A Sincere Thank You

The Rock County Public Health Department wants to extend our deepest appreciation and thanks to the residents of Rock County. While there have been complaints and concerns of non-compliance with social distancing and the Safer At Home Order, those that we have been in contact with have taken the necessary steps to keep themselves and others safe from this virus. All contacts and positive cases have been very cooperative with directives for quarantine or isolation and were very concerned about not spreading the infection to others in our community. We thank them for their cooperation as this will help limit the spread. We are all united in this together. Keep up the great work of social distancing, limiting the number of visits to the store, and staying connected virtually.
