NOTES:

In 2015, our facility had 3 PREA Incidences, all three were found substantiated and referred to the DA for further action. All three incidents were inmate-on-inmate related violence. Zero incidents involved staff-on-inmate violence. The Rock County Sheriff's Office is continuing to take corrective action on an ongoing basis. Because of this, in 2015, our facility implemented hourly walkthroughs within the entire facility to increase officer presence. Due to PREA Incident #2 and #3, we as a facility updated our transport policy and procedures by transporting male and female inmates in separate transport vehicles.
