7. Citizen Participation, Communications and Announcements.
Supervisor Bussie commended Assistant to the Administrator Phil Boutwell for the article that was published in the August 2009 Wisconsin Counties Publication title “Between a Rock and a Hard Place” that discusses counties facing crushing decisions for their 2010 budgets. She felt it was well done and well represented.

Supervisor Owens commended Dave Sleeter and staff at the 911 Communications Center. Rock County’s 911 Communications Center received high marks in a nationally recognized review. The emergency dispatch center has earned re-accreditation for the 4th time by the Commission on Accreditation for Law Enforcement Agencies. The recognition follows a team of assessors verifying the Rock County Communications Center meets the commission’s state of the art standards for a public safety communications center. Rock County 911 is the only public safety communications center in the state of Wisconsin to have earned CALEA accreditation.

Supervisor Collins invited all to attend LaborFest this September 5th, 6th and 7th. Saturday and Sunday have lots of activities on the grounds at 1795 Lafayette Street including Mud Volleyball, events for the kids and live music. Monday hosts a car display on the grounds at 10 am and a parade downtown Janesville at 1 pm, followed by more fun and activities back at the grounds. Come enjoy good food and good fun – there will be no admission fee to get in.
Chair Podzilni announced Supervisors with August birthdays: Supervisor Grahn, Peer and Sweeney. He also reminded Supervisors wishing to ‘furlough’ their per diems to clearly mark that they are NOT wishing to be paid on their time slips and turn in to him. 8.E. Jury Appreciation Month

Resolution No. 09-8A-343

EFFECTIVE DATE: August 13, 2009

Supervisors Combs and Brill moved the above appointments. ADOPTED by acclamation.
NOW, THEREFORE, BE IT RESOLVED, by the Rock County Board of Supervisors duly assembled this 13th day of August, 2009 does hereby support the goals of Juror Appreciation Month:

- Educate the public about jury duty and the importance of jury service; and,
- Applaud the efforts of jurors who fulfill their civic duty; and,
- Ensure that all jurors are treated with respect and that their service is not unduly burdensome.

BE IT FURTHER RESOLVED, by the Rock County Board of Supervisors extends its sincere thanks and appreciation to all employers who pay employees their normal wages while allowing them to serve as jurors, preventing financial hardship and fostering community strength.

BE IT FINALLY RESOLVED, by the Rock County Board of Supervisors honors the service and commitment of citizens who perform jury duty, who by participating in the judicial process aid those elected to serve the citizens of Rock County by preserving the rule of law, the basis for a free society.

Supervisors Thomas and Knudson moved the above resolution. ADOPTED by acclamation.

9. Introduction of New Resolutions or Ordinances by Supervisors for referral to Appropriate Committee

Supervisor Fizzell introduced a resolution to welcome Mr. Scott Bierman as the 11th President of Beloit College. Chair Podzilni accepted the resolution and said he would forward it to the appropriate committee for consideration.

10.A. Rock Haven Study.

Supervisor Owens introduced the speakers from Eppstein Uhen Architects and Arnold & O'Sheridan who completed the Rock Haven Study and explained that the following presentation will explain four options. He introduced his colleagues to be Jeff Bogart and Jon Chechvala of Eppstein Uhen Architects, and Timothy Wendt of Arnold and O'Sheridan. Each Supervisor and Administrator were given a 64 page color report of the study that includes details and sketches of each option as well as details surrounding the condition of the current structure.

Mr. Greg Zastrow introduced the panel as experts who were retained to explore various conceptual design options that would allow the County Board to make an informed decision about the future of Rock Haven and County nursing home services. The study was prompted because the 46-year old facility has become increasingly out-dated, costly to operate and falls short of today’s standards for nursing homes. Some of the prominent issues facing the current facility include a Federal ruling requiring complete sprinkler installation by August, 2013, toilet rooms that lack barrier-free accessibility, insufficient outlet and electrical power, a building envelope that lacks sufficient thermal insulation, windows that are not energy efficient and leak air and other various challenges relating to providing services and managing flow.

He also explained that in 1963 when Rock Haven was built, it accommodated 248 residents who were more ambulatory than the 130 residents the county serves today. Many residents have more medically complex needs, require a higher level of assistance with activities of daily living. Mr. Zastrow’s company worked with the Rock Haven Administrator, Sherry Gunderson and the management team to develop an understanding of the current operation, concerns and expected future needs. The four options presented represent preliminary space designs that apply to industry standards and assumptions. Options 1 and 3 renovate the existing building and options 2 and 4 are new builds.

Options 1 and 2 represent a resident population of 96 residents while 3 and 4 represent 128 residents. Supervisors were encouraged to give consideration to several areas relating to
using the existing structure as well as the disruption of quality of living for the residents in making decisions. Supervisors were invited to ask questions about the results of the study. Several Supervisors asked for explanation.

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this 13th day of August, 2009 does hereby accept the Adult Drug Court Discretionary Grant funds in the amount of $266,070 from the U.S. Department of Justice.
