CONSTRUCTION UPDATE

CTH M Bridge over Rock River

July 22, 2019

General Information

- The last of the scheduled work on the CTH M Bridge over the Rock River in Indianford is scheduled to begin this week.
- The contractor needed to wait for the water levels to come down to access the repair locations on the piers in the water. There will be full closures at the bridge along CTH F/M beginning on Wednesday July 24th.
- The closures will be during the day and at various times. Closures are not scheduled to go overnight. Please watch the message boards that are located on each end of the bridge for updates.

** All activities scheduled are weather dependent.*
