Committee Members Absent: None.

Others Present: Supervisors Podzilni and Bostwick; Brian Zobel, UW Colleges – Southwest; Jackie Wood, Don Ryan, Susannah Ryan, Polly Ryan, Lois Smith, Greg Smith, Deborah Thomassen, and Abigail Scieszinski, Courthouse neighbors.

Approval of Agenda: Supervisor Yeomans moved approval of the agenda as presented, second by Supervisor Homan. ADOPTED.

Citizen Participation. Ms. Wood said the Upper Courthouse Park has significant value to the residents of the City of Janesville and the County of Rock. She said Mr. Don Ryan has written a letter explaining his opinion of why this park is important and encouraged the members to read this document when they receive it. Ms. Wood asked when they would receive assurance that there will not be any building on the park land.

Mr. Ryan said he feels strongly that the loss of any of the park land would be a loss to the County and the neighborhood. He added that in his letter he did not address the security issues at the Courthouse because he has been out of the state and does not know the particulars.

Mr. Greg Smith said this park is part of the Courthouse Hill neighborhood and that we keep this in mind when decisions are made. He added that getting rid of the park would de-value the area.

Chair Brill said part of the problem is that the Courthouse is landlocked and the State is very adamant that changes need to be made to make the Courthouse more secure.

Ms. Thomassen asked what State Statutes and/or laws are being referred to as she has copies of Chapter 68 and the Steps to Best Practices for Court Building Security and handed copies to Mr. Josh Smith. She added that in the Best Practices there is a recommendation for covered parking for certain employees, and also refers to fencing and lighting. She said light pollution would be an issue in the community.
