- At first, I worked in an orange juice factory, but got canned because I couldn't concentrate.
- After that, I tried to be a tailor, but I just wasn't suited for it mainly because it was a so-so job.
- Next was a job in a shoe factory but it didn't last. I tried but just didn't fit in. Besides, my boss was a heel.
- Then I got a job at a zoo feeding giraffes but was fired because I wasn't up to it.
- Moving to the seashore, I became a professional fisherman, but discovered I couldn't live on my net income.
- My best job was in an orchestra, but eventually they found out I wasn't noteworthy.
