**Review Facility and Farm Plans:**

➤ The Committee reviewed the following facility plan:

- 1) Charter Cable Partners, LLC – Janesville – ID# 019859-1 - New

It was noted that a few minor corrections needed to be made to the plan for Charter Cable Partners, LLC. Rick Wietersen, County Public Health Department, was contacted regarding diesel fuel and batteries listed together on page 5-A, Facility Layout Map. It was also noted that wording should be changed on page 7, regarding “EM personnel have no specialized training” to “employees have no specialized training”. Gary Schenck questioned response training for chemical response and Rick stated they do not. Rick informed Gary that every year or year and a half, batteries are replaced by a contractor. Rick was advised to get the name of the contractor and a contact phone number and that should be added to the plan.

**Any Further Business:** Shirley Connors will develop the 2012 Plan of Work List of Plans in November of 2012.

**Adjournment:** Motion was made by Robert Wildermuth and seconded by Shirley Connors to adjourn the meeting. Motion carried. Meeting adjourned at 8:50 AM.
