Accepting Wisconsin Department of Tourism’s Meetings Mean Business Grant Funds and Amending the 2019 Southern Wisconsin Regional Airport’s Budget.

This Resolution authorizes the Airport Department to accept $7,000 from the Janesville Convention and Visitor’s Bureau on behalf of The Wisconsin Department of Tourism. The grant money is awarded to help venues attract events that will have significant economic impact to Wisconsin destinations. The money may be used for facility costs or host destination expenses.

The Southern Wisconsin Regional Airport will be hosting the National Intercollegiate Flying Association’s Safety and Flight Evaluation Competition (SAFECON) May 13-18, 2019. Thirty-one teams with over 100 General Aviation airplanes will be participating in the competition. The event is estimated to have 600-700 people attending utilizing local hotels, restaurants, car rentals, aviation gas sales, etc. Airport staff will use money received to purchase low-profile barricades. This will not only help as aircraft tie-down points for this event, but can serve other purposes as a long-term investment.

EXECUTIVE SUMMARY

Awarding Contract for Gate Openers at Southern Wisconsin Regional Airport

The four electric gate openers budgeted for replacement on the Southern Wisconsin Regional Airport were installed in 2001. The openers are starting to fail. Replacement parts are becoming harder to find and more costly.

The Airport has several newer gates that were installed as part of the Airport perimeter road project completed in 2015 that are of a different style. These newer style gates are easier to work on and parts are less expensive. Having consistency with the gates will make keeping stock parts on hand easier as well.

These gates were originally budgeted for replacement in 2017 but the airport was not able to complete the bid process and gate replacement during that budget year. Funds from 2017 were carried over to 2018. During the 2018 bid process all bids came in at more than double the 2017 carried over amount. For 2019, the airport carried over the 2018 funds and budgeted for an additional amount to cover the increase in price.

Executive Summary

Rock County created a new position of Master Electrician in the 2019 budget. We recently completed a recruitment for this position and was unsuccessful in finding a highly qualified, experienced candidate in our pay range. The applicant pool was small even though we advertised through the local International Brothers of Electrical Workers and our County website.

Human Resources conducted a salary analysis for local Master Electrician positions and found that Rock County maximum of $69,968.88 was below average for wage and benefits in this area.

As a result of the salary comparison it is recommended to reallocate the position of Master Electrician from the current placement in range 21 to range 23. The new range for the position would be $61,616.92 to $74,875.68.
