## **Executive Summary for the Purchase of Wireless Access Points**

As part of the Dr. Daniel Hale Williams Resource Center (DWRC) building project, the Rock County Information Technology (ROCK-IT) department conducted a wireless survey of the building. The purpose of the survey was to determine the best locations for wireless access points throughout the building to give optimum wireless network coverage. As a result of the survey, it was determined the County needs to purchase 25 additional wireless access points and licenses. CoreBTS, Inc. is a preferred vendor on the Wisconsin State contract number WI-CONTRACT-505ENT-M21-DC-01 and the quote they gave was for \$35,295.75 and is attached.
