

## **Carver-Roehl County Park:**

This 53-acre park is Rock County's second oldest park and one of the most scenic. The park, including the Carvers Rock site, was acquired in 1950 from the Roehl family.

Spring Brook Creek runs from north to south through the park, just north of its confluence with Turtle Creek.

The magnificent limestone outcroppings along with a wide variety of plant life provide a picturesque setting, whatever the season. Many plants are unique to the area and the spring flora is especially noteworthy. The plant life provides food and shelter to many kinds of birds, reptiles and mammals.

In the southern part of the park are the graves of two of the county's oldest settlers, members of the William C. Chase family. The graves date from 1843 and 1845.

## **Trail System:**

One of the highlights of this park is the scenic hiking and skiing trail. The trail is 1.5 miles in length and is best suited for the intermediate skier. Because the park contains areas of extreme topography, anyone using the trail for hiking or skiing should stay on the trail for their own safety. The trails of Carver-Roehl Park are open every day from dawn to dusk. Use at night is not permitted for safety reasons.

## **Pavilion:**

Host your family reunion, graduation party, wedding, or picnic here. The shelter is rented through the Rock County Parks Department. Rentals must be made if you plan to use electricity. If the shelter is not reserved, it is available on a first-come, first-serve basis. Rentals always take precedent over drop-in users.

## **Playground:**

A nature themed playground was installed during the summer of 2011, adjacent to the existing swing-set. The playground was purchased cooperatively with the Friends of Carver-Roehl Park, who initiated this project by raising 50% of the funds.

## **Friends of Carver-Roehl Park:**

The Friends of Carver-Roehl Park are dedicated to the safety and preservation of the natural beauty of this park for the use of the community. They raised funds for the park's pavilion, swing set, playground and trash cans. If you are interested in learning more about the volunteer group, their special events, or upcoming workdays, please contact Rock County Parks, who will direct you to their current president.

## **Location:**

Carver-Roehl County Park is located approximately 14 miles east of Janesville on Carvers Rock Road and 4.5 miles south of State Hwy 11/14.

## **Amenities:**

Include picnic tables, grills, drinking water, and restroom facilities. In an effort to keep the area clean, trash cans and a dumpster are provided. Parking is provided along the park loop road in the summer and weather permitting, in the winter.

**Leave only the sound of your footsteps or track of your skis, take only memories and photos.**

Rock County does not discriminate on the basis of disability in accommodations provided to persons using our parks. For additional information or if special accommodations are required, please contact:
