Executive Summary
Authorizing Acceptance of
Cops and Kids Foundation Grant

The Rock County Sheriff's Office has received a grant from the Cops and Bobbers fund, a component of the Cops and Kids Foundation, Inc. The Cops and Kids foundation is an area nonprofit organization whose programs and services provide law enforcement with the tools and funding necessary to implement their award winning community service.

The grant is for \$1,000 and will be used to support the Rock County Cops and Bobbers fishing program. Various fishing supplies, boat rental, and other related materials will be purchased with the funds. Additionally, Cops and Bobbers will be providing fishing poles, life jackets, and T-shirts.

The primary goal of the Cops and Bobbers program is to teach kids how to fish. The cops are the hosts and volunteers from the community can also assist. The goal of Cops and Bobbers is to get kids hooked on fishing rather than drugs and crime. Kids will get to interact with local cops and form a positive and friendly relationship.

The Cops and Kids grant is renewable for up to three years, but we must show clear evidence we are on route to be self-sufficient. The Rock County Sheriff's Office will receive funding, training in implementing the program, and training in fund raising to help sustain the program.

A total of two Cops and Bobbers events will be held the first year at different locations throughout Rock County. A maximum of 20 kids in the community for each event will get the chance to take part in the program.

No additional County funds are needed.
