RULE I

A. As provided by statute, the Board shall organize on the third Tuesday of each April and adopt rules and regulations for the ensuing term in each even year, considering recommendations of the outgoing Board. Adoption of these rules and regulations at such organizational meeting shall be by majority vote. Amendment to these rules at any other time shall be done in conformance with Rule X-C. All committees of the Board shall serve biennially for a term that coincides with that of the Chair, except as otherwise provided by statute. In no less than three days nor more than seven days after such meeting, the Chair shall announce all Committee, Commission and Board appointments as required by law and County Board policy, all of which shall be submitted for Board confirmation. Proposed appointments shall be distributed to all Board members not less than 24 hours prior to the meeting at which appointments are to be made.

B. The Chair and Vice Chair shall be elected biennially by the Board at the April organizational meeting in even numbered years. After submission of nominations for Chair and Vice Chair, but before the taking of any vote on the election of each officer, the presiding official shall allow each candidate who has put forth his or her name, the opportunity to address the Board as to his or her qualifications for, and desirability of selection to the office that he or she is seeking. Such officers shall take office upon election.

C. As provided by Statute, the Board shall hold an annual meeting on the Tuesday after the second Monday in November. When the day of the meeting falls on November 11, the meeting shall be held on the next succeeding day.

D. The Board shall meet regularly on the second and fourth Thursdays of each month (unless the date or time is changed by the Chair and Vice Chair of the County Board) at 6:00 P.M. in the County Board Room, County Court House, Janesville, Wisconsin.

E. There shall be at least one night meeting held in conjunction with the public hearing on the Annual County Budget.

F. Vacancies during the term of any supervisor shall be filled by the County Board Chair with confirmation by the County Board. If practicable, this shall be done within 60 working days of the date on which the vacancy was created. If a vacancy occurs within 4 months of the next election, it may be filled at the discretion of the County Board Chair.

G. While the County Board Staff Committee retains general supervision over personnel and labor relations, the County Board of Supervisors, as a whole, shall have specific authority to establish policy with regard to collective bargaining between Rock County and the various unions representing County

RULE I (G.) Continued...

employees. In order to exercise that authority, an executive session of the County Board shall be scheduled prior to collective bargaining with the unions for any given year. The purpose of such session shall be to establish wage parameters within which the County’s bargaining representative(s) is expected to negotiate. Final approval of any proposed voluntary settlement must come from the County Board of Supervisors. Any meetings concerning bargaining strategy and negotiations, between the initial meeting and the meeting for final approval, shall be scheduled, as deemed necessary, by the County Board Chair.

H. In order to allow prospective candidates ample time for decision-making prior to the circulation of nomination papers, the County Board of Supervisors, after reviewing recommendations from the County Board Staff Committee, shall, not later than the last regularly-scheduled meeting in March of the appropriate even-numbered years, establish a salary schedule for each County-elected office to be elected in November of that year (other than supervisors, District Attorney and Circuit Judges) for the ensuing term. The salary so established shall be effective at the beginning of the term and remain unchanged for the duration of the term.

RULE II
A. The Chair shall call the Board to order at the hour named, and shall preside at all meetings of the Board. The Chair shall have the duties and powers conferred by law and these rules. The Chair shall decide all questions of order, subject to appeal; and shall preserve order and see that order is maintained. The Chair shall vote on all roll calls when the Chair’s name is called except upon appeals from the Chair’s own decision. In the Chair’s absence or disability, the Vice Chair shall perform the duties of the Chair.

B. In the absence of, or disability of both the Chair and Vice Chair, the Committee Chair, if a Supervisor, becomes the temporary acting Board chair based on the following precedence: Public Safety and Justice, Agricultural/Land Conservation, Board of Health, Education, Veterans and Aging Services, Finance, General Services, Health Services, Human Services, Planning and Development, Public Works and Rail Transit.

C. The County Administrator shall make an annual administrative report of all County activities to the County Board. This report shall be included as a separate section of the budget and given in conjunction with the annual budget presentation.

RULE III
A. The order of business of Board meetings shall be as stated on the Agenda for the meeting. The Agenda shall be the responsibility of the Chair with the assistance of the County Administrator and County Clerk per s. 59.23(2)(a), Wis. Stats., and circulated to the Board not less than 48 hours before each meeting. A majority of the members of the Board shall have the right to add an item to the Board Agenda, subject to the requirements of the Open Meeting Law.

B. The format for the Agenda shall be as follows:
   1. Call to Order
   2. Invocation and Pledge of Allegiance
   3. Roll Call
   4. Adoption of Agenda

C. Minutes of the regular Board Meeting shall be prepared by the County Clerk, kept, recorded, and distributed to all Board members and department heads by the County Clerk as soon as possible following the meeting. These minutes shall be official upon County Board approval.

D. In order to provide advance notice to the Board of Supervisors and the citizens of Rock County, items to be included on the Agenda shall be in the office of the County Administrator no later than Tuesday of the week preceding the meeting.

E. It shall be the responsibility of the sponsoring committee, official, or citizen to have the matter prepared in the form to be acted on and to have the attached legal note prepared by the Corporation Counsel, fiscal note prepared by the Finance Director, and the administrative note prepared by the Administrator. The Chair may add a note. If in reviewing the fiscal or legal notes, the Administrator disagrees, the Administrator shall so state in the Administrative Note. The required notes must be attached before the governing committee may take action.

F. Every Supervisor shall have the prerogative to introduce a resolution on any matter. Every resolution introduced shall be referred to the appropriate committee by the Chair of the Board within 20 calendar days. If the governing committee does not report a resolution within 60 days from the time it was referred to the committee, five supervisors may bring the resolution to the Board floor.

G. No motions except referral to committee or acceptance and filing may be made concerning the subject matter of report under Agenda item 11, unless the report has been accompanied by a resolution distributed as required by the rules and subject to the note requirement of Rule III-E.

H. Ordinances or Ordinance amendments presented to the County Board, after consideration by the appropriate governing committee or committees, shall not be acted upon by the County Board until there has been a first reading, a second reading, and a Public hearing by the County Board. Readings shall be by title at successive meetings of the County Board, and complete texts shall be available for public examination in the Office of the County Clerk between the

first and second readings. The Public Hearing by the County Board shall be at the same meeting as and immediately following the first reading. Public notice of the first reading, the public hearing, and the second reading shall be by inclusion on the respective County Board agendas.

I. Resolutions may be initiated or drafted by residents of Rock County. No resolution, initiated and/or drafted by a county resident, shall be considered by the Rock County Board unless it deals with the business and concerns of the County and is properly submitted by a County Board Supervisor. Such resolutions shall be introduced and referred pursuant to Rule III-F. No such resolution may be considered by the committee to which it is referred unless it is presented in the proper form as required by Rule III-E.

J. Department heads are directed to initiate a resolution recognizing the years of service of employees retiring from their departments. To be eligible for such a resolution, the individual must be employed by the County for a minimum of fifteen (15) years. The resolution shall be referred to the appropriate governing committee and the County Board Staff Committee in the form required in Rule III-E.

RULE IV - COMMITTEE GENERAL
A. The purpose of this rule is to define the structure and duties of the County Board Committee system. All matters pertaining to Committee organization, membership, and responsibilities shall be construed in favor of the declared will of the County Board in these rules, consistent with the intent of Wisconsin Statute 59.03(1).

B. Each committee shall be the public focal point for all programs and activities under its supervision. Each committee shall be responsible for reviewing and recommending appropriate action on relevant state legislation, and such legislative actions shall be coordinated through the County Board Staff Committee. Committee responsibilities shall be broadly defined to incorporate functionally similar programs and activities to eliminate duplication or multiple committee assignments.

C. Additional special, ad hoc or single-purpose board related committees may only be established with the approval of the County Board for a specific purpose and term. County Board Supervisors who are members of such committees shall be entitled to per meeting allowance and mileage as provided in Rule IV-J. Citizen members of such committees shall be entitled to only mileage reimbursement (at the currently applicable IRS Rate).

D. All County Board matters shall first be reviewed by the appropriate committee prior to County Board consideration except under emergency conditions so declared and approved by 2/3 vote of the County Board present and voting. All committees shall make written recommendations on all matters submitted to them. Upon a committee’s recommendation to approve or adopt a matter, the matter shall be placed on the next regular Board Meeting agenda that is practicable. If a committee’s recommendation is against approval or adoption of a matter, then the matter may be placed before the County Board at the discretion of the Chair. Votes are to be indicated as for, against, abstain or absent. When a question is put, every member shall vote except that where a member has a conflict of interest, the Chair may permit that member to abstain.
RULE IV Continued...

E. Each committee shall be the governing body for all functions and activities under its supervision and shall have the duty and responsibility to implement all appropriate provisions of State Law, County Board policy, and these rules.

F. Except for the Airport Board as articulated in Rule V.O., or when uniformly mandated to the contrary by law, each committee shall be composed of a majority of County Supervisors and such additional members as required by these Rules and approved by the County Board. No committee may create sub-committees or otherwise subdivide committee responsibilities, unless authorized by the whole County Board. Any committee may rely on its members, County staff, or other individuals or organizations to conduct research and provide additional information to the committee for the purpose of fulfilling its responsibilities. Such research or information gathering, when conducted cooperatively without a quorum of the committee, shall not be considered a sub-committee or governmental body unless creation of a sub-committee has been previously approved by the County Board.

G. Appointments to committees, commissions and boards shall be made by the Chair, including chairships subject to County Board confirmation. The Chairs of all standing committees shall be County Board members. Vice Chairships shall be elected by the committee membership. Vacancies during the term of any committee member shall be filled by the County Board Chair with confirmation by the County Board. If practicable, this shall be done within 30 working days of the date on which the vacancy was created.

H. Committee assignments may be altered upon written request after one year or in the case of conflicting assignments or upon recommendation of the County Board Chair with County Board confirmation. Committee assignments may be exchanged if both supervisors agree. Otherwise, appointments shall be effective until successors are appointed two years later at which time appointments shall be considered.

I. Committee coordination shall be the responsibility of the County Administrator and County Clerk per s. 59.23(2)(a), Wis. Stats., to provide agenda, meeting and minutes assistance, administrative and staff follow-up and related matters. Minutes shall be in a format chosen by the Clerk, and minutes and agendas shall be filed in the Clerk’s office. All committee agendas are to be submitted to the County Administrator’s no later than the Tuesday of the week preceding the meeting and in the committee member’s hands no later than 48 hours before the meeting. A majority of the members of any committee shall have the right to add an item to the committee agenda, subject to the requirements of the Open Meeting Law.

J. Board members shall be allowed a per meeting allowance and mileage for County Board meetings and other county-initiated business with their assigned committee’s jurisdiction only. Exceptions to the provision may be made with the written approval of the County Board Chair or Vice Chair. Non-board members of standing board committees shall receive per meeting allowance and mileage. No per meeting allowance shall be paid to any committee member for committee work unless the claim submitted for such per meeting allowance has been signed by the claimant and the committee chair. Per meeting allowance claimed for the conducting of county business not directly related to the Board member’s committee assignments must be signed by the claimant and the County Board Chair. No County Board member shall receive a per meeting
RULE IV (J.) Continued...

allowance for attending any County Board meeting, or committee meeting unless the member is present and answers at the roll call taken at the commencement of each meeting or unless excused from such roll call by the Chair and unless the member is also present at the adjournment of each meeting or unless otherwise excused by the Chair.

In order to qualify for per meeting allowance and expense, a committee meeting must adjourn a minimum of one (1) hour prior to the “Call to Order” of a County Board meeting.

In order to be honored, all claims for per meeting allowance and expense must be turned into the County Clerk’s Office by the end of the month following the month in which the expenditure is incurred, unless excused by the Finance Committee for cause. If a per meeting allowance claim is denied, then the reason for denial will be forwarded in writing.

K. Any request for new or revised programs or additional employees by any County Department not included in the approved annual budget shall be referred to the County Administrator for review of need who shall then forward the request along with an analysis and recommendation to the appropriate County Board committee for recommendation to the County Board.

L. Between the time the County Board of Supervisors takes office following its election, and new committees are appointed and confirmed by the County Board, committees shall not meet, unless they still have a quorum of Committee or Board members.

M. A quorum is necessary to conduct committee business. A “quorum” shall be a majority of the total authorized committee membership.

N. A majority of committee members will determine the day and time that the committee will meet.

O. Except as otherwise provided by law, the Chair of the County Board and the Vice-Chair shall be ex-officio members of all standing committees. Their ex-officio membership is in addition to the membership hereinafter prescribed for each committee. Any committee lacking a quorum may call on the Chair or Vice-Chair to make a quorum as an active voting member of that committee for that day. The Chair and Vice-Chair shall be paid mileage and per diem only when used to make a quorum by any properly noticed Standing County Committee.
