Consideration of Future Areas for CJCC Focus/Action.

Chief Moore said there are some individuals that fall through the cracks despite our efforts. He said there are some cases where the DA won't prosecute because the individual has a mental health issue, but Human Services won't detain the person because they don't meet the standard for an emergency detention. He said these folks are still using a lot of law enforcement resources.

Mr. Brigham said he would be interested in learning more about restorative justices, especially for juveniles and how this is working in other jurisdictions.

Commander Knudson said he wanted to discuss reentry services from the jail at a future meeting. He thinks the county needs more reentry resources.

Other areas for future discussion:

- EBDM Change Targets In-Depth
- Discussion on admission requirements for Drug Court
- Drug Court team report/early 2018
