Pursuant to Wisconsin Statutes, this permit is granted to allow performance of the specific work described herein. The following standard provisions and any included special provisions shall govern.

1. When one-way traffic or a detour is used, the contractor shall provide all necessary signs, flagmen, and lights required according to the latest edition of the "Manual on Uniform Traffic Control Devices." When a detour is allowed, local newspapers, radio stations, law enforcement and fire authorities, postmaster and school bus operators shall be notified by the contractor in advance of any work being started.
2. All disturbed areas shall be returned to their present condition or better, subject to the satisfaction of the Permitting Authority or his representative. Access to all private drives and public road intersections shall be maintained, and all disturbed areas completely restored.
3. Any trenching, tunneling, or excavating shall be performed in accordance with the requirements of OSHA and the Wisconsin Department of Industry, labor and Human Relations, and any applicable local regulations.
4. A copy of this approval along with any plans and special provisions shall be available on the job site.
