JAIL CORRECTIONAL FACILITY
2020 Annual PREA Review

The Prison Rape Elimination Act (PREA) is a federal law that was established in 2003 to help with the elimination, reduction, and prevention of sexual assault, abuse, and harassment in all correctional facilities.

The Rock County Sheriff's Office has established a zero-tolerance policy for the incidence of any type of sexual misconduct involving inmates or staff in accordance with PREA. The RCSO policy and Rock County Jail rules prohibit sexual intercourse, contact, or conduct between inmates. Violations will result in disciplinary sanctions. Inmate on inmate sexual assaults will also be prosecuted according to Wisconsin State Statutes. In addition, any sexual acts between staff and inmates are ALWAYS prohibited and are a violation of RCSO policy, Jail rules and Wisconsin Law. Violators are subject to departmental discipline as well as prosecution punishable by prison sentences and fines. It is also inappropriate and against the rules for an inmate to approach a staff member for the purpose of sexual activity.

The RCSO thoroughly investigates all reported incidents of sexual misconduct, including sexual assault and sexual harassment, to determine the merits and validity of the allegations under scrutiny. After the investigation, all cases have been assigned a result of either substantiated, unsubstantiated or unfounded.

Substantiated – The event was investigated and determined to have occurred, based on a preponderance of the evidence.

Unsubstantiated – The investigation concluded that evidence was insufficient to determine whether or not the event occurred.

Unfounded – The investigation determined that the event did NOT occur.

In compliance with PREA standards, the following is published date for January 1 – December 31, 2020.
