Executive Summary

Retaining SGTS Inc for Professional Services for the Design, Integration, Installation and Commissioning for the Upgrade to the Jail Door Controls System

The Resolution before you awards a contract to SGTS Inc of Madison Wisconsin, for professional services to upgrade the jail door control system. The current Jail door control system is out dated and unreliable. As Rock County's security system integrator, SGTS is being hire to design, install, program and commission the upgrade to the Jail door control system.

Additionally, SGTS will develop the specifications for Rock County Information Technology to provide the required computer equipment. Funds were budgeted for this in 2019.
