NOTES: In 2016, our facility had 5 PREA Incidences, 2 substantiated, 1 unsubstantiated, and 2 unfounded. The 2 substantiated incidents were referred to the DA for further action. All five incidents were inmate-on-inmate related violence. The Rock County Sheriff's Office is continuing to take corrective action on an ongoing basis. Because of this, in 2016, our facility completed its first PREA audit and instituted many policies to become into compliance with P.R.E.A.
