

Happy Hollow County Park:

This 192 acre park features almost one mile of Rock River frontage. The park has a variety of habitats, including wetlands, grasslands and heavily wooded areas. It is a popular place to launch boats and fish on shore.

Happy Hollow Park is an excellent place for birdwatching because of the wetlands found within the park along the banks of the river. There is an abundance of birds and waterfowl, including eagles, hawks, owls, kingfishers, herons, sea gulls, and a variety of song birds.

The land was acquired in three separate pieces from 1967-1980. The land was purchased from private property owners, using DNR Land and Water Conservation 50% matching grants.

Trail System:

There are roughly four miles of multi-use trails, designated for hiking and equestrian uses. The trails are open every day from dawn to dusk. Use at night is not permitted for safety reasons.

Hikers on the trail must yield to horses, please be respectful. Horse riders are reminded to clean up after their animals in the parking area. Horses are not permitted in the river, picnic area or boat launch. Dogs are allowed, but they must remain on a 6-foot leash and are not permitted in the picnic area. Dog owners are reminded to clean up after their pet.

Boat Launch:

The one lane boat launch is located on the Rock River. All users are required to purchase a single day or seasonal Rock County launch pass. Registration materials are available on site.

Location:

Happy Hollow County Park is located south of the Southern Wisconsin Regional Airport, on Happy Hollow Road, just outside of the Janesville city limits.

Amenities:

Include picnic tables, grills, drinking water, and restroom facilities. In an effort to keep the area clean, a dumpster is provided.
