Extension 237

Plat of a resurvey of the centerline of the Big Foot and Madison Road diagonally across Section 7, and across the Northeast part of Section 18, and the Northwest quarter of Section 17, and extending into the Southwest quarter of said Section 17.

Monuments were driven and planted in the ground along said center line as shown hereon.

Surveyed June 7, 8, 14 and 15, 1910.

The plat is correct and shows the location of the centerline of said road, as originally laid out in 1839.

The centerline of said road was determined by the deed on the creamery lot, in the Northwest corner of Section 7, and by the distance of five chains South from the Northwest corner of Section 17, as per original notes of said road. The points a, b & c are in the same straight line.

Edward Ruger, Surveyor
