CONSTRUCTION UPDATE

CTH A (Johnstown to E. County Line)

November 1, 2019

General Information

- CTH A is closed to through traffic so that construction can progress.
- Weather dependent, the current schedule to have CTH A reopened to traffic is November 18, 2019.

Construction

- Excavation and grading of the roadway in preparation for asphalt paving has been completed.
- Asphalt paving of the lower binder course has been mostly completed, with the final lane in Johnstown planning to be paved the week of 11/4/19.
- Topsoil grading, pavement markings, and general misc. preparation for winter will occur the week of 11/11/19.
 - Curb and gutter near Johnstown and the final asphalt surface layer (from Johnstown to the County Line) will be completed in early spring of 2020.
 - Final topsoil grading and pavement markings will follow.

** All activities scheduled are weather dependent.*
