Updates.

Jail Project

Update Report  Mr. Higgs reported on the following:

Informational Items:  Mr. Higgs said the as-build documents have just been returned to The Samuels Group, they will be reviewed and turned over to Maintenance staff; Tri North Builders have a few open punch list items to resolve (i.e. to repair or replace a door and grass seeding); PSI will be performing additional asphalt testing, this is a potential warranty item, as there has been some heaving in the pavement, they will be doing core samples.

Change Orders  Mr. Higgs reported the following:

Program Request #037 (COR#151) pertaining to request to connect existing cameras at Pinehurst for a cost of $519.43.  (COR#155) pertaining to adding the call button in conference room #4 for a cost of $847.85.  (COR#154) pertaining to adding a phone line to the reception area for a cost of $328.00.  (COR#156) pertaining to installation of fire alarms/strobes as requested by the Fire Marshal for a cost of $958.64.  (COR#160) pertaining to the sprinkler system removal/installation from the security corridor ceiling replacement for a credit of $2,655.00.  For a total credit of $1.08.

Supervisor Brill moved approval of Program Request #037 in the credit amount of $1.08, second by Supervisor Heidenreich.  ADOPTED.

Program Request #038 (COR#159R) pertaining to the use of the existing hot water heating system during construction for a credit of $6,330.00.  (COR#161) pertaining to a training reimbursement for Maintenance staff to attend Johnson Controls training for a credit of $613.60.  (COR#157) pertaining to the reimbursement of manpower to provide 24/7 fire watch due to an alarm being out of service for a credit of $5,625.00.  For a total credit of $12,568.60.

Supervisor Heidenreich moved approval of Program Request #038 in the credit amount of $12,568.60, second by Supervisor Nash.  ADOPTED.

Mr. Higgs went over the Change Order / Contingency Log, which was handed out, for the Jail Expansion / Renovation Project and answered questions.

Jail Pod Painting Project.  Mr. Terronez explained the problem of the peeling paint in the Jail pods, and said $80,000 had been budgeted for the project.  It had been sent out for bids, and the low bid came back for $452,000.  He added that the removal seemed to be the most expensive part.

Mr. Higgs said they did a mock-up a while ago, waited the 7 days for it to cure, and their evaluation was that the inmates would be able to peel the paint.  He suggested using inmates to scrub down the walls and have them use the Sherwin Williams paint.
Supervisor Brill suggested using stainless steel plating on the areas by the phones and putting short cords on the phones.

Chair Owens asked if they had tried using a heat gun to remove the paint. Mr. Higgs said not to his knowledge. Chair Owens said the heat gun should bubble the paint and then wire brushes should be able to remove the paint. He said they would leave it with the Sheriff’s Office to experiment with and see what might work.
