconsin (the “County”) adopted Initial Resolutions authorizing the issuance of general obligation bonds or notes in an amount not to exceed $2,705,000, $3,035,000 and $3,050,000 respectively for the purpose of paying the cost of highway construction and improvement projects (the “Project”);

WHEREAS, the County deems the Project to be within its powers to undertake and therefore to be a public purpose as defined in Section 67.04(2) of the Wisconsin Statutes;

WHEREAS, the County Board hereby finds and determines that it is necessary, desirable and in the best interests of the County to raise funds for the purpose of paying the costs of the Project;

WHEREAS, counties are authorized by the provisions of Section 67.12(12) of the Wisconsin Statutes to borrow money and to issue general obligation promissory notes for such public purposes.

NOW, THEREFORE, BE IT RESOLVED by the County Board of the County that:

Section 1. Authorization of the Notes. For the purpose of paying the costs of the Project as set forth above there shall be borrowed pursuant to Chapter 67 of the Wisconsin Statutes, the principal sum of EIGHT MILLION SEVEN HUNDRED EIGHTY-FIVE THOUSAND DOLLARS ($8,785,000) from BOK Financial Securities, Inc. (the “Purchaser”), in accordance with the terms and conditions of its purchase proposal (the “Proposal”) attached hereto as Exhibit A and incorporated herein by this reference.

Section 2. Sale of the Notes. To evidence such indebtedness, the County Board Chairperson and County Clerk are hereby authorized, empowered and directed to make, execute, issue and sell to the Purchaser for and on behalf of and in the name of the County, general obligation promissory notes aggregating the principal amount of EIGHT MILLION SEVEN HUNDRED EIGHTY-FIVE THOUSAND DOLLARS ($8,785,000) (the “Notes”), for the sum of ______________ DOLLARS ($_____________), plus accrued interest to the date of delivery.

Section 3. Terms of the Notes. The Notes shall be designated “General Obligation Promissory Notes”; shall be dated November 9, 2017; shall be in the denomination of $5,000 or any integral multiple thereof; shall bear interest at the rates per annum and mature on September 1 of each year, in the years and principal amounts as set forth in the Pricing Summary attached hereto as Exhibit C and incorporated herein by this reference. Interest is payable semi-annually on March 1 and September 1 of each year commencing March 1, 2018. The schedule of principal and interest payments due on the Notes is set forth on the Debt Service Schedule attached hereto as Exhibit D and incorporated herein by this reference (the “Schedule”).
Section 4. Designation of Purchaser as Agent. The County hereby designates the Purchaser as its agent for purposes of distributing the Final Official Statement relating to the Notes to any participating underwriter in compliance with Rule 15c2-12 of the Securities and Exchange Commission.

Section 5. Redemption Provisions. At the option of the County, the Notes maturing on September 1, 2026 and thereafter are subject to redemption prior to maturity on September 1, 2025 or on any date thereafter. Said Notes are redeemable as a whole or in part from maturities selected by the County and within each maturity by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

Section 6. Form of the Notes. The Notes shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit B and incorporated herein by this reference.

Section 7. Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Notes as the same becomes due, the full faith, credit and resources of the County are hereby irrevocably pledged and a direct annual irrepealable tax is hereby levied upon all taxable property of the County. Said direct annual irrepealable tax shall be levied in the years 2017 through 2026 for payments due in 2018 through 2027 in the amounts as set forth on the Schedule.

The aforesaid direct annual irrepealable tax hereby levied shall be collected in addition to all other taxes and in the same manner and at the same time as other taxes of the County levied in said years are collected. So long as any part of the principal of or interest on the Notes remains unpaid, the tax herein above levied shall be and continues irrepealable except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus in the Debt Service Fund Account created herein.

Section 8. Debt Service Fund Account. There is hereby established in the County treasury a fund account separate and distinct from every other County fund or account designated “Debt Service Fund Account for $8,785,000 General Obligation Promissory Notes, dated November 9, 2017.” There shall be deposited in said fund account any premium plus accrued interest paid on the Notes at the time of delivery to the Purchaser, all money raised by taxation pursuant to Section 7 hereof and all other sums as may be necessary to pay interest on the Notes when the same shall become due and to retire the Notes at their respective maturity dates. Said fund account shall be used for the sole purpose of paying the principal of and interest on the Notes and shall be maintained for such purpose until such indebtedness is fully paid or otherwise extinguished.

Section 9. Segregated Borrowed Money Fund. The proceeds of the Notes (the “Note Proceeds”) (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into an account separate and distinct from all other funds and be disbursed solely for the purposes for which borrowed or for the payment for the principal of and the interest on the Notes.
Section 10. Arbitrage Covenant. The County shall not take any action with respect to the Note Proceeds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken on the date of the delivery of and payment for the Notes (the “Closing”), would cause the Notes to be “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”) and any income tax regulations promulgated thereunder (the “Regulations”).

The Note Proceeds may be temporarily invested in legal investments until needed, provided however, that the County hereby covenants and agrees that so long as the Notes remain outstanding, moneys on deposit in any fund or account created or maintained in connection with the Notes, whether such moneys were derived from the Note Proceeds or from any other source, will not be used or invested in a manner which would cause the Notes to be “arbitrage bonds” within the meaning of the Code or Regulations.

The County Clerk, or other officer of the County charged with responsibility for issuing the Notes, shall provide an appropriate certificate of the County, for inclusion in the transcript of proceedings, setting forth the reasonable expectations of the County regarding the amount and use of the Note Proceeds and the facts and estimates on which such expectations are based, all as of the Closing.

Section 11. Additional Tax Covenants: Exemption from Rebate; Qualified Tax-Exempt Obligation Status. The County hereby further covenants and agrees that it will take all necessary steps and perform all obligations required by the Code and Regulations (whether prior to or subsequent to the issuance of the Notes) to assure that the Notes are obligations described in Section 103(a) of the Code, the interest on which is excluded from gross income for federal income tax purposes, throughout their term. The County Clerk or other officer of the County charged with the responsibility of issuing the Notes, shall provide an appropriate certificate of the County as of the Closing, for inclusion in the transcript of proceedings, certifying that it can and covenanting that it will comply with the provisions of the Code and Regulations.

Further, it is the intent of the County to take all reasonable and lawful actions to comply with any new tax laws enacted so that the Notes will continue to be obligations described in Section 103(a) of the Code, the interest on which is excluded from gross income for federal income tax purposes.

The County anticipates that the Notes will qualify for the construction expenditure exemption from the rebate requirements of the Code. The County Clerk or other officer of the County charged with the responsibility of issuing the Notes, shall provide an appropriate certificate of the County as of the Closing, for inclusion in the transcript of proceedings, with respect to said exemption from the rebate requirements, and said County Clerk or other officer is hereby authorized to make any election on behalf of the County in order to comply with the rebate requirements of the Code. If, for any reason, the County did not qualify for any exemption from the rebate requirements of the Code, the County covenants that it would take all necessary steps to comply with such requirements.
The County hereby designates the Notes to be "qualified tax-exempt obligations" pursuant to the provisions of Section 265(b)(3) of the Code and in support of such designation, the County Clerk or other officer of the County charged with the responsibility for issuing the Notes, shall provide an appropriate certificate of the County, all as of the Closing.

Section 12. Persons Treated as Owners; Transfer of Notes. The County Clerk shall keep books for the registration and for the transfer of the Notes. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the County Clerk, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the County Clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the County Clerk shall record the name of each transferee in the registration book. No registration shall be made to bearer. The County Clerk shall cancel any Note surrendered for transfer.

The County shall cooperate in any such transfer, and the County Board Chairperson and County Clerk are authorized to execute any new Note or Notes necessary to effect any such transfer.

The 15th day of each calendar month next preceding each interest payment date shall be the record date for the Notes. Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the County maintained by the County Clerk at the close of business on the corresponding record date.

Section 13. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the County has heretofore agreed to the applicable provisions set forth in the DTC Blanket Issuer Letter of Representation and the Finance Director has executed such Letter of Representation and delivered it to the DTC on behalf of the County.

Section 14. Official Statement. The County Board hereby approves the Preliminary Official Statement with respect to the Notes and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the County in connection with the preparation of such Preliminary Official Statement and any addenda to it or Final Official Statement are hereby ratified and approved. In connection with Closing, the appropriate County official shall certify the Preliminary Official Statement and any addenda or Final Official Statement. The appropriate County official shall cause copies of the Preliminary Official Statement and any addenda or Final Official Statement to be distributed to the Purchaser.
Section 15. Execution of the Notes. The Notes shall be issued in typewritten form, one Note for each maturity, executed on behalf of the County by the manual or facsimile signatures of the County Board Chairperson and County Clerk (except that one of the foregoing signatures shall be manual), sealed with its official or corporate seal, if any, and delivered to the Purchaser upon payment to the County of the purchase price thereof, plus accrued interest to the date of delivery. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the delivery of the Notes, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until such delivery. The aforesaid officers are hereby authorized to do all acts and execute and deliver all documents as may be necessary and convenient to effectuate the Closing.

Section 16. Payment of the Notes. The principal of and interest on the Notes shall be paid by the County Treasurer or his or her agent in lawful money of the United States.

Section 17. Continuing Disclosure. The County hereby covenants and agrees that it will comply with and carry out all of the provisions of its Continuing Disclosure Certificate, which the County will execute and deliver on the Closing Date. Any Noteholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the County to comply with its obligations under this Section.

Section 18. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the County or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Adopted this 26th day of October, 2017.

KNOW ALL MEN BY THESE PRESENTS, that Rock County, Wisconsin (the "County"), hereby acknowledges itself to owe and for value received promises to pay to the Depository or its Nominee Name (the "Depository") identified above (or to registered assigns), on the maturity date identified above, the principal amount identified above, and to pay interest thereon at the rate of interest per annum identified above, all subject to the provisions set forth herein regarding redemption prior to maturity. Interest is payable semi-annually on March 1 and September 1 of each year commencing on March 1, 2018 until the aforesaid principal amount is paid in full. Both the principal of and interest on this Note are payable in lawful money of the United States. The principal of this Note shall be payable only upon presentation and surrender of the Note at the office of the County Clerk or Treasurer. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Note is registered on the Bond Register maintained by the County Clerk or Treasurer at the close of business on the 15th day of the calendar month next preceding the semi-annual interest payment date (the "Record Date").

For the prompt payment of this Note together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the County are hereby irrevocably pledged.

This Note is one of an issue of Notes aggregating the principal amount of $8,785,000, all of which are of like tenor, except as to denomination, interest rate, maturity date and redemption provision, issued by the County pursuant to the provisions of Chapter 67, Wisconsin Statutes, for the purposes of paying the cost of highway construction and improvement projects, all as authorized by a resolution of the County Board duly adopted by said governing body at a meeting held on October 26, 2017. Said resolution is recorded in the official minutes of the County Board for said date.
At the option of the County, the Notes maturing on September 1, 2026 and thereafter are subject to redemption prior to maturity on September 1, 2025 or on any date thereafter. Said Notes are redeemable as a whole or in part from maturities selected by the County and within each maturity by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

In the event the Notes are redeemed prior to maturity, as long as the Notes are in book-entry-only form, official notice of the redemption will be given by mailing a notice by registered or certified mail, or overnight express delivery, to the Depository not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. If less than all the Notes of a maturity are to be called for redemption, the Notes of such maturity to be redeemed will be selected by lot. Such notice will include but not be limited to the following: the designation, date and maturities of the Notes called for redemption, CUSIP numbers, and the date of redemption. Any notice mailed as provided herein shall be conclusively presumed to have been duly given, whether or not the Depository receives the notice. The Notes shall cease to bear interest on the specified redemption date, provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Notes shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Note have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the County, including this Note and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrepealable tax has been levied sufficient to pay this Note, together with the interest thereon, when and as payable. It is hereby further certified that the County has designated this Note to be a “qualified tax-exempt obligation” pursuant to the provisions of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

This Note is transferable only upon the books of the County kept for that purpose at the office of the County Clerk or Treasurer. In the event that the Depository does not continue to act as depository for the Notes, and the County Board appoints another depository, new fully registered Notes in the same aggregate principal amount shall be issued to the new depository upon surrender of the Notes to the County Clerk or Treasurer, in exchange therefor and upon the payment of a charge sufficient to reimburse the County for any tax, fee or other governmental charge required to be paid with respect to such registration. The County Clerk or Treasurer shall not be obliged to make any transfer of the Notes (i) after the Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Notes, or (iii) with respect to any particular Note, after such Note has been called for redemption. The County may treat and consider the Depository in whose name this Note is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever.
IN WITNESS WHEREOF, Rock County, Wisconsin, by its governing body, has caused this Note to be executed for it and in its name by the signatures of its duly qualified County Board Chairperson and County Clerk; and to be sealed with its official or corporate seal, if any, all as of the 9th day of November, 2017.
